Department Report
Academic Year 2016-17 (Even Semester)

Various activities conducted in the Department of Computer Engineering in the Even Semester of the academic year 2016-17 have been categorized as mentioned below:

1. Faculty Contributions

1.1. Courses Conducted

1.1.1. Faculty Development Programme

One Week ISTE approved Industry Oriented Workshop on “IT Innovations “in collaboration with capgemini, SAP Labs and Foslipy.

“IT Innovations“, One Week ISTE approved Industry Oriented Workshop conducted in collaboration with capgemini, SAP Labs and Foslipy from 5 th January 2017 to 11 th January 2017. The workshop was organized by departments of computer engineering, information technology and Master of Computer Applications. Total 63 participants were registered for the same. Highlight of the session was an industrial visit to capgemini and practical session on Python Data Analytics.

Following topics were conducted during Workshop :

Cloud Computing

Service Oriented Architecture

Internet of Things

Agile Methodology and SDLC Concept

User interface Design

Inaugural Session

Inauguration session was held on 5th January 2017, keynote speaker was Mrs. Darshana gale, Sr. Vice President, capgemini. She briefed about various areas in IT Innovations and also explained capgemini contribution to the same. Next sessions for the day was taken by Mr. Niranjana Sathe, about the importance of Software Architecture and Service Oriented Architecture.

Session on “SDLC Concepts” by Mrs. Simi Vinod, capgemini

Day 2 started with Internet of Things (IoT) , the speaker Mr. Manish Parulekar discussed various IoT projects and it's applications. A Project demo done by the team was also shown during the session. Next session was conducted by Mrs. Simi Vinod from capgemini, she has explained industry perspective of Agile Technology and Software Engineering.

Lab Session on “Python Programming and Data Analytics” , Foslipy Pvt. Ltd.

Day 3 was Hands on session on Python for Data Analytics by Foslipy expert.

Day 4 was Industry visit to capgemini at Airoli campus where lab session was conducted on Angular JS by Kavita Arora.

Day 5 and 6 was on topic of user interface design by SAP Labs Expert, Mr Nitin Kumar and Ms.Nivedita Ganjoo . The Session started with the introduction of user interface design, later

group activity was conducted based on a given problem scenario, where each group presented their Persona, POV, sketches & Storyboards. Final product model was developed with the detailed description of use cases and the usability testing was carried out by co-tester of other groups.

“User Interface Design” Session by Ms. Nivedita Ganjoo, SAP Labs

FDP Participants

Followed by which was valedictory function and certificate distribution by Vice Principal Mam.

1.1.2. Workshops/ Seminar conducted : Placement

Under Campus Placement Preparation following seminars and aptitude were conducted in VESIT where the students were prepared on “How to become an Outlier”.

| Sr. No. | Activity | Date/ Time | Class | Expert |
|---------|---|------------------------------|---------------|--|
| 1 | Role and responsibility of placement co-ordinator | 12/01/2017, 10.25 -11.25 | D12A/ D12B | Mr. A. Nagananda |
| 2 | Session 2 Resume Writing and skill set analysis | 13/01/2017, 10.25 - 12.25 | D12A/ D12B | Mr. A. Nagananda |
| 3 | Session 3 Facing Interviews | 16/01/2017, 12.45 - 2.45 | D12A/ D12B | Mr. A. Nagananda |
| 4 | Role and responsibility of placement co-ordinator | 20/01/2017, 12.45 - 2.45 | D12C | Mr. A. Nagananda |
| 5 | Session 4 Transaction Analysis | 24/01/2017, 12.45 - 1.15 | D12A/ D12B | Mr. A. Nagananda |
| 6 | Session 2 Resume Writing and skill set analysis | 15/02/17, 10.30 - 12.30 | D12C | Mr. A. Nagananda |

1.1.3. Skill Enhancement Lectures (SEL) and NPTEL Video Lectures

SEL Academic Year 2016-17 (Even Semester)

1. “Big Data - Hadoop” , (SEL) , Mr. Suyog Nagaokar, Teradata on 31st Jan 2017 for Final Year Students.
2. “Architecture and Framework for NGN and IoT”, (SEL) , Mr. Subhodh Gajare, Cisco, 10th Feb 2017 for Third Year Students.
3. “Applications in Machine Learning” (SEL) , Ms. Shubhangi Shrikende, BARC on 9th March 2017 for Final Year Students.
4. “Internet of Things” (SEL) Mr. Nishikant Joshi, TCS, on 14th March 2017 for D7A, D7B, D7C.
5. “Power BI” (SEL) , Mr. Mahendraprasad Dubey, Microsoft, on 25th March 2017 for Third Year Students.
6. “Power BI” (SEL) , Mr. Mahendraprasad Dubey, Microsoft, on 25th March 2017 for Final Year Students.

NPTEL Academic Year 2016-17 (Even Semester)

1. “Disk based Data Structures” (NPTEL) Prof. Naveen Garg, IIT Delhi, on 5th April 2017 for D7B
2. “Disk based Data Structures” (NPTEL) Prof. Naveen Garg, IIT Delhi, on 7th April 2017 for D7C

3. “Line Clipping” (NPTEL) Prof. Sukhendu Das, IIT Madras, on 24th March 2017 for D7A.
4. “Line Clipping” (NPTEL) Prof. Sukhendu Das, IIT Madras, on 1st April 2017 for D7C.
5. “Garbage Collection” (NPTEL) Dr. Y N Srikant, IISc Bangalore on 11th Feb 2017 for D12A.
6. “Instruction Scheduling” (NPTEL) Dr. Y N Srikant, IISc Bangalore on 17th March 2017 for D12B.
7. “Garbage Collection” (NPTEL) Dr. Y N Srikant, IISc Bangalore on 11th Feb 2017 for D12C.
8. “Living with Complexity”, (NPTEL), Don Norman, Carnegie Mellon University on 3rd April 2017 for D17A.
9. “Design of Everyday things”, (NPTEL), Don Norman, Carnegie Mellon University on 21st Jan 2017 for D17C.

1.2. Industry Interaction: Courses Attended

- Computer Department faculties attended ISTE approved Industry Oriented workshop on "IT Innovations" organised by VESIT Computer, IT and MCA department on 5 January, 2017 to 11 January 2017 , expert talks from SAP Labs, Capgemini and FOSS Community. Industry visit on 9 January 2017, to Capegemini, Mindspace, Airoli campus and Workshop on AngularJS at Capegemini was part of this 5 day event.
- Prof. Priya R.L and Prof. Lifna C.S attended an IOT workshop at Microsoft Campus at Kalina on 25 March 2017 along with students.
- 10XTD, Startup company in association with Mr. Nitin Verma, SAP Labs conducted 2 days training program on 8th and 9th April 2017. Prof. Manisha Gahirwal was trained in UX design.
- Prof. Nupur Giri has attended Round table discussion on the topic of “Education’s Digital Transformation” at Accenture Ltd, Mindspace on 6th April 2017.
- Dr. Gresha Bhatia and Prof. Manisha Gahirwal has attended “Faculty Interaction Meet” with Mr Bruce Momijan, Co-founder PostgreSQL at TCS premises, Thane on 10 Feb 2017.
- Mrs. Priya R. L has participated in one day Faculty Development Program session on

“New Paradigm in Software Engineering” organised by Accenture Ltd held on 15 December 2016 at Thakur College of Engineering, Kandivali East.

1.3. Research Forum Activities

1.3.1. Minor Research Grant Proposals

1.3.3. Invited Talks

Expert Talk : Research Forum

- An expert talk on " Big Data Hadoop " was conducted on 31st Jan. 2017 (Tuesday) by Mr. Suyog Nagaokar, Associate consultant, Teradata.
- "The importance of Data Piracy" was conducted for students on 2nd Feb 2017 by Dr. Padmaja Joshi, Joint Director (Software Quality) at C-DAC (Centre for Development of Advanced Computing, India) under Data Piracy day events.

- An expert talk on " Big Data Hadoop " was arranged by Research Forum team of the department on 31st Jan. 2017 (Tuesday) by Mr. Suyog Nagaokar, Associate consultant, Teradata.
- A talk by Subodh Gajare from Cisco, Bangalore on " Internet of things: Case studies of Smart Cities"on 10th Feb 17 under SEL
- An expert talk by Mr. Nishikant Joshi, TCS was delivered to second year students on “ challenges of IOT” on 14th March 2017 under SEL.He was also one of the judges for Technology Day even on 20th March 2017
- Mr. Narenadra Angane and Mr.Mahendra Prasad Dubey Microsoft Ltd, took a training session on “Power Business Intelligence” for third year students on 25th February 2017 under Technolgy day activities.
- MIT Professor Dr. Abel Sanchez, Executive Director, from Mit, Geospatial Data center, Cambridge Massachusetts visited the campus and delivered a talk on “Block Chains”on 7th April 2017 to our pre-final year students. About 100 students attended the lecture under industry-academia connect program of Accenture Ltd.

1.4. Industrial Visit

Industry visit was conducted on 9 January 2017, to Capegemini, Mindspace, Airoli campus and Workshop on AngularJS at Capegemini .

1.5. Syllabus Setting of UG and PG Courses

University Interactions:

Faculties of the Computer Engineering Department are involved in the syllabus revision panel - 2016 for UG & PG courses (ME Computer Engineering , ME- IT) as mentioned below :

- Dr. Nupur Giri (Co-Coordinator) is the member for syllabus revision of the subject Open Source Tech (Python & Perl) Lab.
- Prof. Gresha Bhatia (Co-Coordinator) is the member for syllabus revision of the subject Computer Graphics And Computer Graphics Lab.
- Prof. Sharmila Sengupta (Coordinator) is the member for syllabus revision of the subject Digital Logic Design and Analysis And Digital System Lab .
- Prof. Sharmila Sengupta (Coordinator) is the member for syllabus revision of the

subject Electronic Circuits and Communication Fundamentals And Basic Electronics Lab.

- Prof. Sujata Khedker (Coordinator) is the member for syllabus revision of the subject Discrete Structures.
- Dr. Nupur Giri (Co-Coordinator) is the member for syllabus revision of the subject Operating System and Operating System Lab.
- Dr. Nupur Giri is the member for syllabus revision for ME - Computer Engineering for the subjects Advanced Computer Network, High Performance Computing (Co-Convenor) and Internet of Things.
- Prof. Gresha Bhatia is the member for syllabus revision for ME - Computer Engineering course for the subjects Data Storage & Retrieval and ICT for social cause.
- Prof. Sujata Khedkar is the member for syllabus revision for ME - Computer Engineering course for the subjects Data Science, User Experience Design (Co-Convenor), Semantic web & Network Analysis (Convenor), Lab-I : Mini Project II and for ME - IT course for User Experience Engineering subject.

1. 1 day, Data Privacy Awareness Campaign was conducted where a poster presentation Competition was conducted. An expert session was held on 2nd January 2017 by Dr. Padmaja Joshi, Joint Director (Software Quality) at C-DAC (Centre for Development of Advanced Computing, India) . The session created awareness about the importance of data privacy.

16 student participated in poster presentation and 50 attended the session.

REPORT: DATA PRIVACY AWARENESS CAMPAIGN

Data privacy and security has long been a concern for many individuals and organizations. Everyone should be aware of how their digital lives show snippets of their real ones, and how the things they do and share online can affect real life. So, to spread this awareness about data privacy, an initiative of Department of MCA in collaboration with Department of INFT and CMPN organized an Awareness Campaign on Data Privacy on the 2nd of February, 2017, Thursday, in VESIT. The staff involved were Mrs. Geocey Shejy, Event Convener, MCA, Mr. Sunny Nahar, Coordinator, MCA, Ms. Sukanya Roychowdhury, Coordinator, IT and Mrs. Vidya Zope, Coordinator, Computer. The awareness campaign included a Poster Presentation Competition for the students of MCA, INFT and CMPN. This was followed by an experts' session about the importance of data privacy and ways to ensure it.

The event commenced with the poster presentation competition held at the Amphitheater at 12.00 noon. Some of the topics for poster presentation were Personal Data Privacy in Social media, Significance of data privacy in business, Data Safety and Data Security Tools, Cyber safety, Cyber Ethics, Online safety for kids, Cyber Security Policy and law in India and Data privacy for Indian community. The participants were also given the liberty to choose any topic related to Data Privacy apart from the ones listed. Each participating team was given a

group number and the posters were displayed in the chronological order of group numbers.

The list of participants is as given below:

| Group Number | Members | Class | Group Name |
|---------------------|---|--------------|-------------------|
| 4 | Mansi Shivani Kanchan Tewani Shruti Zade Gaurav Gianani | D12A | Securlinks |
| 6 | Harsha Vidhrani Harshini Sewani Jyoti Tejwani Varsha Chhabria Tushar Jumani | D7B | TJ |
| 7 | Mahima Motwani Rahul Shamdesani Ashish Chandwani Sarthak Saili Kadam | D7A | |
| 14 | Priya Puranik Rachana Kamat Ekta Sirwani Aishwarya Dhage Aishwarya Danoji | D17C | Hexspeaks |
| 16 | Juhi Bhagtani Juilee Kulkarni Rushika Ghadge Aishwarya Chandak Neeraj Jethnan | D12B | DaVinci |

The judges for the competition were Mrs. Sangeeta Oswal from the MCA Department, Mrs. Manisha Gahirwal from the Computer Engineering Department and Mrs. Asha Bharambe from the INFT Department. The judging parameters along which the posters were marked included quality and relevant information, logical sequence and consistency of exhibition theme, creativity and management of the medium and overall visual appeal with a total of 30 marks. All the participants seemed to be enthused and excited for the presentation. Each participant gave their best and with each presentation, the task of the judging panel became more and more daunting. Curious minds in the form of students who were not participants and teachers walked around looking at the displayed posters. This act boosted the morals of the participants.

The event was a huge success with the students and faculty members commending the good work of the organizers. The smooth running of the show was facilitated by the hard work and dedication of the faculty involved and the student volunteers working behind the scenes. The positive replies were kudos to them.

2. As a part of Skill Development, Department of Computer Engineering along with the departments of IT and MCA organised a Winter School Program for second, third, final year students of VESIT during the mid of this academic year. The details of the workshop is attached below.

Workshop : Data Integration and Business Intelligence with Pentaho and Hadoop

Departments of Computer, IT and MCA of VESIT organized Five days workshop on “Data Integration and Business Intelligence with Pentaho and Hadoop” from January 05-10, 2017 in collaboration with Asterix Solutions and Nilesh Bane Ascentech System Pvt. Ltd. The objective of this Winter School Program is to learn how to integrate data for business intelligence using Pentaho and Hadoop.

The first three days session on Data Integration and Business Intelligence using Pentaho was taken by Mr. Nilesh Bane. He was an excellent trainer who helped the participants to understand how to transform data from one file format to another in Pentaho and also provided hands on session for generating reports which is used to perform Business

Intelligence. The participants showed high level of enthusiasm and spirit of learning which encouraged the speaker to demonstrate the installation of BI Server in Pentaho.

The last two days workshop was on Big Data Analytics on Hadoop. The sessions were taken by Mr. Zartab Nakhwa the founder and CEO of Asterix Solutions. Sessions on First day covered the following details starting with the introduction to Big Data Analytics, the role of Hadoop, its Architecture and its command line installation. Second day started with the installation of IBM Biginsights followed by a hands on session.

In this event second year students have exhibited their innovative ideas. They were mentored by the faculties for two semesters to culminate into a product and this event was judged by Mr. Nilesh Bane, Deloitte India Pvt. Ltd. He is an expert in Data integration , Big data and Hadoop technology .

The winners/participants of the above events received certificates and trophies.

2.3.4. Technology Day

Technology Day is an opportunity to discover the research abilities of the students. It is conducted in Computer Engineering Department on 20 March 2017, where events such as *spRdh*, Project Exhibition, App Launch, Technical Paper Contest - Buzzpro`2017 etc. are organized for students of BE, TE and SE, CMPN. The events are judged by industry experts and 101 participants showcased their ideas.

2.3.4.1 Technical Paper Contest - Buzzpro '17

Buzzpro'17 is an opportunity to explore, investigate, analyze the experience of writing a technical paper. In this event 10 participants from TE have presented their papers. They were selected among 21 papers through external reviewers comments and plagiarism reports. It was judged by Mr. Nishikant Joshi, TCS , who has more than 24 years experience in IT industry.

2.3.4.2. BE Project Competition :

In this event 15 project groups of BE, CMPN have exhibited their final year projects. They were selected among 55 groups by internal review panel. It was judge by Ms. Sayali Yewali, Founder and CEO of Foslipy Pvt. Ltd. and Mrs.Lekha Menon, TCS, an ECM Architect.They gave , valuable reviews and guidance to students.

| | | <p>Ex: For multiplication inputs like</p> <ul style="list-style-type: none"> ● 5 multiplied by 4 ● 5 into 4 ● 5 times 4 are valid. <p>This is applicable for other operations too.</p> <p>The application works in offline mode too.</p> <p>No funding has been obtained yet.</p> <p>It's not on play store as we are thinking to add few more functionalities. So as of now, no budgeting is required.</p> | |
| | Find It | <p>Himanshu Kumar, Mohnish Katware, Shripad Laddha</p> <hr/> <p>About the app: This is the app for students to find teachers(Through ping) when he/she needs to find them urgently. Since teachers are involved in various activities it becomes difficult to find them after lecture .Also the app helps the student to see the Timetable of any class. We are working on integrating google sheets with the app so as to increase the functionality.</p> <p>Target audience: The target audience being all students, teaching and non teaching staff of VESIT, all we want is convenience of students.</p> <p>Download the app from here.</p> <p>Students have found this app very useful and gave very encouraging feedback.</p> <p>Funds: We have not got any funding but we would require playstore id to deploy the app.</p> <p>We will require funds for firebase account, if the number of users exceed beyond limit.</p> | D12B |
| | AttWatch | <p>Pavan Chhatpar</p> <hr/> <p>The app helps in organizing daily college schedules. Various entrance exam tests and activities at college that overlap with college schedule can be managed with the use of the app. Daily attendance and a plan</p> | D12B |

| | | | |
|--|--|---|--|
| | | <p>for all the activities needs to be recorded in the app and the app will then do the trick of never letting you fall in defaulters.</p> <p>The target audience is college going students. Even entrance examination coaching classes can be targeted and they can provide the students with this application to organize schedules.</p> <p>Download the apk file from here</p> <p>No funding has been required. This project was made for learning android programming. All benefits made map to the knowledge gained while developing the app.</p> | |
