Brief introduction of the council

VESIT RENAISSANCE CELL also known as VRC was established in the year of 2015-16. VRC is the brainchild of Our Principal Dr. J.M. Nair. She came up with an idea of having "young leaders" as an intermediate layer of the workforce. She picked up a few members from all departments. We are a team of eleven members. To fulfill objectives of VRC different activities were started. Project based learning and skill development activities give real growth to our goals

List and brief description of activities carried out during this period including photographs with captions.

1. Summer'22 Internships at VESIT.

These internships are unpaid positions with an aim to provide students with practical experience. The interns are provided a certificate stating the nature of the project and their contribution at the end of the internships.

INTERNSHIP DURATION was 1ST JUNE 22 TO 5TH JULY 2022

.No of students : 74
i.No of projects : 10
ii.No of Guodes : 15

2. Smart India Hackathon 2022

Smart India Hackathon (SIH) is a nationwide initiative by the Ministry of Education's Innovation Cell to provide students a platform to solve the pressing problems of the government, ministries, departments, industries and other organizations. SIH has been acclaimed as the world's biggest open innovation model and it inculcates the culture of product innovation and problem-solving among students. SIH is conducted every year since 2017 in two formats i.e. SIH Software and SIH Hardware Editions for higher education students. Smart India Hackathon 2022 software grand finale was scheduled from 25th August to 26th August 2022. Smart India hackathon has witnessed huge participation from Ministries, departments, PSUs, and private organizations in providing problem statements. SIH 2022 has offered 459 Software problem statements and 104 hardware problem statements.

VRC has an opportunity to conduct an internal hackathon for SIH and select the best 10 teams to participate in the final of SIH .

Glorious Success of VESITians : It is a moment of pride that we have added on to the winning history of VESIT, that 4 out of 4 teams have won the Grand Finale of Smart India Hackathon 2022.
