Management was good and even the audience seemed to have enjoyed the event on youtube live stream. Our team did make it up to the finals and were the runner-ups. No hard luck on losing cause the event itself was worth playing and entertaining.”

got to enjoy a lot with my classmates. The games were amazing as I really had to strain myself to remember the song names but overall it was a very exciting event”

3. Anand Tekwani(D12C) says, “The event was fun. The games were really enjoyable. Moderators did their work flawlessly. They were fair to everyone. And I guess I speak on the behalf of all the participants when I say, it didn't feel like a wasted weekend at all”.
