1.9 Societal Activities under Unnat Bharat Abhiyan

Village Visited : Ambiste Khurd, Tal-Vada, Dist-Palghar

Population:1311

Occupation of most Villagers: Farming

Name of Faculty Members : Dr. Gresha Bhatia, Mrs. Indu Dokre

Name of Students: Manish Shinde(D12C), Dimple Nachnani(D7C)

The visit was a huge learning experience for all the students. The objectives that were laid down for the visit were by and large met. The most important benefit of the visit was that we got an overall idea about the current situation of development in Ambiste Khurd. The real situation was worse. Professors and the students interacted extremely well with the local community as well as adjusted admirably to the rural setting. During the visit the students spread awareness about the harmful effects of plastic and hygiene and various other important parameters. Professors

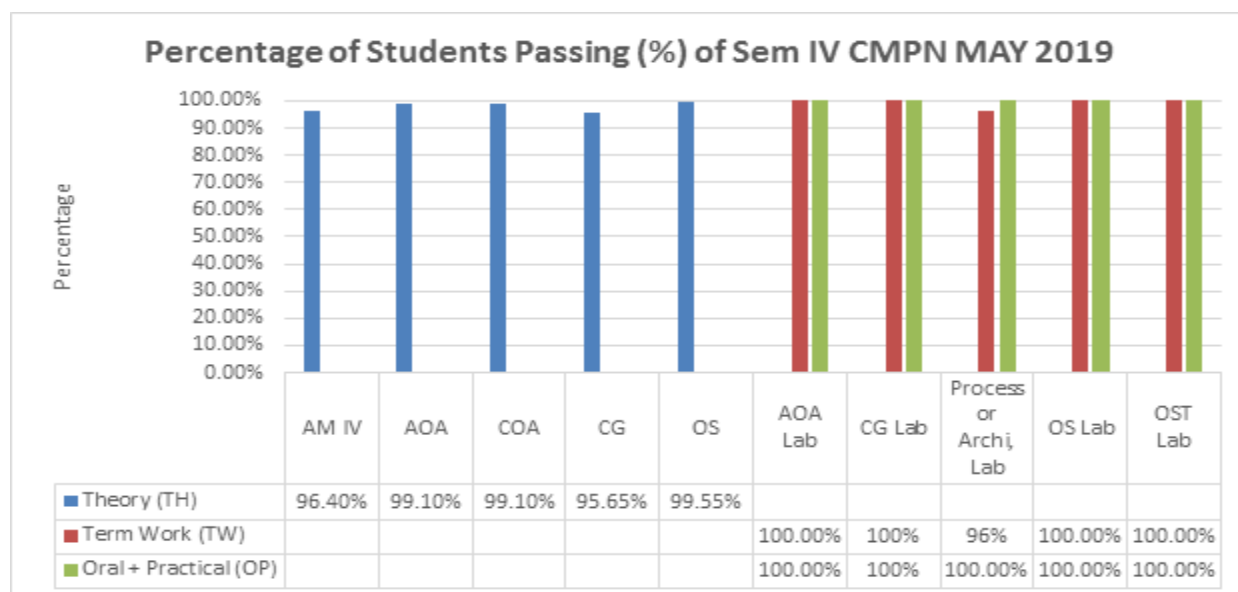

spoke with official staff from government and elected representatives in village. Overall experience of visit was very nice
