Courses Attended by Faculty[1]

Sr. No.	Attended By	Course description	Organized by	Date	Number of days	
1	Dr Maya Bhat	Transition to online Facilitation	EXTC Department VESIT	8 July-5th August2020	4WEEKS	
	Dr Maya Bhat	Statistical Analysis of Quantitative data using advance Excel	Department of mathematics of Rizvi college	3rd and 4th June2020	2dayys	
	Dr Maya Bhat	International Webinar on diversity in science	Association of Chemistry Teachers	9th Feb	1day	
	Dr Maya Bhat	International WEBCON on recent advances in Chemistry Education and chemical research	Association of Chemistry Teachers	29thNov to Dec 1st	3days	
	Dr Maya Bhat	Online Workshop on Universal human values	AICTE	28thSept-2nd Oct	5days	
2	Dr. Keya Doshi	An Online STTP on "LaTeX for everyone" organized by Department of Engineering Sciences, Ramrao Adik Institute of Technology, Nerul, Navi Mumbai	Department of Engineering Sciences, Ramrao Adik Institute of Technology, Nerul, Navi Mumbai	18-20 June 2020	5 Days	
		An Online National FDP on "Statistical Analysis of Quantitative data using Advance Excel for research scholars"Department of Mathematics, Rizvi college of Arts, Science and Commerce	Department of Mathematics, Rizvi college of Arts, Science and Commerce	3-4 June 2020	2 Days	
		Transition to online Facilitation	Department of Electronics and Telecommunication s, VESIT	8th July -5th August 2020	5 Week	

		Combinatorics and Probability	University of California San Diego, Coursera	June 2020	6 week	
		Application of Mathematical Sciences	Department of Basic Science and Humanities in association with Indian Society for Technical Education, New, Delhi	13th July-18th July,2020	1 Week	
		Faculty Development Programme on Online Teaching and E-content	S.K Somaiya College in association with Indian Institute of Digital Education(IIDE)	11-12 June 2020	2 Days	
3	Dr. Sushil Dhuldhhar	National Webinar on Mental Health & Personality Development	Arts & Commerce college, Bhis, Chandrapur	5th June 2020	1 Day	
		Webinar on Placement/Career Guidance	VESIT, Chembur	27 June 2020	1 Day	
		National Webinar on National Education Policy 2020	VESIT, Chembur	22 December 2020	1 Day	
		Online FDP Workshop on Universal Human Values	AICTE, New Delhi	12 to 16 Oct 2020	5 days	
4	Ravi Shankar	Transition to online Facilitation	EXTC Department VESIT	8 July-5th August2020	4WEEKS	
		National Webinar on National Education Policy 2020	VESIT, Chembur	22 December 2020	1 Day	
		Webinar on “Identifying Intellectual Property Component at early stage of Innovation”.	VESIT in association with VESIT IQAC and IIC	30 January 2021	1 Day	

		“National Education Policy 2020 (NISIP)”	VESIT in association with VESIT IQAC and IIC	30 January 2021	1 Day	
	Dr. Manisha Tiwary	Online Workshop on Universal human values	AICTE	5th Aug-9Aug2020	5days	Online Workshop on Universal human values
		Online Refresher Workshop on Universal human values	AICTE	23thNoct-28 nov	5days	Online Workshop on Universal human values

		Transition to online Facilitation	Department of Electronics and Telecommunications, VESIT	8th July -5th August 2020	5 Week	
	Dr.Pooja Kundu	Professional Communication & Ethics - I	K. J. Somaiya institute of Engineering, Sion	2/7/2020	One Day	
		From offline to online	Department of IT, University of Mumbai	30 May-3 June	National Level FDP	
		Webinar on Placement/Career Guidance	VESIT, Chembur	27 June 2020	1 Day	
		National Webinar on National Education Policy 2020	VESIT, Chembur	22 December 2020	1 Day	
		Online FDP Workshop on Universal Human Values	AICTE, New Delhi		5 days	
		Two days International Web Conference	SRTM University Nanded	10-11 June 2020	2 days	
		International Webinar	BBTM College, West Bengal	3-5 June2020	Three Days

STUDENT ACHIEVEMENTS

Scientia'20

The Department of Humanities and Applied Sciences announced its first edition of the online quiz contest 'SCIENTIA 2020'. The brain-stimulating contest had its exclusivity specially held for the F.E. 2019-20 batch. The competition was divided into three levels that tested the participant's all-round skills. The contest was coordinated by the quiz masters Dr. Barnali Saha (Assistant Professor, Department of Master of Computer Application) and Mr. Vijay Shejwalkar (Assistant professor, Department of Humanities and Applied Sciences)

The first level was an open-to-all round wherein any student from the F.E. 2019-20 batch could participate. The syllabi panned across subjects from Semester 1 and 2, current events and the upcoming technology.

Level 1:- was conducted online on July 25, 2020. This round was conducted via Google forms and consisted of 30 questions and a time limit being 30 minutes. The time constraint was a deciding factor in this round. Those that managed to stitch in time, emerged with flying colours.

The winners were announced shortly. Best Performer - Prerak Moolchandani (D2A)

Commendable Performer - Radhika Kataria (D2A) Sumit Jadhav (D4A) The class with maximum participation was awarded the Best Performing Division it was D4A. The Best Performer award winner, was Prerak Moolchandani (D2A) The classes with a participation of more than 50% of their class strength, were promoted to the second round. The top three high scorers will then represent their classes for this round. A special challenger team was also promoted. Level 2:- The round 2 for the contest was scheduled on July 28, 2020. The 3 students selected from each class had to work as a team. A Google document that was shared with every team wherein they had to fill the answers. The answer sheets were prudently monitored by the

organizers. The questions involved topics ranging from basic engineering mathematics, physics, chemistry to general knowledge and IoT based systems. This round was rather challenging and onerous as far as the level of questions was concerned. Scholastic Performer award was won by the team D4B. Other two teams that were selected for the finale were D4A and D2B. Level 3:- It was conducted on August 1, 2020. Dr Pooja kundu hosted the event. The live streaming of the event began exactly at 5 pm. The top 3 teams participated third level and had six rounds in total. The finale rounds were strictly moderated by the members of the Exam Panel, Dr. Manisha Tiwary (Assistant Professor, Department of Humanities and Applied Sciences) and Mrs. Ramya T (Assistant Professor, Department of Humanities and Applied Sciences). Round 1 of this level was a time demanding round with 10 questions for each team to be answered in a minuscule span of 2 minutes. Each team was provided with a workspace to type out their answers. The Round 2 called 'Visual Connect' was very interesting and was divided into two sections, viz, Short Connect and Long Connect. Each question in this round was a picture. Each picture in the short connect round had a hint for the answer of the long connect round. This round made the contestants alert as it had a negative marking system. Round 3 was a 'Pounce-Back' Round, where in the teams had a chance to answer the questions directed to other teams and earn bonus points. This round, though, had negative marking too. Round 4 was very wisely named 'Scientia-Sonic' was an audio-based round. The questions in this round were based on audio that was played in the background. In this round, the contestants were all ears for the audio track. Round 5 was a matrix puzzle round called 'Subject Maze'. A word maze was shown on the screen to the participants. They had to find those words that were related to the subjects in the previous semesters. Later, a questionnaire was given to the participants, whose answers were those hidden in the word maze! The final round, the sixth, fitting-ly named 'Finishing Link' was a true real taskmaster for the finalists. Each question had two parts, both whose answers were linked to each other. Finally, the results were declared. Winners - Team D4A: Dhruv Wankhede Rahul Kulkarni Sumit Jadhav 1st Runner Ups- Team D2B: Rashmi Singh Vishesh Mittal Drishti Katiyara 2nd Runner Ups- Team D4B: Tanya Dubey Srushti Jagtap Yogesh Inamdar. The Resource Team included: Dr. Barnali Saha, Mr. Vijay Shejwalkar, Mrs. Ramya T, Dr. Manisha Tiwary, Dr. Maya Bhat, Mr. Mahesh Singh.
