UMESH KUMAR SINGH
Chief Vigilance Officer
SAVI/5906/2021

28th October 2021

To,
The Principal,
Vivekanand Education Society's Institute of Technology,
Chembur.

Greetings from Union Bank of India...!

I am writing this letter with extreme pleasure and happiness to record the successful events, organized in the wake of Vigilance Awareness Week, by VESIT's Literature Circle every year from 2016 to 2021.

I would like to congratulate all the in-charges and student team for the successful organization of all the events with full fervor and zeal and the efforts they have put in over the years for this recurring event with utmost perfection. Even in the current year with the challenges of the ongoing pandemic, there was no stone left unturned.

It has always been an amazing experience to come and witness the potential and talent of your students. The level of dedication and knowledge that the participants and the organizing team have exhibited throughout is commendable. We have seen various stupendous Debates, Essay Writing Competitions, Youth Parliaments, Quizzes, Documentaries, Short Films and much more. Every event is so unique and intellectually stimulating.

Looking the caliber of the students of VESIT we shall explore the possibility of arranging internship to few students subject to rules/regulation of the Bank & approval from the competent authority. Also, some of the content of this year's events will be shared in our national magazine as well as the chosen film will be screened in prominent functions of the Bank.

I once again thank and appreciate your organization for the support and service in achieving our goals. We are hopeful that we will set new standards with our collaborations in the future.

Attaching the list of events we have conducted so far along with VESIT.

With best wishes,

Yours sincerely,
Umesh Kumar Singh
