## DEPARTMENT OF ELECTRONICS ENGINEERING

### Minutes of the Program Assessment Committee (PAC)

Meeting was held on 27th September 2018 The following points were discussed in the meeting:

1. The Agenda of the meeting was to discuss the CO attainment and the Result Analysis which contains course wise, semester wise results of the department for the academic year 2017-18 even .
2. CO attainment for Second Year, Third Year and Final Year was discussed in the meeting. A target attainment of 60% for Practical & Oral exam, 70% for Term work, 50% for Internal Test and 50% for End Semester Exam was set for achievement for AY 2019-20(even & odd semester). Accordingly the CO Attainment Levels of 0,1,2,3 were set for students scoring below 60%, 60-69%, 70-79% and 80% & above respectively.
3. The following tables shows subject wise Comments for CO Achievement by PAC Committee:

#### Second Year Semester – IV

Sr. No.	Subjects/Laboratory	Comments for CO Achievement by PAC Committee
1.	Digital system Design	CO for theory assessment Solving of More Practice Problems is recommended.
2.	Principle of Communication Engineering	Practice of University Papers is recommended. Mock Practical and Viva can be conducted.
3.	Electronics Devices and Circuits 2	All CO's achieved for theory assessment Expert Lecture can be arranged
4.	Linear Control System	Solving of More Practice Problems is recommended and practicals can be performed.
5.	Microprocessor and Applications	CO attainment level for theory assessment is achieved.

		Solving of More Practice Problems is recommended.
6.	Applied Mathematics 4	More practicals to be added and Mock Practical can be conducted.
7.	Digital system Design Laboratory	Mock Viva and extra practicals to be added
8.	Communication Laboratory	Practicals to be added and mock viva to be conducted
9.	Electronics Laboratory	Extra Experiments can be added.
10.	Microprocessor Laboratory	

**Third Year Semester – VI:**

Sr. No.	Subjects/Laboratory	Comments for CO Achievement by PAC Committee
1.	Computer Organization and Architecture	Mock Viva can be conducted and extra experiments can be added
2.	BVLSI	All CO's achieved. Solving more numericals is recommended.
3.	Advanced Instrumentation System	Solving more numericals is recommended. Practice of University Papers is recommended.
4.	Power Electronics	Solving more numericals is recommended.
5.	Digital Signal Processing	Extra Practical can be conducted
6.	MITM	CO attainment level for theory assessment has be improved
7.	Computer Organization and Architecture Laboratory	Mock Practical and orals can be conducted
8.	Advanced Instrumentation System Laboratory	Extra Practical can be added

**Final Year Semester – VIII:**

Sr. No.	Subjects/Laboratory	Comments for CO Achievement by PAC Committee

1.	Mobile Communication	Practice of University Papers is suggested.
2.	Robotics	Practice of University Papers is suggested.
3.	MEMS Technology	Practice of University Papers is recommended.
4.	Advanced Networking Technology	Practice of University Papers is recommended.
5.	CVLS	Practice of University Papers is recommended..
6.	Mobile Communication Laboratory	All CO's achieved
7.	Robotics Laboratory	All CO's achieved
8.	MEMS Technology Laboratory	All CO's achieved
9.	Advanced Networking Technology	All CO's achieved
10.	CVLSI Laboratory	Expert Lecture can be arrangement to bridge the gap

1. Overall CO attainment was good.
2. The committee recommended that more written practice of University papers should be given to SE and TE students for mathematical subjects to improve the CO attainment level.
3. It was also suggested by the committee that more numericals must be solved from University Question Papers and also arrange expert lectures.

### Vivekanand Education Society's Institute of Technology

**MINUTES OF THE DEPARTMENT ADVISORY BOARD HELD ON 14<sup>th</sup> OCT 2017 AT 10.00AM  
IN ROOM No. 204, IN THE INSTITUTE PREMISES**

The meeting of Department Advisory Board (DAB) for the Department of Electronics was held on 14<sup>th</sup> October 2017 at 10.00 am in room no. 204 in the institute premises.

**Following members were present**

1. Mr. C. V. Prasad Rao	Industry Expert
2. Mr. Shrikant Karve	Industry Expert
3. Mr. Subhash Rao Mallya	Industry Expert
4. Mrs. Anita Jain	Parent
5. Mr. Saurabh Gandhi	Alumni
6. Mr. Rachit Pradhan	Student
7. Mrs. Kavita Tewari	Head of Department
8. Mrs. Naveeta Kant	Faculty
9. Dr.(Mrs.) Rajani Mangala	Faculty
10. Mr. Abhay Kshirsagar	Convener DAB (Faculty)

**Following members were absent during the meeting**

1. Mr. Rajesh Shah	Industry Expert
2. Mr. Anurag Chugh	Alumni

- Mr. Abhay Kshirsagar welcomed all the members of DAB.
- Members discussed the results of previous semester. PAC assessments were discussed.
- A Suggestion was raised by Dr. Anita Jain about choosing branch in 2<sup>nd</sup> year as students garner knowledge about engineering and its streams during the 1<sup>st</sup> Year and are ignorant just after the completion of 12<sup>th</sup> Class.
  - Mrs. Kavita Tewari explained the process of branch change.
- Members discussed about higher studies & placements till date.
- A suggestion came from Mr. Karve that as in big companies students are not getting knowledge and not much work but in startup students get new things to learn.
  - Mr. Abhay Kshirsagar explained that students are ready to accept offers from startups and small companies as the pay package is low.
  - Mr. Prasad Rao discussed the benefits of working in core industry over a long period.
- Members also suggested to include IT subjects in syllabus.
  - Revised syllabus has the inclusion of IT related subjects.

- Gross learning should be done during internship.
  - Students will prepare a report and submit after internship. Dr. Rajani Mangala suggested to have presentation session from students to benefit others.
- Members suggested to have Workshops based on some Industry specific and core projects.
- Mr. Subhas Mallya suggested that Curriculum needs to be more industry specific as the skill required by the company from the fresher is not met.
  - Mr. Abhay Kshirsagar explained this can be done while designing the autonomy scheme by taking suggestions from people working in industries.
- Members discussed possibility of doing certain industrial projects by group of students. With this practice both the students as well as industry will gain and those projects can be put up on Technology Day & people from industry can be invited.
- Mr. Abhay Kshirsagar highlighted the list of project (Final Year)
  - Members appreciated the topics chosen. Members also agreed to visit in January 2018 end to guide and Motivate students.
  - SEL regarding the same can be conducted at beginning of sem VII
- Mr. Prasad Rao suggested to update Electronics department website with activities planned and conducted.
- Mrs. Kavita Tewari briefed about the recent activity related to books donation which is helpful for junior students for reference.

1. Mr. Subhash Rao Mallya	Industry Expert
2. Mr. Rajesh Shah	Industry Expert
3. Mr. Anurag Chugh	Alumni
4. Mrs. Naveeta Kant	Faculty

- Mr. Abhay Kshirsagar welcomed all the members of DAB.
- Members discussed the results of previous semester.
- Members discussed the placements till date.
- Mr. Abhay Kshirsagar highlighted the few projects to the members.
  - Mr. Saurabh Gandhi introduced FAB Lab Institute facility at Godrej and explained it's working.
  - Mr. Prasad Rao suggested to upload the list of projects on institute web site.
- Mr. Prasad Rao expressed his unhappiness towards the industrial visit initiative to Dahanu Power Plant.
  - Mrs. Kavita Tewari explained the reasons for IV failure.
  - Mr. Prasad Rao suggested to conduct a session on importance of IV for students.
- Mr. Abhay Kshirsagar discussed Tinkerer Lab activities and explained functioning of the lab.
  - Members suggested to highlight Tinkerer Lab activities and facilities to attract core companies for placement.
  - Dr. (Mrs.) Rajani Mangala suggested to invite Alumni to inspire/motivate students for taking core jobs.

**(AY 2016-17 Even Sem)**

A DAB Committee meeting was conducted on 25/03/2017 from 11:00 am to 12:30 pm in Room No. 507. The following members were present for the meeting.

1. Dr. Prasad Ramanathan (IGATE Global Solutions, Mumbai)
2. Mr. Dayaram Patil (Deloitte Consulting, Mumbai)
3. Mrs. M.Vijayalakshmi (Vice-Principal, VESIT)
4. Mrs. Shalu Chopra (H.O.D, IT Dept., VESIT)
5. Mr. Saisaketh Ramireddy (Alumni)
6. Ms. Darpan Lalwani (Alumni)
7. Ms. Illesha Garg (Student-B.E)
8. Mr..Rohan Jagiasi (Student- T.E)
9. Mrs. Lata Sapla (Parent)
10. Dr. Shanta Sondur (Professor, IT Dept., VESIT)
11. Mr. Manoj Sabnis (Associate Professor, IT Dept. VESIT)
12. Mrs. Smita Jangale (Associate Professor, IT Dept. VESIT)
13. Mrs. Asma Parveen (Assistant Professor, IT Dept. VESIT)

**Agenda of the DAB meeting:**

1. To provide suggestions for the overall improvement (Result and Placement) of the students.
2. To provide suggestions to fulfill the gaps identified in PO attainment.

The meeting started with the presentation by Mr. Manoj Sabnis on PAC report. Presentation included following points:

- The department's objectives
- Methodologies adopted by department to achieve these objectives
- Report on result analysis for Sem IV, VI, VIII for AY 2015-16.
- Report on result analysis for Sem III, V, VII for AY 2016-17.
- CO-PO attainment for Sem III, V, VII for AY 2015-16.
- PAC remarks
- Gaps identified in PO attainment
- Suggestions from IT staff to fulfill the gap

The following were the suggestions given by advisors in this committee.

Dr. (Mr.) Prasad Ramanathan from Capgemini ,Mumbai, who is the senior advisor for this committee and Mr. Dayaram Patil from Deloitte consulting, Mumbai , who is parent of one of the IT student and also one of the advisors in the DAB Committee suggested following:

1. Redefine the PSOs.
2. Relook at subjects CO-PO mapping for PO 6,7 and 8 for which gap has been identified. Also suggested to justify the mapping for each subject.
3. Asked for the CO-PO mapping sheet with justification.

**Vivekanand Education Society Institute Of Technology**  
**Department Of Information Technology**

Mr. Saisaketh Ramireddy and Ms. Darpan Lalwani, from J.P Morgan, who are the VESIT -Aumni in this committee suggested the following points:

1. There should be more lab based courses and application oriented practical wherever possible.
2. Use new technologies and IDEs in the lab sessions.
3. Resume Building should be introduced to students from second year itself.
4. Students should be given program debugging exercises.
5. In the lab, encourage the students to put the comments in the program.
6. Interactions among senior and junior students and alumni should be increased by arranging interactive sessions among them.
7. Encourage students to use GitHub platform.
8. Alumni should be involved in mentoring the LBS projects.

Ms. Ilesha and Mr., Rohan, students of IT department suggested following:

1. Students should be given program debugging exercises.
2. More coding exercises should be included in the lab

Conclusion on DAB meeting:

As suggested by DAB members, we will send the CO-PO mapping with justification to the DAB advisors to verify the identified gaps and Activities. Also it is decided to include more application oriented practical assignments using new technologies.

**PROGRAM ASSESSMENT COMMITTEE REPORT**  
**[AY 2016-17 Even]**

**Based on the results of AY 2016-17 Odd Semester**

**Suggestions by Internal Program Assessment Committee on 04/03/17**

- A) Give more design problems to the students for practicing.
- B) Conduct extra lectures for the weak students.
- C) Get the extra work done as a part of homework from students.
- D) Repeat the practical if required.
- E) Conduct the mock practical/oral before the final practical/oral examination.
- F) Check whether the candidate has understood the concept clearly.
- G) Identify the topics which are difficult to understand from the students points of view and re-explain the same.
- H) Emphasize the timely submission of assignments, tutorials, and lab-work.
- I) Increase the teacher's interaction with students.
- J) Identify the requirements of the needy students and provide them the required assistance to clear the subject.

After analyzing the results of Semester III,V and VII, the individual staff members were asked to identify the reasons for their failure as well as low score. Also they were asked to take remedial lectures for the needy students.

Looking at the results analysis, the above stated points were suggested to the staff members for the further improvements in results.

## A Report on FDP “Transition to Online Facilitation” Inching Towards Online Teaching-Learning

Due to Covid-19, there was a sudden shift to distance learning without prior preparation. In order to help teachers with using the technology effectively, the Electronics and Telecommunication department of VESIT organized a Faculty Development Program on ‘Transition to Online Facilitation’ in association with VESIT-Internal Quality Assurance Cell (IQAC) and Institution’s Innovation Council (IIC). It was a 4-week long online program conducted from 8th July 2020 to 5th August 2020. The program was open for the Faculty of Engineering (any discipline), Diploma and Master of Computer Applications (MCA), free of any registration fees. The resource person for the FDP was Dr. Jaykrishnan M. in association with the Teacher Use of Educational Technology (TUET) project of the Educational Technology program, IITB. The program aimed to cover topics including basics of using the technology, effective application of the technology to promote learning, curation of e-content and contributing back to the community. This FDP was not about knowing more about the technology tools rather it was about using the technology effectively. Amidst this daunting and unprecedented time, the program equipped teachers with tools and techniques for effective teaching and training through online lectures and hands-on practices on specially designed software with an appropriate pedagogical framework.

## About VESIT

Vivekanand Education Society's Institute of Technology (VESIT), established in 1984, is one of the most premium institutions for engineering affiliated to the University of Mumbai. VESIT has been practicing innovative teaching practices to attain its mission of being committed to excellence in technological education, research and training, use of contemporary participant-centric pedagogies and teaching methods and establishing a presence in emerging segments of technological education.

## COURSE OBJECTIVE

---

The workshop is not about knowing more on the technology tools rather it is about using the technology effectively. Amidst this daunting and unprecedented time, the programme equips the teachers with tools and techniques for effective teaching and training through online lectures and hands-on practices on specially designed software's with appropriate pedagogical framework. In doing so, the programme enables faculty members to be abreast with appropriate teaching techniques, pedagogical advancements and focused discussions on technologies that are useful for Online teaching-learning.

## Topics Covered

---

- Basics of using the technology
- How to effectively use the technology for facilitating better learning
- Curation of e-Content
- Contributing back to the community

## Technologies covered

- **ScreenCast-o-matic and Flashback Express** -screen recorder and video editor software
- **Slack** - like advanced WhatsApp
- **Jit.si** - Open Source video conferencing app
- **Word press** - popular open source content management system
- **Google Forms** - helps create surveys, graph data and analyse results and inputs

## COURSE OUTLINE

This course emphasizes the **Network model of learning** where participants will be divided into groups with a moderator. It's an activity based learning where each participant will have to work for **4-5 hrs** in a week to learn the online tool and complete activities/assignments at his/her convenient time.

## COURSE CONTENT

**WEEK1:** This week focuses on content creation such as slides / activities / videos / google classroom.

- Creating a Digital Journal of your own learning
- Creating Screen casts
- Focusing on Curation (over Creation)

**WEEK 2:** This week explores the idea of creation of Learning Dialogues as against just plain video creation and introduces participants to Slack workspace.

- Creating learning dialogues from existing videos
- Creating your own learning dialogues
- Communication using Slack

**WEEK 3:** This week focuses on community building through Slack and Jit.si. There will be dedicated activities to be done as part of a group using the learning from the previous week.

**WEEK 4:** In this week the participants will create training sessions through different types of technologies.

## STUDENT ACHIEVEMENTS

- **HIGHER STUDIES:** Students got admitted for higher studies in Indian and foreign universities which includes:

Sr. No.	Name of Student	University	Field of Specialisation
1	Priti Vithaldas Pai	University of southern california	Master's of science in Engineering Management
2	Amogh Ashok Rane	University of Michigan, Ann Arbor	Master of Science in Electrical and Computer Engineering
3	Sakshi Girish Patil	University of Maryland	Master of science in Telecommunications
4	Abhishek Haresh Pinjani	Manipal Academy	Master in Computer Science
5	Shazmeen Jafar Shaikh	University of illinois urbana champaign	Masters in Information Management
6	Chinmay Warang	New York University	Masters in Music Technology
7	Kiran Tulsulkar	NorthEastern University	Masters in Electrical And Computer Engineering
8	Harsh Suresh Janyani	NorthEastern University	Masters in Electrical And Computer Engineering
9	Apeksha Anil Yadav	North Carolina State University	Masters in Industrial Design
10	Nikkhil Negglur	University of Texas at Dallas	Master in Computer Science
11	Ojaas Hampiholi	Indiana University, Bloomington	MS in Data Science
12	Neha satish Pote	Indian Institute of Science,bangalore	Masters in management
13	Gauri bhara t Jadhav	University of Texas, Arlington	Masters in Electrical engineering
14	Sagar Sandip Karmarkar	University of Texas, Arlington	Masters in Electrical Engineering
15	Priyanka Harjani	Indian Business School , Powai	MBA
16	shweta sankpal	University of Houston Clear Lake	Mater's Management of Information Science
17	Akshay Joshi	University of California, Los Angeles	Master's in Electrical and Computer Enginee ring
18	Vaidehi Joshi	Carnegie mellon university, Pittsburgh	Masters in Electrical And Computer Engineering

### Other Achievements

Name of teacher	Description
Dr. Mrs. Shanta Sondur	Collaborated with Govt. College of Engineering, Pune (COEP) to work on the project "Ganit App" for the S.S.C. board school children of grade 1-10, under the umbrella of Virtual Laboratory Project of the Ministry of Education, Govt. of India.
Asma Parveen I. Siddavatam	As a Team Leader awarded a cash prize of Rs 100000/ in Swadeshi microprocessor challenge-2020 for being top 100 semi-finalist towards creation of start-up and project expenses. The Swadeshi Microprocessor Challenge -2020 is organized by the Ministry of Electronics and Information Technology, Govt. of India in collaboration with C-DAC, IIT Madras, MyGov and MakerVillage under #AatmaNirbharBharat Abhiyan.

### **Background**

Looking at the acute need of development of the ‘ITeS based Operation and Maintenance Monitoring System’ for the Community Toilet (CT) and Public Toilet (PT) blocks in Mumbai, working with MCGM as a Knowledge Partner and contributing to the Swachh Bharat Mission of the Government of India (GOI), the objective of the project is to bring in accountability and transparency as a component of good governance in sanitation.

### **Participating Organizations**

Star Union Dai-ichi Life Insurance: Founded in 2009, Star Union Dai-ichi Life Insurance (SUD Life) is a joint venture between two of India’s leading public sector banks, Bank of India and Union Bank of India, and Dai-ichi Life Holdings, a leading life insurance company in Japan. With a robust collective network of over 20,000 bank branches SUD Life has one of the largest life insurance distribution footprints in India. Established in 1902, Dai-ichi Life is the second largest life insurance company of Japan and is one of the top ten life insurers globally, renowned for sound product knowledge, superior asset management skills,

and strong operational capabilities to manage life insurance businesses. The promoters of SUD Life have a long-term commitment towards their customers and stakeholder. These strengths and values have been inherited by SUD Life, as they make their way to becoming the next rising star in the Indian life insurance business, promising exceptional value to all. The Foundation shall in pursuance of its Corporate Social Responsibility and objectives intend to provide financial assistance for the Project for initial two years.

Municipal Corporation of Greater Mumbai (MCGM): Formerly and commonly known as the Bombay Municipal Corporation (BMC) is the governing civic body of Mumbai, the capital city of Maharashtra. It is India's richest municipal corporation. It was established under the Bombay Municipal Corporation Act 1888. MCGM is responsible for the civic infrastructure and administration of the city and some suburbs. In our project, MCGM will play a major role in guiding and assisting us in collecting the data from the stakeholders and also in popularizing and creating awareness of the Mobile App/Website.

### **Outreach**

The project targets to reach @ 5 Lakhs people through the 67 CBO formed CTs and 47 PTs in M-East wards. Training will be provided in a phased manner to all the members of the CBOs, NGOs, MCGM authorities and users. The application and its various components will be accessible to all the stakeholders 24x7.

### **Socio-economic benefits**

Improving sanitation has direct linkages to several socio-economic aspects. Due to lack of cleanliness and hygienic conditions, there is a loss of Rs. 6500 every year to each Indian. According to observers, the biggest limitation to promote tourism is cleanliness because foreign tourists are particular about hygiene and cleanliness of the city. Project **स्वेच्छा** aims to provide better sanitation by developing a good system for Operations and Maintenance of CTs and PTs. This will positively affect the health of its users and cleanliness in the city. These factors would indirectly boost Tourism and Indian Economy.

## ● e-Disha

“e-Disha “, a two week technical event was organized by the Department of Information Technology, VESIT in association with VESIT-IQAC and IIC from 15<sup>th</sup> July 2020 to 30<sup>th</sup> July 2020. Our technical event e-Disha started on 15<sup>th</sup> July. e-Disha consisted of various activities. The event started with a series of webinars which were open for all branches of VESIT.

The first webinar was on ‘Placement / Job search’ by our alumni Ms. Nidhi Shah who is currently working as a software developer at Amazon web services. This webinar focused on Tips and Tricks to crack the job search.

On 16th July we had a webinar on “Competitive Programming. How to Handle” by Mr. Shaurya Gupta who is currently working at Juspay.

This webinar guided the audience on What is competitive coding, how to prepare for it, learning resources, practice resources, when to start giving the contests, what are the different prestigious coding competitions etc.

On 17th July we had a third webinar on “Building Scalable Cloud Services Using Docker” by our alumni Sangeetha Krishnan who is currently working as a computer scientist at Adobe. In this webinar she demonstrated how to make and deploy the applications using docker.

On 20th July, we had a fourth webinar on ‘Human Centered Design Research for Technology in Health’ by our alumni Ms. Arpita Bhattacharya who is currently a PhD student at University of Washington. This webinar focused on using HCD methods for designing for remote care to support teenagers with stress and depression management.

On 21st July we had a fifth webinar on ‘Recommendation Systems using AI’ by Vishal Israni, a S/W Engineer at J.P. Morgan Chase and Co. This webinar explained the working of recommendation systems and how industry giants like YouTube, Netflix provides the users with the personal catalogue of content which makes them more remitting for us.

On 22nd July we had 6th and the last webinar on ‘Professional Career Opportunities After BE’ by Mr. Manish Jha, Director of SQUAD Infotech Private LTD. This webinar was about what are the different opportunities after graduation. This webinar provided a breakthrough to the students to pursue their dreams.

The webinars were well appreciated by the viewer from students and faculty of the IT department as well as from other departments of VESIT.

the Webinar series was followed by Quizzes. Two quizzes were conducted for the students of the dept of Information Technology. First quiz on Python was conducted on 23<sup>rd</sup> July and the second quiz on C was conducted on 24<sup>th</sup> July. We had a large no. of student participation in both the quizzes.

On 27<sup>th</sup> July, a technical Paper Writing competition was scheduled. However due to the request from final year students who are currently busy with their placements, this event was scheduled on 17<sup>th</sup> August. The deadline for the paper submission has been extended to 8<sup>th</sup> August 2020.

We had scheduled the activity “Presentation mastery” On 28<sup>th</sup>. But due to some unavoidable circumstances, we clubbed this event with “e-Exhibition” activity scheduled on 30<sup>th</sup> July. The selected videos of this event were exhibited to all the students and faculties.

The second last activity on Android application development was scheduled on 29<sup>th</sup> July. The judges presented their views and remarks on the projects to the participants through the google meet. On 30<sup>th</sup> July e-Disha technical event ended with the “Project e-Exhibition” and “Presentation Mastery” activities and the valedictory speech.

## ● V-Reach

Vivekanand Education Society's Institute of Technology (VESIT) was established in 1984, with the aim of providing professional education in the field of Engineering. Since then, our alumni base has grown and reached every part of the world. We congratulate each of them for their success. Alumni are vital to the institute’s strength, and we acknowledge their role as stakeholders in leveraging the VESIT brand. To bolster this relationship, VESIT-Internal Quality Assurance Cell (IQAC) in association with Institution’s Innovation Council (IIC) brings, “V-REACH”, VESIT-Alumni engagement initiative, which aims at reaching out to alumni and enables sharing of their vast National and International knowledge and experience with students for widening their horizon. It also allows alumni to play an active role as a stakeholder and contribute actively in building VESIT legacy.

### V-REACH Objectives

To provide a forum for a series of webinars covering various domains of learning and support outcome-based education. To enable knowledge and expertise sharing of alumni for professional development of students. To actively engage the stakeholders to expand VESIT’s outreach. To foster our relationship with our alumni effectively and employ their flair, ardour, knack and contributions to constructive ends for VESIT and its students.

Especially during these unprecedented times of COVID-19 pandemic and looking at the lockdown situation, V-REACH has tried to unlock the Teaching Learning in an innovative way, through its inception series of 21 webinars commencing from 22 June to 12 July 2020, which will be streamed on VESIT-YouTube channel.

## Event Report

A 15-20 daylong event was conducted virtually in the month of July. The event took place on the YouTube platform. Alumnus of the college came and attended the lecture where they gave lectures on various topics as mentioned below. All the lectures were conducted for the IT department.

• **FDP on “Research Directions in Security and Computational Intelligence”**

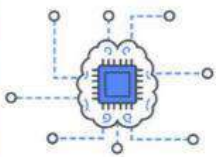

Department of Computer Engineering, Information Technology and Masters of Computer Applications in association with CSI-VESIT, VESIT-Internal Quality Assurance Cell (IQAC) and VESIT-Institution’s Innovation Council

(IIC) conducted a National level six-day online Faculty Development Program on Research Directions in Security and Computational Intelligence. This program was organized with the aim of guiding its faculty towards different avenues of research in Security, Blockchain, AI, Neural network, Fuzzy logic, methodologies of teaching learning process and its online tools. Scientific and professional research has revolutionized over the years in the field of Information Technology, Computer Engineering and Computer Applications. Conduction of research in multiple fields of computational intelligence presents a variety of ideas and products benefitting a majority of experts, entrepreneurs and even government organisations. This facilitates coordination between technology users and developers; researchers and manufacturers in a major way.

Day 5 -Mr. Mahesh Pavaskar begins his session on 'Cybersecurity'.

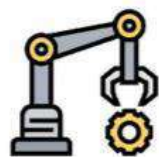

**BRANCHES OF ARTIFICIAL INTELLIGENCE**

Machine Learning

Neural Networks

Robotics

Day 5 -Dr. Sharvari Tamhane explaining Different branches of AI during her session on 'Fuzzy Logic'.

- **Green IoT Phase II**

The second phase of the AICTE sponsored online training program on Green Internet of Things was organized by Department of Electronics and Telecommunication Engineering, in collaboration with departments of Computer Engineering, Information Technology, and

Master Of Computer Applications, in association with IQAC and IIC, Vivekanand Education Society's Institute of Technology for enhancing skills of faculties and scholars of engineering colleges in the domain of IoT and its initiatives towards green technology. The buzzwords Internet of Things (IoT) is a system of interconnected devices or sensors over the internet that is growing exponentially due to demand for smart consumer appliances, wearable devices, smart home, industrial devices, cloud services and many. This opened up new challenges and research majorly in managing the energy resources for IoT, and energy efficiency by various means. 'Green IoT' is the initiative and concept motivated by achieving a low power consumption IoT. Green IoT is possible by using Ultra low power consumption hardware, Software algorithms and protocols to minimize power consumption, Using unconventional energy resources, Smart grids, Designing IoT itself for minimizing power consumption and many. The STTP provided various concepts, theory, and practical demonstrations on IoT, and Green initiatives to IoT. The eminent speakers and practitioners from academia and industries conducted the sessions and demonstrations to motivate the participants to undertake interesting and innovative ideas. The program helped to explore research avenues in the domain of IoT and Green IoT through the effective discussion during the training. Short Term Training Program on 'Green Internet of Things'

## ● Coursera

Coursera.org offers massive open online courses (MOOC), specializations, degrees, professional and master track courses. In its Coronavirus Response Initiative program Coursera offered a lot of free courses to students and faculty members from all the interested Universities and other academic Institutes.

VESIT enrolled for the program looking at the benefits which the students may avail from this program. VESIT Renaissance Cell was given the responsibility of coordinating for the same.

A set of Coursera courses were identified by all the departments as a recommendation for the students. Students were supposed to utilize the lockdown period to finish with a minimum of three courses from the recommendation list. Once finished with these three courses, students had the freedom to join any other course of their choice.

The opportunity was well received by the Students and Faculty members, as indicated by following numbers (as on 9th February, 2020)

## The Swadeshi Microprocessor Challenge -2020

The Swadeshi Microprocessor Challenge -2020 is organized by the Ministry of Electronics and Information Technology, Govt. of India in collaboration with C-DAC, IIT Madras, MyGov and MakerVillage under #AatmaNirbharBharat Abhiyan. To provide further impetus to the strong ecosystem of start-ups, innovators and researchers in the country, MeitY announced that Swadeshi Microprocessor Challenge will be made available by IIT Madras (शक्ति processors) and C-DAC (वेगा processors), and it will be powered by FPGA Boards of XILINX which is supported by CoreEL Technologies. This, in turn, will promote a culture of innovation and entrepreneurship, by taking up complex designs in the country and innovate frugal solutions around home-grown processor ecosystems that will cater to both, global and domestic requirements. The incubation to support the winning teams will be provided by an Incubator located at their geographical proximity, coordinated by Maker Village. This is a major step towards achieving self-reliance in the hardware domain.

Out of 6000 teams in Swadeshi microprocessor challenge-2020, three teams from VESIT were selected in top 100 who made it to the Semi-finals. Mrs. Asma Parveen was one of the semi-finalists. Each Semi-finalist will get a funding of Rupees 100000/- (one lakh) towards creation of start-up and project expenses.

## **STTP on Blockchain and Its Applications**

The Phase 1 of AICTE Sponsored Online Short Term Training Program (STTP) Series on 'Blockchain and Its Applications' was organised from 29th March to 3rd April 2021. The Online STTP was organised by the Department of Information Technology in Association with Department of Computer Engineering and Department of Master of Computer Applications under the guidance of VESIT IQAC and VESIT IIC. The course was designed to acquaint academicians with the Blockchain with its recent trends, likelihood of the technology to be used for societal benefits, how Blockchain could be used to solve real life problems and to enable the Faculty to add another dimension to their teaching and make them Industry ready.

The faculty from various colleges from Maharashtra, other states and in house participated in the training program. Dr. Sanjeet Kumar Nayak, Assistant Professor from IIIT, Kanchipuram, Dr. Shashidhar R, Assistant Professor from Bennett University, Uttar Pradesh and Ms. Sumithra V, Technical Lead, Honeywell, Bangalore were the speakers for the training program. The sessions were very engaging and was very well received by the participants.

## **Virtual laboratory Project**

Dr. Shanta Sondur, Mrs. Charusheela Nehete are working on the Virtual Math-Lab App under the "Virtual laboratory" project of the Ministry of Education, Govt. of India, in collaboration with COEP with Shubhra Jena, Aaryan Raina, Hemkesh Raina, Harmeet Kathoda, Rohan Pol, Mohit Kale of final year Information Technology students.

### **● Scholarship**

- Gaurav Mandal of SE INFT/D10A, Department of Information Technology, was awarded Rs.25000 on 31st March,2021 by Alumni Association scholarship. Co-ordinators of the event were Dr. Gresha Bhatia and Dr. Manoj Sabnis. The scholarship was awarded to help the current VESIT students during the COVID 19 situation through financial support and providing resources for their utilization.
- 6 students of the department were selected for Smt. Suman Ramesh Tulsiani Trust Scholarship. The criteria for Smt. Suman Ramesh Tulsiani Trust scholarship are that the student should have a score of at least 7.00 grade and family Income of less than three Lakh per Annum.
- Prajakta Dilip Gole of B.E. INFT/D20 was selected for Vivekanand Jyoti Scholarship and was awarded Rs.25000/- as. The criteria are, grade point of at least 7.00 and family income of less than one lakh per annum.
- Gupta Neel Santosh of S.E. / INFT/D10A, Gaurav Mandal of S.E. INFT/D10A, Surendra Vijay Totre of S.E. INFT/D10B, Chinmay G Thakur of S.E./INFT/ D10B and Shaikh Mohammed Aftab Sagir of T.E./INFT/D15 were awarded Rs.15000/- each as Student Aid scholarship. The criteria are that the student should have a score of at least 7.00 grade and family income of less than one lakh per annum.

## ● Workshops/ Seminars

### ● Workshops Attended

- Mahesh Keswani of fourth year has participated in an online workshop on Microsoft AI Classroom Series organised by Microsoft and NASSCOM.
- Himashu Pingulkar of fourth year has successfully attended workshop webinar discussion on Containers and Dockers in Cloud organized by VESIT-IQAC in association with VESIT-IIC held on 7th July 2020
- Himashu Pingulkar of fourth year has successfully participated in session on A roadmap to BE final project from introduction to Conclusion organized by DBIT held on 1st July 2020
- Navin Rohra, Anmol Rohra, Aaryan Raina and Vinay Ludhrani of third year attended the Online workshop on Spotify using Python organized by ISTE-VESIT conducted on 3rd and 4th of October 2020.
- Rohit Kundnani and Jayesh Kriplani of Third year have attended the Online workshop on Node Js organised by IEEE-VESIT
- Aniket Gupta of Third year has attended a one-day workshop on Getting started with AI organized by CodeCell VESIT.
- Namrata Kataria of Second Year Division A, attended the Node JS Workshop conducted by IEEE-VESIT and the JAVA Appify workshop conducted by CSI-VESIT.
- Namrata Kataria, Sakshi Lalwani, Swarali Patil, Nidhi Thakkar, Sakshi Kharche, Jisha Philip and Mugdha Sholapure attended the Spotify using Python workshop organised by ISTE-VESIT.
- Aditya Dubey of Second Year Division A attended the workshop on basics of Python and R Languages organised by Nuclei Tech. on 20th October 2020.

- Swarali Patil of Second year division B attended a workshop on Easiest way to earn pocket money and gain experience on 5th December 2020.
- Nidhi Thakkar of Second year Division A attended a workshop on data analytics using python organised by IIC-VESIT in association with Codecell-VESIT.
- Isha Gawde attended a 4-week Training workshop of Excel Automation organised by Internship studio from 3rd August 2020.
- Suraj Moolya,Pranjal Naik,Mangesh Sokalwar,Aarushi Sharma,Shasmita Raveendran and Nupur Jeswani of second year B division attended the online workshop on Web Automation conducted by ISA-VESIT on 17th and 18th October 2020.
- Yash Kumthekar,Raghuttam Parvatikar,Sristi Sharma and Hanish Valecha of second year B division attended the online workshop on Spotify Using Python organized by ISTE-VESIT conducted on 3rd and 4th October 2020.
- Raghuttam Parvatikar of second year B division attended the online workshop on PCB Designing with EAGLE conducted by ISA-VESIT on 27th September 2020.
- Aarushi Sharma and Nupur Jeswani of second year B division attended the online workshop on Node.js conducted by IEEE-VESIT on 22nd November 2020.
- Arushi Sharma of Second year B division attended an online workshop on Introduction to DevOps and Jenkins organized by Tinkers Codecell on 10th October 2020.
- Nidhi Jain,Nupur Jeswani and Aarushi Sharma of Second year B division attended the JAVA Appify online workshop conducted by CSI-VESIT on 4th and 5th December 2020.

### Conclusion based on Result Analysis:

Sem III, V and VII results were analysed and found to be excellent. Almost more than 90% of the students scored more than 70-80% marks in each of the subjects. Due to COVID-19 pandemic, all exams (ESE, IA1, IA2, Practical and Oral exams) were conducted online successfully as per the University guidelines.

## **Department Advisory Board Meeting Report**

**(AY 2020-21 Even Sem)**

An online DAB Committee meeting was conducted on 08<sup>th</sup> May from 4:00 pm to 5:45 pm. The following members were present for the meeting.

1. Dr. Prasad Ramanathan (Capgemini, Mumbai)
2. Mr. Haresh Hiranandani (Accenture, Mumbai)
3. Mrs. Sonali Gokhlani (Parent)
4. Mr. D.P Jena (Parent)
5. Mr. Nikunj Gala (Alumni)
6. Ms. Neha Sumaney (Alumni)
7. Ms. Harshita Singh (Student-BE)
8. Mr. Aakash Mourya (Student-TE)
9. Dr. (Mrs.) M.Vijayalakshmi (Vice-Principal, VESIT)
10. Dr. (Mrs.) Shalu Chopra (H.O.D, IT Dept., VESIT)
11. Dr. (Mrs.) Shanta Sondur (Professor, IT Dept., VESIT)
12. Mr. Manoj Sabnis (Associate Professor, IT Dept. VESIT)
13. Mrs. Smita Jangale (Dy. HOD, IT Dept. VESIT)
14. Mrs. Asma Parveen (Assistant Professor, IT Dept. VESIT)
15. Mrs. Charusheela Nehete (Assistant Professor, IT Dept. VESIT)

### **Agenda of the DAB meeting:**

1. To provide suggestions for the overall improvement (Result and Placement) of the students.
2. To discuss the methodologies adopted for online teaching and online examinations during pandemic.

The meeting started with the discussion on the various technical activities conducted during lockdown period followed by the discussion on tools used for online teaching and online examinations, Result analysis for the previous academic year and current placement status.

The following were the suggestions given by advisors in this committee.

Dr. (Mr.) Prasad Ramanathan from Capgemini, Mumbai, who is the senior advisor for this committee and Mr. Haresh Hiranandani from Accenture, Mumbai, who is parent of one of our alumni and also one of the advisors in the DAB Committee suggested following:

1. The internal marks are now the only way of differentiating between the better students and the not-so-good students -- so make sure that the internal assessments are now completely different from the way it was done until last year.
2. In a virtual environment, you are now required to compete with the best of on-line resources such as from Edureka, Udacity, NPTEL, etc. Competition is no longer restricted to being better than Thadomal Shahani or SPIT college. Need to figure out how to stay ahead of competition now.
3. Keep each of the online sessions to a max one hour.
4. Adequate team assignments to reconfirm the understandings and one of the team lead presents the gist
5. More interactive sessions with Q&A to increase participation should be conducted.
6. Encourage physical fitment and joint fun events to build bonding and create the feeling that 'we are together'

Mr. Nikunj Gala and Ms. Neha Sumaney, who are the VESIT -Alumni in this committee suggested the following points:

1. Use some sort of coding platforms (like leetcode) for internal assessments and assignments. This will help students learn new things in a practical way and polish their thought process towards problem solving.

Ms. Harshita and Mr. Aakash, students of IT department suggested following:

1. Increase and promote practicality of things like problem solving, using newer technologies.
2. Demonstration of practical is expected by students.
3. There should be some kind of workshop/ initiative from the department to acclimatize us to actual modern technology
4. Rather have a few good programming assignments on hacker rank and other platforms rather than numerous copy paste assignments.

Mrs. Sonali Gokhlani, the parent of one of the BE students, insisted that there should be a demo lecture for practicals.

Mr. D.P. Jena, Father of one of the TE students appreciated the efforts every faculty has been taking throughout the semesters in such a pandemic situation.

Conclusion:

It is decided to incorporate good programming team assignments on hacker rank and other platforms rather than copy paste assignments. Students will be asked to present the solution to the given problem statement to the concerned subject teacher for each practical assignment.

Also, it is decided to arrange more and more workshops for the students which will make students aware of modern technologies.

## Research Directions in Security and Computational Intelligence

## ABOUT VESIT

Vivekanand Education Society's Institute of Technology (VESIT) established in 1984, is one of the premier engineering colleges affiliated to University of Mumbai. VESIT offers UG programs in engineering for Electronics, Electronics & Telecommunication, Information Technology, Computer and Instrumentation and PG programs in Instrumentation and Control, Information Technology and Electronics & Telecommunication streams and Master of Computer Application. VESIT is a recognised Ph.D. Center for Engineering and Technology of University of Mumbai, and also a Lifelong Learning Center.

VESIT is **Ranked 1** in the State of Maharashtra by EducationWorld: India Private Engineering Institutes Rankings 2019-20 Survey.

**One of India's 10 Best Institutes for Higher Education 2019**, listed by the EXCELLIGENT.

One of "The **10 Best Private Institutes in India, 2018**" by the Knowledge Review Magazine team, published in India Edition Nov'18.

## ABOUT CSI - VESIT

CSI-VESIT is the Student chapter of the Computer Society of India. Since its inception, the committee has been instrumental in promoting and fostering an environment of learning and growth among peers. It has always worked assiduously to achieve this goal. The CSI-VESIT council, an amalgamation of various talented and dedicated people, leave no stone unturned in creating and hosting events for students year after year. These events are not only enthralling but also prove to be beneficial for them. These events include a plethora of technical quizzes, educational workshops, informative lectures, the list is just unending. Each of these focuses mainly on refining and polishing logical thinking skills as well as teamwork, confidence among others. This ensures the complete and holistic development of all its members.

## ABOUT FDP

Scientific and professional research has revolutionized over the years in the field of Information Technology, Computer Engineering and Computer Applications. Conduction of research in multiple fields of computational intelligence presents a variety of ideas and products benefiting a majority of experts, entrepreneurs and even government organisations. This facilitates coordination between technology users and developers; researchers and manufacturers in a major way.

## Course Objectives

1. The objective of the STTP is to introduce fundamentals of data mining, machine learning and deep learning with real-time applications.
2. This STTP will be a very useful platform for faculty, researchers and students to update their knowledge
3. This STTP also focuses on exploring various research opportunities and challenges in the field of machine learning, deep learning, computer vision and its applications.

## Course Outline

The training programme comprises of lectures and hands-on training on Machine Learning and Deep Learning techniques for the analysis, design and development of methods for the classification of patterns, objects, signals and processes.

## Course Content

### Lecture and lab sessions on

- 1. Getting Started with Machine Learning**
  - Applications of Machine Learning
  - Opportunities & challenges in Machine Learning
- 2. About the dataset Processing**
  - Importing the Libraries and Dataset
  - Missing Data, Categorical Data
- 3. Regression Techniques for Information Retrieval**
  - Linear and Polynomial Regression
  - Support Vector Regression (SVR)
  - Decision Tree Regression
- 4. Classification Techniques**
  - Logistic Regression
  - K-Nearest Neighbors (K-NN)
  - Support Vector Machine (SVM)
  - Image Classification
- 5. Artificial Neural Networks & Deep Learning**
  - Foundations of Neural Networks
  - The Activation Function
  - Gradient Descent, Stochastic Gradient Descent, Backpropagation
  - Introduction to deep learning
  - Deep neural networks
  - Introduction to Tensor flow
  - Convolutional neural networks
- 6. Natural Language Processing**
  - Libraries used for NLP
  - Research Trends in NLP
  - Application of NLP for real world applications.

The first online Faculty Development Program (FDP) was organized and conducted by Electronics Engineering Department in association with VESIT-IIC from 25th May to 30th May 2020. This consisted of 6 online sessions under the theme “Opportunities and Challenges in Electronics and Allied Industries in India post-COVID 19”. Each session was hosted by faculty from the Electronics Department and featured an expert from the related industry who presented the various opportunities and challenges each industry would face post COVID 19, (in their field of specialization which was relevant to the theme.)

The FDP had about 1723 registrations from all around India, and all the registered attendees were added to a Telegram group to ensure maximum communication and transparency. The sessions were streamed live from the VESIT ETRX YouTube channel at 10:30 AM each day for on six days and were available to watch for a period of 24 hours each with the permission of the speakers. The audience were free to ask their questions and doubts to the speakers related to their topic, as well as to offer their suggestions and reviews. Registered viewers were also encouraged to fill feedback forms after every seminar. Listed below are the names of the speakers and their specialized topics which they presented on:

The Sessions were conducted in the same sequence as given below:

- 1) Mr. Subhash Rao Mallya: Opportunities and Threats for Engineers in the post-COVID World”
- 2) Dr. Swapnil Kale: Current trends in IT Industry & Trends in Telecom / Electronics Industry
- 3) Mr. C. V. Prasad Rao: Performance of Power Sector post-COVID 19
- 4) Mr. Vedant Rathi: Future of Electronics Engineering in Solar & E-Mobility Sector
- 5) Mr. Anurag Chugh: Challenges for Scaling up Fixed Wireless in Unlicensed Spectrum
- 6) Mr. Raj Bhat: Emerging Business Models in the post-COVID 19 world

Our Principal, Dr. (Mrs.) J. M. Nair gave the inaugural address along with the Head of the Department, Mrs. Kavita Tewari on the day 1.

Our Vice Principal, Dr. (Mrs.)M. Vijayalakshmi addressed the audience on the last day and thanked the speakers for giving us their time and effort and giving the FDP unmatched value for each and every attendee. The deputy Head of the Department Mrs. Naveeta Kant proposed the vote of thanks.

The Convener of the Online FDP Dr. (Mrs.). T. Rajani Mangala also addressed the audience on the first and the last day.

The overall feedback received for the seminar was very positive, from the attendees as well as other VESIT faculty as well. The FDP Team extends its warm regards and conveys heartfelt thanks to everyone involved in organizing it, as well as the speakers for their co-operation, enthusiasm, and the viewers who gave their full support to the efforts put forth by the team.

## TEDxVESIT

In the spirit of ideas worth spreading, TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. At a TEDx event, TEDTalks video and live speakers combine to spark deep discussion and connection in a small group. These local, self-organized events are branded TEDx, where x = independently organized TED event. The TED Conference provides general guidance for the TEDx program, but individual TEDx events are self-organized (subject to certain rules and regulations).

Subject: Program Extended: More Time to Enroll Your Students in Free Learning

To: &lt;m.vijayalakshmi@ves.ac.in&gt;

Hi Vijayalakshmi,

Thank you for using Coursera for Campus to help transition your learning program online during this unprecedented time. In light of the continued impact of COVID-19 on universities globally, we are extending the enrollment period to **September 30, 2020**. This provides an additional 2 months for your students to join the Coursera program and continue to enroll in over 3,800 courses and 400 specializations at no cost. It also brings the enrollment date in line with the overall program end date of September 30, 2020.

Here are some more resources to help you expand the reach and impact of this program:

- **Inviting Learners:** Using the Coursera platform, you can send [invitations](#) to a list of email addresses or you can use our [domain include list](#) feature that allows students with a matching email domain to register via a URL.
- **Reminding Learners:** You can send customized emails to your learners to help them enroll, complete and make progress in courses anytime using our [Messaging Tool](#).
- **On-demand Webinars:** For an overview of how to set up and build your program, watch our on-demand [Getting Started](#) and [Building a Successful Program](#) webinars. If you'd like to join live, you can also sign up [here](#) for our next Building a Successful Program webinar on July 21.

As new updates around COVID-19 continue to emerge, we understand that many universities are still working through their plans for the upcoming academic year. We hope this extension helps you continue to provide access to high quality learning for your students during this time.

Thank you,

The Coursera for Campus Team

**WHEREAS VESIT-IT** is an Educational institution and has undertaken a project of Municipal Corporation of Greater Mumbai for the Development of IT enabled solution for operation, maintenance & monitoring of community toilet & public toilet in M-East ward of the City of Mumbai in consultation with CT/PT operators and MCGM ("Swechchha Project").

**AND WHEREAS** the Swechchha Project has been awarded to VESIT-IT vide a duly notarised MOU signed on 2<sup>nd</sup> November 2020 & 25<sup>th</sup> September 2020 between Municipal corporation of greater Mumbai and Vivekanand Education Society's Institute of Technology ("VESIT-IT-MCGM MOU"), which is attached as **Annexure 1** of this MoU.

**AND WHEREAS** Based on representations made by VESIT-IT, the SUD Life intends to provide financial assistance for Swechchha Project as per the project plan submitted by VESIT-IT which is attached as **Annexure 2** on the agreed terms and conditions mentioned in this MOU and this financial support shall be under CSR initiative of the SUD Life.

**NOW THIS MOU WITNESSETH AND IT IS HEREBY AGREED BY & BETWEEN THE PARTIES HERETO AS FOLLOWS:**

**1. Sponsorship**

SUD Life shall in pursuance of its Corporate Social Responsibility and objectives initially intend to provide financial assistance for the Swechchha Project at M-east Ward of Municipal Corporation of Greater Mumbai which shall be completed in next two (2) years i.e. January 2021 to December 2022 as mentioned in the Table in **Annexure 2** and the scope as more specifically mentioned in the **VESIT-IT-MCGM MOU**. The completion period of the Swechchha Project for M-east Ward of Municipal Corporation of Greater Mumbai may be extended for a maximum period of 6 months (except in case of delay arising due to happening of any Force Majeure Event). Any further extension shall be agreed in writing by both the parties. For the next phase of the Swechchha Project to cover Mumbai Jurisdiction or pan India, the parties will separately agree on terms and conditions including total project cost. Any changes in the requirement resulting in financial implications shall be pre-approved in writing by SUD Life. SUD Life may at its sole discretion also choose to discontinue disbursement of further financial support, in case of unauthorised deviation from approved plan. SUD Life shall be required only to provide financial support subject to terms and conditions of this MOU and shall not have any liability of whatsoever nature for any deficiency or delay in the Swechchha Project caused by VESIT-IT or any 3<sup>rd</sup> party.

**2. Utilisation of Funds**

VESIT-IT agrees to utilise the funds of Financial Support only for the Swechchha Project for the activities as specifically mentioned in **Annexure 2** of this MOU and shall not utilise it for any other activity. VESIT-IT shall utilise the fund within a period of two (2) years. VESIT-IT may take an additional period of six (6) months for utilising the funds for the Swechchha Project, subject to prior intimation to SUD Life. VESIT-IT agrees that it shall not transfer any part of the Financial Support and/or any assets created/purchased from the funds of Financial Support, to any other person, without the prior written consent of SUD Life.

**3. Representation and Warranties of VESIT-IT**

VESIT-IT covenants to SUD Life that:

- (i) It has full power, capacity and authority to sign, execute, deliver and comply with the terms and conditions laid down herein and shall take all necessary action (corporate, statutory or otherwise) to execute and authorize the execution, delivery and performance of this MOU.
- (ii) It has all the prior permission or registration approvals under applicable laws in relation to receiving contribution from the SUD Life.
- (iii) It has approval and permission from MCGM & other necessary authorities to consider and

display the name & logo of SUD Life as Financial Partner for the Project at all places including the applications and other promotional material.

- (iv) The use of Financial Assistance provided by the SUD Life shall be utilised only for the Sponsorship Activity as mentioned in **Annexure 2** of this MOU.
- (v) Any deviation from the approved plan shall be agreed in writing by SUD Life
- (vi) It shall comply with and agree to comply with all applicable laws, regulatory requirements whilst undertaking the said plan to execution and SUD Life is not responsible for any statutory compliance and its role is purely restricted to financial assistance.
- (vii) It shall maintain confidentiality of the terms of this MOU.
- (viii) It is not stopped by any law or any other agreement with any party to execute this MOU with SUD Life.
- (ix) it has obtained permission and consent from MCGM for entering into this MOU and agreeing for its obligation to perform.
- (x) Represented that during the term of this MOU or for such extended period as mentioned in this MOU shall not enter into a similar MOU with any other party inducting them as a partner in the Swechchha Project.
- (xi) nothing in this MOU shall create or be deemed to create any relationship of partnership or control over the management of VESIT-IT.

#### 4. VESIT-IT Obligation

- a. It is hereby clarified that the role of SUD Life will be limited only in providing Financial Support in accordance with the terms and conditions of this MOU. The Parties hereby agree that VESIT-IT shall be responsible for the actual implementation of the Swechchha Project. It shall be the obligation of the VESIT-IT to utilize the funds of Financial Support received from SUD Life for the implementation of said Swechchha Project only.
- b. VESIT-IT shall liaison with the Municipal Corporation of Greater Mumbai & other entities as required for the implementation of the Swechchha Project including arranging for requisite place/ infrastructure as may be required for the implementation of the Swechchha Project.
- c. It is agreed between the Parties that VESIT-IT shall submit the reports to SUD Life on a monthly basis or such periodical intervals or as and when required by SUD Life. The format of the Swechchha Project report/ Funds Utilisation report shall be mutually agreed between the parties.
- d. VESIT-IT hereby undertake, to fully demonstrate by way of invoices, receipts or any other documents, to SUD Life of expenses already incurred/committed by it.
- e. Without prejudice to its rights under this MOU, the Parties agree that SUD Life shall be entitled to seek any clarifications whatsoever from VESIT-IT with respect to utilization of the Funds for the Swechchha Project. Any such clarification sought by SUD Life shall be answered by VESIT-IT within such time as informed by SUD Life.
- f. VESIT-IT shall designate a competent person to coordinate with SUD Life and shall provide the contact details of such designated person.
- g. VESIT-IT agrees to allow SUD Life's employees or authorised representatives to visit the place where Swechchha Project work is being carried out or implemented and meet people who are involved in the Swechchha Project on prior written intimation.
- h. VESIT-IT shall ensure obtaining all permissions/approvals as are required for the implementation of this Swechchha Project and shall share such approvals with SUD Life as and when demanded for.
- i. VESIT-IT undertakes to be responsible for any issue / dispute in respect of any matter whatsoever with regard to the Swechchha Project.
- j. VESIT-IT shall periodically submit a request letter for release of Financial Support as per the progress of the Swechchha Project along with relevant supporting documents.

#### 5. Covenant of VESIT-IT

VESIT-IT has represented to SUD Life that the Swechchha Project being subject of this MOU is an initial Project for a period of two (2) years for M-east Ward of Municipal Corporation of Greater Mumbai. Based on the successful execution of this Swechchha Project, other Projects would be awarded to VESIT-IT in the

said Municipal Corporation for other wards; and/or other districts within the state of Maharashtra; and/or other states in India.

VESIT-IT hereby Covenants with SUD Life that:

- a. SUD Life shall be sole & exclusive financial partner for this Swechchha Project
- b. Notwithstanding anything contained in this MOU; VESIT-IT shall ensure to recognize SUD Life by displaying the name and logo (as shared by SUD Life) as its exclusive financial partner for the Swechchha Project in all the online and offline promotion including but not limited to print media, broadcasting, mass media platforms, etc., during the period as under:
  - If MCGM does not award VESIT-IT for future maintenance of the Swechchha project, name and logo of SUD Life shall be used for the terms of this MOU and wherever, the name and logo of VESIT-IT shall be used by MCGM as a developer, the name and logo of SUD Life shall be used as development financed by SUD Life
  - If MCGM awards VESIT-IT for maintenance of the Swechchha project and SUD Life does not finance the maintenance of the project, name and logo of SUD Life shall be used for 5 years from the date of signing of MOU as development financed by SUD Life
  - If MCGM awards VESIT-IT for maintenance of the Swechchha project and SUD Life also agrees to finance the maintenance of the project, the name and logo of SUD Life shall be used as per fresh agreement with VESIT-IT.
- c. In case, other similar Projects are awarded to VESIT-IT, for other Wards or locations for the whole of Maharashtra or PAN India, then SUD Life shall be given first right of refusal. Only, if SUD Life refuses to grant its acceptance to finance such other Projects, then only VESIT-IT may approach others for inducting them as a partner.

Dear Madam,

I am happy to inform you that under the "Virtual Laboratory" project of Ministry of Education, Govt. of India, we are developing an online system for the analysis and tracking of student's performance while performing the laboratory experiments online. This is a unique exercise which will benefit students and faculty members who will be using this facility. Under this facility the requirement gathering, question bank creation, database design, tracking mechanism, and new form of assessment will be carried out.

Looking at the expertise of few Professors from your Institute in this area, and the profile of the faculty colleagues in Information Technology department, I request you to join my project team to take up this noble initiative. I am sure with inclusion of your team we will achieve the goal set in new education policy.

Please let me know your views on this and indicate us the modalities and names of the faculty from your Institute who are willing to participate in this project honorary.

Thanking you, with regards.

5. The parties to this Collaboration, unless expressly stated in any subsequent written agreement, shall have no obligation to compensate the other in any manner. Each party shall bear their respective expenses incurred under this Collaboration.
6. Neither party shall:
  - a) Infringe the intellectual property belonging to the other party
  - b) Use any trade name, trade mark, symbol or designation belonging to the other without prior written approval of the other party
  - c) Be or represent itself as a representative of the other
  - d) Create any liability for the other

The parties shall keep the other indemnified against the breach of this clause.

7. Confidential Information shall mean all proprietary information or data furnished by either Party and/or its affiliates before or after the Effective Date hereof, whether written or oral which includes but is not limited to Parties' trade secrets, processes, devices, designs, concepts, improvements, know-how, algorithms, models, inventions (whether or not patentable or copyrighted), developments, decision technology, specifications, techniques, sketches, works of authorship, applications processes, strategies, designs, photographs, profile of its subsidiaries, branches or details of shareholding, financials, projections, track record, profile of product, any data or information regarding either Parties employees, prospective employees, business objective / criteria, employee lists, employee profiles, employee information, and other documentation relating to past, present or future business activities and services, which is disclosed by the Party within thirty (30) days of the disclosure and which was designated as 'Confidential' or with a similar legend at the time of disclosure.

Both Parties agree and confirm that it shall not use, share, and reveal any Confidential Information provided by either Parties for any purpose other than for rendering Services under this MoU and provide it only on a need to know basis to its Personnel (including subcontractors wherever applicable) for provision of Services under this MoU with prior written permission from the other Party. The Parties will ensure that all Personnel assigned to provide the Services under this MoU have signed appropriate confidential and non-disclosure agreement (with terms no less onerous than terms appearing in this MoU) to ensure either Parties Confidential Information disclosed under this MoU is protected from unauthorized use and disclosure. Both Parties hereby assume full liability for the actions of its Personnel who have access to the Confidential Information provided by each other and agree that it shall be liable for all such actions as though those actions were the actions of the other.

Save as permitted in clause above:

- either Party shall not mention or otherwise use the name or trademark of each other or its affiliates in any publication, press release, promotional material or other form of publicity without the prior written consent of the appropriate individual designated for the purpose by concern Party;
- the receiving Party shall take all steps as may be reasonably necessary to protect the integrity of the Confidential Information and to ensure against any unauthorized disclosure thereof;
- promptly inform the other of any potential or accidental disclosure of the Confidential Information and take all steps, together with the aggrieved Party, to retrieve and protect the said Confidential Information;
- use the Confidential Information only for the purpose for which it was provided and not profit from the same in any unauthorized manner to the exclusion of the disclosing Party.

Both Parties acknowledges that in the event of any breach or threatened breach of this clause by either Party or its Personnel, monetary damages may not be an adequate remedy, and therefore, the Parties shall be entitled to injunctive relief to restrain the other or its Personnel from any such breach, actual or threatened.

8. Either Party shall not be liable for any indirect, exemplary, special, punitive, consequential or incidental losses, damages, claims, liabilities, charges, costs, expenses or injuries (including, without limitation, loss of use, data, revenue, profits, business and for any claims of customers of other Party or other third parties claiming through such other Party) that may arise out of or be caused in connection with or result from this MoU or any other obligations undertaken under the terms of this MoU.
9. The Institution agrees to ensure that all personnel from the Institution (including students) abide by the applicable CAPGEMINI policies when working on CAPGEMINI premises with regard to Collaboration. The Institution agrees to keep CAPGEMINI fully indemnified against any unlawful activity or breach of instructions from CAPGEMINI by any personnel (including students) admitted to the Collaboration hereunder, including acts of hacking.
10. All or any dispute arising between the parties in respect of this MoU of whatsoever nature shall be resolved under the laws of India and any or all such disputes will be subject to the exclusive jurisdiction of the courts in Mumbai, India.
11. This MoU is not intended to create any relationship in the nature of franchise, joint venture, or agency between the Parties. Neither Party shall act in a manner that expresses or implies a relationship other than that of independent contractors, nor bind the other Party. Either Party or any of its employees/ personnel shall not, under any circumstances, be deemed to have any employer-employee relationship with the other Party.
12. This MoU has been signed in duplicate, each of which shall be deemed to be an original.

## MOU/ Expression of Interest

1. This Memorandum of Understanding is being executed on 22nd Feb 2018, between **M/s ATS InfoTech Pvt Ltd. A Microsoft-AEP(Authorized Education Partner )** having its registered office at L-107, Lajpat Nagar-II, NewDelhi-110024 and represented by **Mr. Sandeep Giyyan JJethani (Director Operations)** hence for purpose of MOU known as '**Delivery Partner**' and **Vivekanand Education Society's Institute of Technology** represented by **Dr. (Mrs.) J. M. Nair (Principal)**, hence for purpose of MOU known as '**Resource Partner**'.
2. Delivery Partner would be offering International Certifications to the interested students from different vendors @ academic discounted price and those students who voluntarily pay the exam fees would be getting bundled training free of cost mapped to the certifications.
3. **This contract in no way creates any financial binding nor does it imply that 'resource partner' has committed to provide any fixed number of student's registrations per year for the certification exams /bundled workshops, the only commitment from their end is to provide platform to address students / seminar to educate and motivate them about the various certifications and subsequent permission for registering the students who are voluntarily interested in the same.**
4. As part of the special offering all exam vouchers provided to the students for certifications would have a **second attempt bundled free** in case the student fails to clear the same in first attempt.
5. Delivery Partner would bundle a '**free of charge**' faculty development Program twice a year for the faculty members of the **resource partner**.
6. Delivery Partner would also **sponsor certification vouchers for faculty members** equivalent to 15% of the total students enrolled in academic year.
7. Delivery partner would also be bundling free subscription of '**mentorbuddy.com**' for **assessment and post assessment support** mapped for both university curriculum and students aptitude test prep.
8. Students would be registering directly for the certification exam by making payment to the SPOC appointed by the **resource partner** or with M/s ATS Infotech Pvt Ltd. either online or offline by chq/cash/DD. Proper receipts would be issued for the same. In case if only the **resource partner** collects the payments, the same would have to be transferred to **delivery partner** max within 7 days, as exam vouchers can only be registered once payment is made. Students would be receiving a conformation mail of their voucher being booked and entitlement to free training/workshop, once they register either online or offline.
9. The fee charged is against Microsoft /other vendor Certification exam and all other services like training are complimentary / bundled free and cannot be linked anywhere with the release of payment to **delivery partner**(in case if the certification fees is collected by **resource partner**).
10. Student would be receiving their **transcript and certificates** for the exam directly in their account in e-format, from the specific vendor like Microsoft /Oracle/Certiport etc. post successfully clearing the exam.
11. Resource Partner would be Provided **15% 'Resource Utilization Fees** 'against use of infrastructure and other resources for the bundled free training. The Resource Utilization fees will be paid on basic fee excluding the taxes.
12. Resource Partner would provide necessary infrastructure within college, like labs with Computers, LCD Projector's, internet etc. for the execution of the **free training** and conducting the **Certification Exam**.
13. Resource partner would allocate time slot either on weekends/holidays /regular slot for minimum 6-8hrs or as per mutual consent with delivery partner for execution of FREE training in their campus.

MEMORANDUM OF UNDERSTANDING FOR COLLABORATION BETWEEN  
NI SYSTEMS (INDIA) PVT LTD, BANGALORE  
&  
VIVEKANAND EDUCATION SOCIETY'S INSTITUTE OF TECHNOLOGY, MUMBAI

This MoU Regarding LabVIEW Academy Program ("MoU") is made by and between Vivekanand Education Society's Institute of Technology, having the campus at Chembur, Mumbai, Maharashtra represented by its Principal, **Dr. (Mrs). J.M. Nair**, ("Institution") and NI Systems (India) Pvt. Ltd. ("NI"), a company incorporated under the Companies Act, 1956 of India, having its registered office at 81/1 & 82/1, Salarpuria Softzone, Wing B, 5th Floor, Block A, Bellandur, Varthur Hobli, Bangalore 560 037 represented by **Mr. Solaikutty Dhanabal**, Academic Manager, effective as of 09<sup>th</sup> July, 2013 (the "Effective Date").

1. Institution; Courses. Institution warrants and represents that it is a degree-granting educational institution. During the Term (as defined below), Institution agrees to offer and conduct courses for academic purposes at Institution's facilities, in a professional manner, teaching the use of the NI LabVIEW software, which courses must not be for commercial, corporate or "customer" training purposes and must (a) be taught by an instructor who is then currently a Certified LabVIEW Associate Developer (the Certified LabVIEW Associate Developer certificate needs to be updated every two years) who regularly teaches degree-fulfilling or continuing education courses to students enrolled in or taking continuing education courses at Institution ("Instructor"); (b) include at least 30 hours of instruction specifically directed to the use of the LabVIEW software; (c) be provided in accordance with a course syllabus reviewed and approved by NI; and (d) otherwise meet requirements provided or made available by NI to Institution from time to time (the "Courses"). Institution shall ensure no courses offered or provided are taught or introduced at the Institution which directly competes against the Courses.

2. Materials. Institution agrees to set up a NI LabVIEW Academy in field of Virtual Instrumentation, (hereinafter referred to as ACADEMY). NI agrees to provide to Institution the "Instructional Materials" identified on Exhibit A (the "Materials") solely for the purpose of Institution's teaching the Courses at ACADEMY and under the below conditions:

2.1. Subject to, and conditioned on Institution's compliance with, the terms of this MoU, NI hereby grants to Institution, and Institution hereby accepts, a nonexclusive, nontransferable, limited license, for the Term (as defined below) only, to (a) use the Materials for the sole purpose of teaching the Courses, (b) provide the Materials only to those students enrolled (or taking continuing education classes) at Institution and who are taking the Courses ("Students"), except that Institution may not to provide to any Students, or to any persons or entities other than Instructors, any Materials which are designated on Exhibit A as "Instructor Use Only", and (c) make a reasonable number of copies of only those Materials which are identified on Exhibit A as "Copying Permitted for Course Use", but only as necessary for the purpose set forth in this Subsection 2.1.

2.2. Institution hereby agrees not to itself, and not to encourage or assist Students or others to, (a) copy or reproduce any Materials except as expressly permitted in Subsection 2.1, (b) transfer, disseminate or distribute any Materials to any third-party, except Students to the extent expressly permitted in Subsection 2.1, or (c) use any Materials for any purpose other than the Courses. On any termination or expiration of this MoU, if NI requests, Institution shall, at Institution's sole cost and expense, return to NI all Materials identified on Exhibit A as "Instructor Use Only".

3. Required Software Products Not Included. Institution agrees to obtain from NI, at Institution's sole cost and expense, the necessary Academic Teaching Licenses (as described in the applicable National Instruments Software License MoU, available at [http://www.ni.com/pdf/legal/us/software\\_license\\_agreement.pdf](http://www.ni.com/pdf/legal/us/software_license_agreement.pdf)) to use the LabVIEW software in conducting the Courses; and to obtain from NI, or cause each of the Students to so obtain, at their sole cost and expense, the necessary Student Edition Licenses (as described in the applicable National Instruments Software License MoU) to use the LabVIEW software in the Courses. Institution agrees to comply with, and to cause the Students to comply with, such licenses, including without limitation ensuring that the licensed software is not used for any research, commercial, industrial, or other purpose prohibited by the applicable National Instruments Software License MoU. Except as may be expressly modified by this MoU, the terms and conditions of the

applicable National Instruments Software License MoUs govern Institution's, and the Instructors' and Students', uses of the LabVIEW software as related to the LabVIEW Academy Program and the Course.

4. Required Textbooks and Equipment Not Included. Institution further agrees to obtain and provide, at Institution's sole cost and expense, or to cause each of the Students to so obtain, at their sole cost and expense, textbooks acceptable to NI for use in the Course, as well as any hardware and software as required for the Course, and other appropriate National Instruments equipment approved by NI. Such textbooks, hardware, software and National Instruments equipment approved by NI must be obtained separately and are subject to separate charges.

5. Name, Logo, and Trademarks.

5.1. Subject to, and conditioned on Institution's compliance with, the terms of this MoU, NI hereby grants to Institution, and Institution hereby accepts, a nonexclusive, nontransferable, limited license, for the Term (as defined below) only, to display the "LabVIEW Academy" Logo identified on Exhibit B hereto, the "LabVIEW Academy" name, any and all trademarks of NI therein, including without limitation, "LabVIEW", "National Instruments", and the "LabVIEW" logo design, only as part of, and as each appears in, the "LabVIEW Academy" Logo or the "LabVIEW Academy" name as the case may be (such trademarks being referred to as the "Marks"), solely in connection with providing, selling, promoting and advertising the Courses, solely on web site displays, printed literature, and other materials acceptable to NI and which are of an acceptable level of quality determined by NI in NI's sole discretion, and solely in accordance with Exhibit B hereto and any and all other guidelines and instructions provided or made available by NI to Institution from time to time. In no event may Institution display or use any Mark except as part of, and as it appears in, the "LabVIEW Academy" Logo or the "LabVIEW Academy" name as the case may be.

5.2. With a view to ensuring the maintenance of an acceptable level of quality of the web site displays, printed literature, and other materials, and the Courses, on or in connection with which the "LabVIEW Academy" Logo and/or "LabVIEW Academy" name are displayed, Institution shall submit, at no charge, representative specimens of such materials and Course-related materials to NI for review, as may be requested by NI from time to time, and to permit NI representatives to attend Course sessions at no charge to such extent as may be reasonable for such purpose. Institution agrees to comply with Exhibit B hereto and any and all other requirements, guidelines and instructions provided or made available by NI to Institution from time to time, in each instance of Institution's display of the "LabVIEW Academy" Logo or "LabVIEW Academy" name.

5.3. Goodwill generated by any use by Institution of the "LabVIEW Academy" Logo or the "LabVIEW Academy" name and the Marks, inures solely to the benefit of NI, and no use thereof shall give Institution any right, title or interest in any of such logos, names, or Marks. Upon notice by NI, or in any event on any termination or expiration of this MoU, Institution shall immediately cease all display and use of the "LabVIEW Academy" Logo, the "LabVIEW Academy" name, and the Marks, and all advertising, promotional and sales literature bearing any of such logos, names, or Marks. In the event of a claim of infringement or violation of any intellectual or industrial property right involving the "LabVIEW Academy" Logo, the "LabVIEW Academy" name, or any Mark, Institution agrees to make such modifications to the "LabVIEW Academy" Logo or the "LabVIEW Academy" name, or cease any and all display and use of them, as may be instructed by NI in writing. Institution acknowledges NI's ownership of the Marks and agrees to make no use thereof except as may be expressly permitted by this MoU. At NI's request, Institution agrees to reasonably cooperate with NI, at NI's reasonable expense, in NI's evidencing and protecting NI's rights in the Marks, including without limitation by providing, executing and delivering to NI any reasonably requested documents in furtherance thereof. Institution recognizes and acknowledges the goodwill appurtenant to use and/or ownership of the Marks, the validity of the Marks, NI's rights in the Marks, NI's registrations for the Marks (if any), and the distinctiveness of Marks. Institution agrees to take no action to attack, contest or undercut NI's ownership or the validity of any of the Marks or any applications to register or registrations thereof, or which would tend to destroy or diminish the goodwill in any of the Marks. Without limiting the generality of the foregoing, Institution shall not during the term of this MoU or thereafter:

- (a) apply to register or maintain any application or registration of any of the "LabVIEW Academy" Logo, the "LabVIEW Academy" name, any Mark, or any mark confusingly similar to any Mark, in any jurisdiction, domestic or foreign;
- (b) take any action that may tend to imply or express that Institution is the owner of any Mark or that Licensee has any right, title or interest in ownership or usage in any Mark;
- (c) use or register an internet domain using, containing, or confusingly similar to the "LabVIEW" Academy name, or any Mark;
- (d) misuse any Mark;
- (e) use the "LabVIEW Academy" Logo, the "LabVIEW Academy" name, or any Mark in any manner which may diminish the goodwill appurtenant in any Mark, or disparage NI or NI's business or any of NI's products or services;
- (f) use any colorable imitation or variant form of the "LabVIEW Academy" Logo, the "LabVIEW Academy" name, or any Mark, not specifically approved in writing by NI;
- (g) alter or deface the "LabVIEW Academy" Logo, the "LabVIEW Academy" name, or any Mark in any way except as may be instructed in writing by NI; or
- (h) use, in connection with the manufacture, sale, distribution, or promotion of any products or services (except display of the "LabVIEW Academy" Logo and the "LabVIEW Academy" name in connection with the Courses to the extent expressly permitted in this MoU) the "LabVIEW Academy" Logo, the "LabVIEW Academy" name, or any Mark, or any mark or name confusingly similar to any of them.

5.4. Institution may not take any action against a third party in relation to the "LabVIEW Academy" Logo, the "LabVIEW Academy" name, or any Mark, without NI's prior written consent. NI undertakes no obligation to register or apply to register, or to maintain any registrations of, the "LabVIEW Academy" Logo, the "LabVIEW Academy" name, or any Mark in any jurisdiction. Institution will, immediately upon becoming aware, give full written particulars to NI of (a) any allegation that the "LabVIEW Academy" Logo, the "LabVIEW Academy" name, or any Mark infringes the rights of any third party, or (b) any unauthorized use of the "LabVIEW Academy" Logo, the "LabVIEW Academy" name, or a Mark by a third party. Institution will not make any allegation, admission, settlement, or comment in respect of any such matter without the prior written consent of NI. Unless specifically and expressly waived in accordance with Section 15, NI will have sole right to control the prosecution, defense and any settlement of any claim, dispute or proceedings related to the "LabVIEW Academy" Logo, the "LabVIEW Academy" name, or a Mark, including but not limited to NI's sole discretion regarding whether to implement any action and whether or not to bring or defend, or settle or attempt to settle, any claim, dispute or proceeding.

6. No Other Licenses. Institution acknowledges that all intellectual and industrial property rights, including but not limited to any copyrights and trademarks, which relate to the Materials, belong to and are retained by NI or NI's subsidiaries, as applicable. No rights, licenses or permissions, express, implied or by estoppel, are granted by NI except for the limited licenses expressly set forth in this MoU. All rights not expressly permitted to Institution in this MoU are reserved to NI.

7. Warranty Disclaimer. **INSTITUTION ACKNOWLEDGES AND AGREES THAT THE LICENSES, MATERIALS AND INFORMATION PROVIDED BY NI ARE AND WILL BE PROVIDED ON AN "AS IS" BASIS AND WITHOUT WARRANTY OF ANY KIND, AND NO WARRANTIES, EXPRESS OR IMPLIED, ARE MADE WITH RESPECT TO SUCH LICENSES, MATERIALS OR INFORMATION, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, OR ANY OTHER WARRANTIES THAT MAY OTHERWISE ARISE FROM USAGE OF TRADE OR COURSE OF DEALING; ANY AND ALL OF WHICH IMPLIED AND STATUTORY WARRANTIES ARE HEREBY DISCLAIMED, TO THE FULL EXTENT PERMITTED BY LAW.**

8. Term and Termination.

8.1. Term. This MoU shall commence on the Effective Date and continue for twenty-four (24) months unless terminated earlier. Either party may notify the other party in writing of early termination of this MoU by a prior notice of not less than three months prior to the effect of such termination.

8.2 Termination. Notwithstanding Section 8.1, if, during this MoU, including renewal terms, either party breaches this MoU, the other party may terminate this MoU upon notice to such party if such breach has not been cured to the reasonable satisfaction of the other party within thirty (30) days following written notice of the breach. This MoU shall terminate immediately and automatically if the Institution suspends operations, is or becomes the subject any bankruptcy or similar proceeding, makes an assignment for the benefit of creditors, or is adjudicated bankrupt or insolvent.

8.3 Effect. The following sections and subsections shall survive any termination or expiration of this MoU: 2.2, 5.3, 5.4, 6, 7, 8.3, 9, 10, 11, 12, 13, 14 and 15.

## 9. INDEMNITY; LIMITED LIABILITY.

9.1 Indemnity By Institution. Institution shall indemnify, defend and hold NI harmless for (a) any damage, expense (including reasonable attorneys' fees), loss, or injury (collectively, "Losses") arising from or in connection with any failure to comply with any of the provisions of Section 5 or any of its subsections; and (b) Losses claimed or sustained by Institution, a Student or other third-party relating to or arising from any Courses or any activities related thereto; however the same may be caused, including without limitation wholly or partially by the fault, negligence or strict liability of NI or others; provided that NI promptly notifies Institution of such claim, and provides Institution with the authority, assistance, and information Institution needs to defend or settle such claim. Institution shall not be liable for a settlement made without its prior written consent.

9.2 Indemnity By NI. NI shall indemnify, defend and hold Institution harmless for any claim by a third party that the Materials, as provided by NI, infringe such third party's United States copyrights; provided that such claim does not arise from use of the Materials other than as expressly permitted in this MoU, from any use or combination of the Materials with other materials not provided by NI, or from modification of the Materials not made by NI; and provided that Institution promptly notifies NI of such claim, and provides NI with the authority, assistance, and information NI needs to defend or settle such claim. NI shall not be liable for a settlement made without its prior written consent. This Subsection 9.2 states Institution's sole remedy for, and NI's entire liability and responsibility for, infringement of any patent, trademark, copyright, or other intellectual or industrial property right relating to the Materials. **THIS LIMITED INDEMNITY IS IN LIEU OF ANY OTHER STATUTORY OR IMPLIED WARRANTY OR REMEDY AGAINST INFRINGEMENT.**

9.3 Liability. **EXCEPT AS PROVIDED IN SUBSECTION 9.2, IN NO EVENT SHALL NI BE LIABLE FOR ANY DIRECT, ACTUAL, INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA OR DATA USE, INCURRED BY INSTITUTION, OR ANY STUDENT OR OTHER THIRD PARTY, ARISING FROM THIS MOU, WHETHER IN AN ACTION IN CONTRACT OR TORT, EVEN IF NI HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND EVEN IF CAUSED BY THE FAULT, NEGLIGENCE OR STRICT LIABILITY OF NI OR OTHERS. IN NO EVENT SHALL NI'S LIABILITY UNDER THIS MOU EXCEED, IN THE AGGREGATE, THE AMOUNT OF US\$1,000 (ONE THOUSAND U.S. DOLLARS).**

10. Independent Contractors; Freedom of Action. Institution and NI are independent contractors to one another and nothing herein shall be deemed to create an agency, partnership, joint venture, franchise or employment relationship between NI and Institution or its personnel, and neither party shall represent to the contrary, either expressly, implicitly, by appearance or otherwise. Institution acknowledges, represents, and agrees that it has not paid, and will not pay, any fee to enter into this MoU. The licenses, rights and permissions granted to Institution under this MoU are nonexclusive. NI may provide identical or similar licenses to others. Further, NI may itself, or with others, (including without limitation other educational institutions), provide, deliver and/or teach courses that are the same as, or similar to, the Courses, or engage in other activities described in this MoU.

11. Assignment. Each party understands and acknowledges that this MoU is personal to the parties and accordingly, except for NI's right to assign this MoU to a related entity, neither party may assign this MoU (in whole or part)

8.2 Termination. Notwithstanding Section 8.1, if, during this MoU, including renewal terms, either party breaches this MoU, the other party may terminate this MoU upon notice to such party if such breach has not been cured to the reasonable satisfaction of the other party within thirty (30) days following written notice of the breach. This MoU shall terminate immediately and automatically if the Institution suspends operations, is or becomes the subject any bankruptcy or similar proceeding, makes an assignment for the benefit of creditors, or is adjudicated bankrupt or insolvent.

8.3 Effect. The following sections and subsections shall survive any termination or expiration of this MoU: 2.2, 5.3, 5.4, 6, 7, 8.3, 9, 10, 11, 12, 13, 14 and 15.

## 9. INDEMNITY; LIMITED LIABILITY.

9.1 Indemnity By Institution. Institution shall indemnify, defend and hold NI harmless for (a) any damage, expense (including reasonable attorneys' fees), loss, or injury (collectively, "Losses") arising from or in connection with any failure to comply with any of the provisions of Section 5 or any of its subsections; and (b) Losses claimed or sustained by Institution, a Student or other third-party relating to or arising from any Courses or any activities related thereto; however the same may be caused, including without limitation wholly or partially by the fault, negligence or strict liability of NI or others; provided that NI promptly notifies Institution of such claim, and provides Institution with the authority, assistance, and information Institution needs to defend or settle such claim. Institution shall not be liable for a settlement made without its prior written consent.

9.2 Indemnity By NI. NI shall indemnify, defend and hold Institution harmless for any claim by a third party that the Materials, as provided by NI, infringe such third party's United States copyrights; provided that such claim does not arise from use of the Materials other than as expressly permitted in this MoU, from any use or combination of the Materials with other materials not provided by NI, or from modification of the Materials not made by NI; and provided that Institution promptly notifies NI of such claim, and provides NI with the authority, assistance, and information NI needs to defend or settle such claim. NI shall not be liable for a settlement made without its prior written consent. This Subsection 9.2 states Institution's sole remedy for, and NI's entire liability and responsibility for, infringement of any patent, trademark, copyright, or other intellectual or industrial property right relating to the Materials. **THIS LIMITED INDEMNITY IS IN LIEU OF ANY OTHER STATUTORY OR IMPLIED WARRANTY OR REMEDY AGAINST INFRINGEMENT.**

9.3 Liability. **EXCEPT AS PROVIDED IN SUBSECTION 9.2, IN NO EVENT SHALL NI BE LIABLE FOR ANY DIRECT, ACTUAL, INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA OR DATA USE, INCURRED BY INSTITUTION, OR ANY STUDENT OR OTHER THIRD PARTY, ARISING FROM THIS MOU, WHETHER IN AN ACTION IN CONTRACT OR TORT, EVEN IF NI HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND EVEN IF CAUSED BY THE FAULT, NEGLIGENCE OR STRICT LIABILITY OF NI OR OTHERS. IN NO EVENT SHALL NI'S LIABILITY UNDER THIS MOU EXCEED, IN THE AGGREGATE, THE AMOUNT OF US\$1,000 (ONE THOUSAND U.S. DOLLARS).**

10. Independent Contractors; Freedom of Action. Institution and NI are independent contractors to one another and nothing herein shall be deemed to create an agency, partnership, joint venture, franchise or employment relationship between NI and Institution or its personnel, and neither party shall represent to the contrary, either expressly, implicitly, by appearance or otherwise. Institution acknowledges, represents, and agrees that it has not paid, and will not pay, any fee to enter into this MoU. The licenses, rights and permissions granted to Institution under this MoU are nonexclusive. NI may provide identical or similar licenses to others. Further, NI may itself, or with others, (including without limitation other educational institutions), provide, deliver and/or teach courses that are the same as, or similar to, the Courses, or engage in other activities described in this MoU.

11. Assignment. Each party understands and acknowledges that this MoU is personal to the parties and accordingly, except for NI's right to assign this MoU to a related entity, neither party may assign this MoU (in whole or part)

without the prior written consent of the other and any attempt to do so shall be void. Institution may not delegate or subcontract any of its obligations under this MoU without NI's prior written consent.

12. Dispute Resolution. This MoU shall be construed under the laws of India. Any dispute or claim arising out of or in connection herewith, or the breach, termination or invalidity thereof, shall be settled by a sole arbitrator, in accordance with the provisions of the Arbitration and Conciliation Act, 1996. The place of arbitration shall be Bangalore and the arbitration proceedings shall take place in the English language. The arbitration award is final and binding upon the parties and the parties undertake to carry out any arbitration award without delay and shall be deemed to have waived their right to any form of recourse insofar as such waiver can validly be made.

13. Notices. All notices which shall be given by either party under the terms of this MoU shall be in writing and be hand delivered, sent by facsimile transmission, overnight delivery, or sent by certified mail, return receipt requested, addressed to the receiving party at the address listed at the first page or to such other persons or addresses as may be designated by a party in writing. Notice shall be effective on the date it is received or receipt is confirmed or, if mailed as described above, no later than ten (10) days after the date of such mailing.

14. Compliance with Laws. Institution agrees to comply with all applicable laws, including without limitation United States export laws and regulations, in Institution's performance of, and exercise of rights under, this MoU.

15. Registration. If this MoU is required to be registered with authorities in India, Institution shall complete any such required procedures promptly.

16. Counterparts; Language; Amendment; Construction; Severability; Waiver. This MoU, together with the exhibits attached hereto and referred to herein, embodies the entire understanding between the parties regarding the subject matter hereof and supersedes all prior representations, discussions and communications, whether oral or written. This MoU may be executed in two counterparts, each of which taken together shall constitute one single MoU between the parties. This MoU is solely in the English language. Any translations into any other languages shall be of no effect in interpreting this MoU or otherwise. No amendment, change, alteration, or modification hereof may be made except in a writing signed by both parties. The headings used herein are for convenience only and shall not enter into the interpretation hereof. Each term and condition of this MoU will be construed in such manner to be valid, enforceable and in compliance with applicable law. If any provision of this MoU is deemed or held by a court of competent jurisdiction to be invalid or unenforceable in whole or in part, such construction will neither impair nor affect the validity or enforceability of any other provisions of this MoU. The failure to insist upon strict compliance with any of the provisions of this MoU shall not be deemed a waiver of any such provision, nor shall any waiver or relinquishment of any right or power hereunder, at any one or more times, be deemed a waiver or relinquishment of such right or power at any other time or times. No waiver of any right under this MoU is effective unless made in writing, signed by an authorized representative of the waiving party and dispatched to the benefiting party in accordance with Section 13.

## **“WORKSHOP ON ROBOTICS”**

Arranged by

**University of Mumbai & CSE, IIT Bombay**

The University of Mumbai with computer Science Engineering department of IIT Bombay have arranged a meeting of Principals and faculty of some of the Engineering colleges (Approx. -20) at Management Council room, Dr. Babasaheb Ambedkar Bhavan, Kalina campus of University of Mumbai to discuss, interact and look for the possibility of launching E-Yantra project in affiliated Engineering colleges. The meeting was addressed by Hon'ble Vice Chancellor, Dr. Rajan Welukar highlighting the importance of project based learning in engineering education.

The resource faculty from CSE, IIT Bombay, Dr. Kannan and Dr. Kavi Arya have given presentation on E- Yantra Project (i.e. its vision, objectives and methodology). Dr. Rajpal Hande Director BCUD, Dr. S.K.Ukarande, Dean Faculty of Technology, have taken initiative to make this meeting happen, which was attended by Principals & Faculty of 20 Engineering colleges.

The meeting was very much interactive and all colleges have shown their interest & decided to go ahead with this project for the benefit of students. This will help in creating project based learning atmosphere (in house) in the institutes.

In this meeting it was decided to have workshop for college faculty and students of all engineering colleges affiliated to University, in the month of July 2011. Principal of each college should depute one Senior Teaching faculty and two students to attend the workshop. There after these faculty & students are suppose to conduct workshop at their respective college as they are trained for the same. Principal of the college must arrange workshop at their college and offer Projects to the final year student based on the robotics.

As a part of this activity and as per suggestion of Hon'ble Vice Chancellor, Dr. Rajan Welukar, Dr. S.K. Ukarande Dean, Faculty of Technology with the consultation of CSE department of IIT Bombay and Director BCUD, University of Mumbai have arranged five workshops for all the engineering colleges at IIT Bombay and other Engineering institutes. These workshop will be arranged as joint activity of University of Mumbai and CSE department of IIT Bombay.

In all 5 groups are formed and in each 10-11 colleges are clubbed. Hence for each workshop 30-33 registration will be there (1 Teaching faculty & 2 students from each college). Each workshop will be there for two days. A faculty from one of the college from each group will be given responsibility of Coordinator. He will co-ordinate with the colleges of his group regarding registration and liasioning with IIT Bombay Faculty & Dean, Faculty of Technology

# e-Yantra Lab Setup Initiative

e-Yantra Lab Setup Initiative (eLSI) is designed as a scalable and sustainable approach that addresses infrastructure creation and teacher training – to create an eco-system to impart effective engineering education.

## e-Yantra Lab set-up Initiative (eLSI)

e-Yantra is a project by IIT Bombay to spread education in Embedded systems and Robotics. This project has been sponsored by Ministry of Human Resource Development (MHRD) through the National Mission on Education through ICT (NMEICT).

One of our initiatives, e-Yantra Lab set-up Initiative (eLSI) supports the infrastructure creation at colleges by providing a platform for training teachers both in theory and applications of Robotics, in addition to providing guidance in setting up a Robotics lab at the college.

eLSI aims to enable colleges to teach Robotics and Embedded systems in an effective manner by:

1. Training teams of 4 teachers from colleges in a region, in the basics of Embedded systems theory and Micro-controller programming through a 2-day workshop.

2. Engaging the teams through the regional e-Yantra Robotics Teacher Competition – where teachers implement a Robotics project over a period of three months. Each college team is given a Robotic kit complete with tutorials and accessories and is taken through the steps of the project implementation life cycle by the e-Yantra team.

3. Providing support and advice to set up a Robotics lab so that by the time the teachers are trained, the lab is ready at the college for the teachers to get their students involved through projects.

## Benefits to the college

Training students through hands-on projects is imperative in producing successful innovators and entrepreneurs. Creating the infrastructure with labs and trained teachers provides the competitive advantage to colleges in attracting talented students. e-Yantra facilitates the infrastructure creation by sharing its experience and expertise. Benefits include:

- Increased enthusiasm amongst students
- Better BE projects with help from e-Yantra open source community
- Better performance at Robotics competitions such as the e-Yantra Robotics Competition
- Better trained and motivated faculty
- Robotics club
- Opportunity to receive Embedded Systems Course from IIT Bombay
- Better prospects for engaging with other NMEICT projects Such as 10k teacher training, Spoken Tutorials, e-Kalpa, FOSSEE
- Better visibility for college national

## Participation procedure

It is necessary for the college to invest in the infrastructure – a Robotics lab where students have opportunity to explore interdisciplinary space. A maximum of 20 colleges will be chosen from the region for participating in the initiative on Come First Serve (FCFS) basis.

A college needs to commit the following to participate in this initiative:

1. Funds to equip a basic Robotics lab (in addition to space and other infrastructure)
2. A team of 4 teachers who can be trained through the initiative.

Dear all,

Its a pleasure to see our institutes robotics lab which is now formally inaugurated on April 11 2014.

Here is a brief journey of this initiative.....

- 1) In August 2011 two teachers and 2 Students from VESIT were trained and it was a pilot phase for e Yantra in University of Mumbai.
- 2) In September 2011 Computer and Electronics department conducted training for Students at VESIT
- 3) Students of VESIT participated in Robotics contest held by eYantra and IITB ERTS Lab
- 4) One student got selected in eYantra and joined eYantra revolution at IITB.
- 5) in October 2012 VESIT participated in a meeting held at IITB to decide on Lab setup initiative program, due to some unavoidable reasons we didnt go for Lab set up Initiative during that academic year.
- 6) in Mid of September 2013 VESIT decided to go for Lab set up initiative program and team of four faculty members and advisors were selected.
- 7)In October 2013 we proudly hosted training program on robotics for teachers for various institutes in the region.
- 8)Provision of around Rs 5 Lakhs was assigned initially for this Lab.
- 9) VESIT procured Equipments worth Rs 3 Lakhs for this Lab and students who are engaged in Seminar and LBS (Looking Beyond Syllabus) actually started using the equipments for their projects. "THIS MAY BE ROI in FUTURE"
- 10) four Faculties worked on Theme " MINESWEEPER " which was task given for teachers as robotics Contest for Teachers and they also attended e Yantra Symposium and during the symposium the Lab was virtually declared as OPEN.

NOW Students and faculty members should make use of the facility Proudly created by Computer Engineering Department for ALL VESIT STUDENTS OF ALL THE BRANCHES and to convert this LAB into an innovation HUB.

On Behalf of eYantra Team at VESIT, I am very thankful to Principal, Vice principal, HOD Computer, and HODs of other departments,

3/14/2016

Welcome to Vivekanand Education Society Mail - eYantra lab is declared OPEN at IIT B during eYantra Symposium

our advisers Prof. Abhay Sir, Dr. N Charniya Sir, Dr PP Vaidya Sir ,  
Our Managing Trustee shri Vishu Lala sir for motivation and Support  
for initiating this LAB.

I am also thankful to Lab Assistants, Peons and everyone who is  
involved in Creation of this LAB.

## MEMORANDUM OF UNDERSTANDING FOR "CAMPUS CONNECT PROGRAM"

### PREAMBLE

Smart machines, supercritical processes and new enabling technologies in Integrated Industrial Automation are reshaping engineering and manufacturing practices. Industry and Academia duly recognise the responsibility to impart contemporary learning in the field of Integrated Industrial Automation to the undergraduate and budding engineers of the country through innovative and sustainable mix of learning platforms (hereinafter referred to as Automation Teaching and Training Centres). Industry and Academia also recognise that a mutually collaborative route is a fast, wholesome, resource efficient and sustainable way to create and nurture industry ready personnel and academic environment.

The mutually collaborative learning infrastructure is being conceived around 3 pillars of existence:

- a) Physical infrastructure comprising a main academic campus and venues that support practical learning in industry
- b) Knowledge infrastructure comprising a main academic curriculum and supporting modules of technology, topical webinars, handbooks and application notes
- c) Management infrastructure comprising a main certification and assessment process and supporting modules for teachers and trainers

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as MoU) is entered into, on the 21<sup>st</sup> day of December, 2015 , between

AUTOMATION INDUSTRY ASSOCIATION, a registered Society having its registered address c/o M/s HFK Madan & Company , 30, Oriental Insurance Building, 31, Dr. V. B. Gandhi Marg, Mumbai - 400001. (hereinafter referred to as "AIA" which expressions shall include its successors , administrators, and assigns)

AND

V.E.S. Institute of Technology, Hashu Advani Memorial Complex, Collector Colony, Chembur, Mumbai - 400074 (hereinafter referred to as "VESIT" which expressions shall include its successors , administrators, and assigns)

Both parties hereby commit to collaborate towards the establishment of a Teaching and Training Centre (ATTC) in the area of Integrated Industrial Automation, to meet the aforesaid objectives as in the preamble. The collaboration is intended to create a holistic and broad-based teaching and skill building facility, through a well-placed curriculum and environment that brings relevant and contemporary technologies and industrial practices to the academic institutions.

This MoU sets out the terms and conditions as detailed in the Annexure, to establish the initial framework and set of activities covering all the 3 pillars of existence, to the mutual satisfaction of both parties. The MoU provides for a longer term arrangement by its conversion to a Memorandum of Agreement after the pilot phase is declared complete and evaluated by both parties.

## ANNEXURE

1. The MoU sets forth the scope of each party to carry out an initial set of activities designed to provide suitable curriculum/courses in the area of Integrated Industrial Automation to the students of VESIT, to establish the required laboratory and other facilities to support such a curriculum, as also to enhance the interaction between the Automation industry and VESIT in sharing their knowledge and expertise.
2. This centre will be known as the VESIT-AIA Automation Teaching and Training Centre for Integrated Industrial Automation.
3. The actual site of the Automation Teaching and Training Centre (hereinafter referred to as the ATTC site) shall constitute the mutually agreed physical space(s) identified within the main academic campus (at VESIT). The Interior design of this identified space will be developed by VESIT so as to meet the guidelines of both VESIT and AIA. This site will be under the financial and administrative control of the ATTC officer nominated by VESIT. The equipment and space covered under the ATTC site will however be made accessible to the nominated representatives of AIA (such as its participating faculty, technicians and mentors) for purposes agreed and in consonance with the deliverables of the MoU.
4. VESIT will provide and maintain adequate basic infrastructure like furniture, power supply, computers and air-conditioning in the designated classrooms, office rooms and laboratory. It will also identify and make available some live equipment within its overall campus to which the automation equipment can be safely hooked up for research and technology development projects.
5. Automation Teaching and Training Centre - Courses and Curriculum:

AIA will recommend to VESIT the required course objectives, module guidelines, assessment criteria, experimental stations and necessary software so as to effectively launch the courses/curriculum on Integrated Industrial Automation being offered at VESIT pursuant to this MoU.

6. VESIT will invest in creating the experimental stations and necessary software and offer 48 hours Course on Integrated Industrial Automation as an add-on course with suggested hands on and live/high utility experiments. The course content will be designed and evaluated by VESIT in consultation with AIA and supported by appropriate laboratory work at the ATTC site.
7. Based on above objectives, Laboratory kits will be engineered by AIA and supplied by the authorized manufacturer of AIA, against a pre-agreed configuration and charge.
8. AIA shall offer through its member companies, limited seats for advanced training / internship / project work for students/teachers.
9. AIA will support these efforts by deputing experienced professionals from the area of Integrated Industrial Automation to share their knowledge and expertise with the students and faculty of VESIT. The travel, stay and honorarium for such technical experts will be borne by the ATTC.
10. Facilities available at the ATTC site may be used by VESIT for training/education of students and staff of other Institutions who may want such exposure and whom VESIT and AIA deem fit. Once the teaching objective has been satisfactorily met, both parties will consider the possibilities of upgrading the centre to offer paid short-term courses for Industry professionals in industries from the neighboring region. These courses can carry a joint certificate from AIA and VESIT.

11. Intellectual Property Rights: No party shall assume ownership of the material developed and shared by the other party. Where curriculum inputs are jointly improved, such updates shall be publicly acknowledged and protected from piracy or misuse by third parties.

12. Promotion: VESIT and AIA can issue a joint Press Release (contents to be mutually agreed) to inform the public about this collaboration and joint events. VESIT and AIA are entitled to post, at their own discretion, the collaboration highlights herein and details of related activities on their respective websites. Branding of ATTC's will be distinct, while allowing the use of both party logos

13. All bi-lateral issues will be reviewed together on a semi-annual basis, by a joint Council comprising representatives of VESIT and AIA. In addition, VESIT will participate in an annual academic review with the community of peer ATTCs affiliated with AIA. Inputs from this larger body will be considered while preparing the blueprint for advanced courses.

14. Term: The duration of the MoU will be 2 years commencing from the effective date. Thereafter, VESIT and AIA shall review the status of the collaboration and may enter into a longer term Memorandum of Agreement on such terms and conditions as may be mutually agreed to by the parties in writing. In the event that either party wishes to terminate or extend the MoU period before the completion of the initial term, it may initiate the process by giving the other party a six month advance notice in writing.

15. Amendments to the MoU;

Changes and /or deviations are likely to appear both in context and extent of the subject matters covered under this MoU. VESIT and AIA accept this situation and agree to accommodate for this, as necessary, by mutual agreement and by exchange of further communication in writing, specifying these changes and /or deviations.

16. The relationship between the Parties is that of an independent party for this MoU and neither Party shall represent to third parties as an agent of the other Party. Nothing in this MoU shall be construed to grant either Party the right to

make commitments of any kind for or on behalf of the other Party without the prior written consent of the other Party.

17. Neither Party shall assign or transfer its rights and obligations under this MoU without the prior written consent of the other Party.

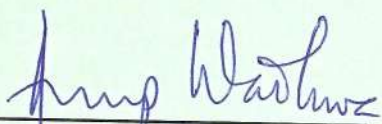

18. Resolution of Disputes :

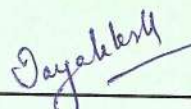

In the event of any dispute under this MoU between VESIT and AIA written inputs regarding the dispute shall be provided to the other party. Such dispute or differences shall be resolved amicably by mediation and discussion between the parties. If the dispute is not resolved through negotiations then both Parties shall resolve such dispute through arbitration under the Arbitration and Conciliation Act 1996 by a sole arbitrator to be mutually appointed. The courts at Mumbai shall have exclusive jurisdiction for any matters arising from the arbitration. This MoU shall cease, once it is converted to an agreement between the two parties.

In witness thereof, the Parties have caused this MoU to be signed in their respective names as under:

INSTITUTE (Standard Recital)

VESIT is a research and educational institution imparting engineering education at undergraduate and postgraduate levels and affiliated to Mumbai University.

IITB is a research and educational institution set up by a special Act of the Parliament of India

Whereas, IITB has expertise in the area of high voltage partial discharges (PD) measurement. A laboratory set up is available within the Electrical Engineering department at IITB for experimental evaluation of partial discharges (PD).

Whereas VESIT has expertise in area of design and construction of low level signal processing systems which can be designed for characterization and analysis of Partial Discharge (PD) pulses which are generated during degradation of insulation material subjected to high voltage.

Whereas, VESIT and IITB (each individually a 'Party' and collectively as 'Parties' hereinafter) are interested to take up a joint collaborative programme pertaining to Characterization and analysis of Partial Discharge as more specifically contained and detailed in Schedule -I annexed hereto.

The Parties hereto agree as follows:

- 1 Scope, Purpose of Activity: The scope of the activity under this collaboration in the field of Characterization and analysis of PD is as contained and detailed in Schedule - I annexed hereto.
- 2 Intellectual Property (IP): Any foreground intellectual property generated / created out of this collaboration by either party will be owned by that party. Any IP resulting from the collaborative work will be shared jointly between parties.
- 3 Publications: Any research findings arising from this collaborative activity may be published /

presented at national or international conferences. Acknowledgement of the contribution of the authors towards such publications will be made, as appropriate. However, the terms and conditions for such publications shall be mutually agreed upon

- 4 Confidentiality: IITB and VESIT agree to hold in confidence all information/data designated by the parties as being confidential which is obtained/disclosed from either party or created during the performance of this agreement and will not disclose the same to any third party without written consent of the other party.
- 5 Non-Exclusive: This relationship is on a non-exclusive basis and either VESIT or IITB are free to enter into other relationships or alliances with other partners.
- 6 Term and Termination: The term of this agreement shall be for a period of 2 years from the date of execution hereof unless terminated earlier by a written notice of sixty (60) days, by a party seeking such termination, to the other party hereto.
- 7 Changes: Any changes / alterations to this agreement/ understanding shall be made by the parties hereto by mutual agreement, in writing, by the authorized representatives of both the parties.
- 8 Dispute Resolution: Any and all disagreements/differences/disputes arising hereunder shall be resolved amicably by the designated senior executives/officers of the good offices of both parties. Further, unresolved disputes, if any, shall be resolved by arbitration to be conducted under the Indian Arbitration and Conciliation Act 1996 in the English language at Mumbai.

**Title of project:**

Investigations and Characterization of Partial Discharge(PD) phenomena in High Voltage Equipment

As a part of research work, it is planned to develop instrumentation systems for characterization of PD pulses as well as for detection and analysis of PD.

I. System for characterization of Partial Discharges:

It is proposed to develop a system which generates PD pulses similar to the actual partial discharge pulses generated during degradation of insulation material subjected to high voltage. The system will incorporate hardware and software required to generate the pulses without the use of high voltage and insulation material. The system will be useful for research workers in the academic institutions and industries for hardware simulation and analysis of PD pulses.

Understanding the physics of PD pulses and software simulation will be carried out in IITB while the design, construction and testing of the actual hardware to simulate the pulses will be implemented in VESIT.

II. System for detection and analysis of Partial Discharge pulses:

It is required to develop a comprehensive system to detect and analyze PD pulses generated during degradation of insulation material subjected to high voltage. A system will be designed and constructed to measure and analyse the various parameters related to PD. The high computational ability of a computer will be utilized for analysis of the parameters measured. Efficient algorithms will be employed for analysis of parameters like amplitude distribution, time distribution, pulse shapes including rise time, fall time, width, etc. The analysis of partial discharge pulses made using this system will be helpful in finding out a parameter or a set of parameters or distributions that will be helpful in predicting the failure because of degradation of insulation material. Such parameters will be identified for reliable prediction of insulation failure using this system.

The instrumentation system required for this purpose will be designed, constructed and tested in VESIT. It will be utilized for testing of actual insulation material and the analysis in IITB laboratory. Inferences will be drawn regarding the failure of the insulator based on these experiments. Further, the enhancement and modification will be made in the system based on the experimentation results done in IITB. Such a PD analyser system will be useful for application in the industry for detection of insulation degradation.

It is planned to publish papers in international journals and conferences based on the above systems designed, constructed and tested at VESIT and on the applications and experimental investigations done in IITB.

## **Detailed Report**

**Mentoring Session for all Students and Faculties**  
**By Innovation Ambassador**  
**Topic: Developing Business Plan using Business Model Canvas**

Institution Innovation Council (IIC) in association with Internal Quality Assurance Cell (IQAC) organised a webinar on Mentoring session for all students & faculties by Innovation Ambassador on 10th April 2021 between 4pm to 5.30pm. The speaker for the session was Dr. Aarti Milind Karande, Chair, IEEE SIGHT Bombay Section and IIC convener Sardar Patel Institute of Technology, Mumbai.

Dr. Karande began her session by introducing nature Business Plans to the attendees. She explained how an entrepreneurial journey grows from a little idea to an entire upscale business model. In this section she covered the following topics:

- To clarify the purpose of your business.
- To identify the direction of growth of your business.
- To attract funding options
- To attract good employee
- To manage the company

She then explained about the need of a business plan and how it allows you to explore the world of entrepreneurship. Later she gave a brief idea about the steps involved in drafting a well managed business plan. The steps included research, strategizing, calculating, drafting and Proofreading.

She took up numerous examples and instances to explain various types of business plans that catered to a large number of people.

The next part of this presentation concentrated on the 'Business Overview' and it's benefits. She explained the concepts based on statistical data which made it easier for the participants to understand it.

She highlighted the importance of a well designed Marketing Plan and a viable Management team in the later course of the presentation.

A set of questions asked by the attendees were answered by Dr. Karande towards the end of the session. The webinar concluded with a vote of thanks by the co-ordinator of the event Dr. Anjali Yeole.

**Guest speaker :** Prof. T Shakila Shamshu, Formerly OSD (NEP), Dept of H.E., MHRD, The government of India.

Vivekanand Education Society's Institute of Technology in association with VESIT IQAC and IIC, organized an one day online webinar on National Education Policy 2020.

The esteemed speaker of the session was Dr. Shakila Shamsu from Dept of H. E, MHRD, Government of India.

Dr. Shamsu is currently Officer on Special Duty (New Education Policy) in the Department of Higher education, Government of India. Dr. Shamsu does research in Higher Education, Teacher Education, Digital learning Technologies and Educational Policy. Dr. Shamsu is the secretary for the drafting committee of NEP 2020. She enlightened us ( the faculty) with her knowledge of New Education Policy 2020 through this valuable webinar. The highlights of the webinar are as follows:

The National Education Policy 2020 (NEP 2020), which was approved by the Union Cabinet of India on 29 July 2020, outlines the vision of India's new education system. The new policy replaces the previous National Policy on Education, 1986. The policy is a comprehensive framework right from the pre-primary ( anganwadi) to higher education as well as vocational training in both rural and urban India. National Education Policy 2020 envisions an India-centric education system that contributes directly to transforming our nation sustainably into an equitable and vibrant knowledge society by providing high-quality education to all. The NEP 2020 enacts

numerous changes in India's education policy. It aims to increase state expenditure on education from around 4% to 6% of the GDP as soon as possible. Shortly after the release of the policy, the government clarified that the regional languages policy in NEP is a broad guideline; and that it was up to the states, institutions and schools to decide the implementation.

Dr. Shamsu thoroughly discussed School education and Higher education.

**School Education** : The "10 + 2" structure will be replaced with the "5+3+3+4" model. These 4 stages are Foundational Stage, Preparatory Stage, Middle Stage and Secondary Stage.

- Foundational Stage: This is further subdivided into two parts: 3 years of preschool or anganwadi, followed by classes 1 and 2 in primary school. This will cover children of ages 3-8 years. The focus of studies will be activity-based learning.
- Preparatory Stage: Classes 3 to 5, which will cover the ages of 8-11 years. It will gradually introduce subjects like speaking, reading, writing, physical education, languages, including regional languages, art, science and mathematics.
- Middle Stage: Classes 6 to 8, covering children between ages 11 and 14. It will introduce students to the more abstract concepts in subjects of mathematics, sciences, social sciences, arts and humanities.
- Secondary Stage: Classes 9 to 12, covering the ages of 14-19 years. It is again subdivided into two parts: classes 9 and 10 covering the first phase while classes 11 and 12 covering the second phase. These 4 years of study are intended to inculcate multidisciplinary study, coupled with in depth and critical thinking. Multiple options of subjects or domains will be provided to the students at this level.

Instead of exams being held every academic year, school students will only attend three exams, in classes 3, 5 and 8 ( which will help in evaluating the understanding of the students) . Board exams will continue to be held for classes 10 and 12 but will be re-designed to suit the redesigned curriculum. Standards for this will be established by an assessment body, PARAKH. To make them easier, these exams would be conducted twice a year, with students being offered up to two attempts. The exam itself would have two parts, namely the objective and the descriptive. This policy aims at reducing the curriculum load of students and allowing them to be more "inter-disciplinary" and "multi-lingual". One example given was "If a student wants to pursue fashion studies with physics, or if one wants to learn bakery with chemistry, they'll be allowed to do so." Report cards will be "holistic", offering information about the student's skills. Coding will be introduced from class 6 and experiential learning will be adopted. The Midday Meal Scheme will be extended to include breakfasts. More focus will be given to students' health, particularly mental health, through the deployment of counsellors and social workers.

**Higher Education** : It proposes a 4-year multi-disciplinary bachelor's degree in an undergraduate programme with multiple exit options. These will include professional and vocational areas and will be implemented as follows:

- A certificate after completing 1 year of study
- A diploma after completing 2 years of study
- A Bachelor's degree after completion of a 3-year programme (with 1

or/and 2 specializations). If some students want to pursue PhD, they will have to complete 2 years of Master's programme.

- A 4-year multidisciplinary Bachelor's degree. If a student wants to pursue PhD, they will have to complete at least 1 year of Master's programme. The student who does a 4-year Bachelor's degree with a research project will have the advantage to pursue PhD directly without doing Master's.

MPhil (Masters of Philosophy) courses are to be discontinued to align degree education with how it is in Western models. A Higher Education Council of India (HECI) will be set up to regulate higher education. The council's goal will be to increase gross enrollment ratio. The HECI will have 4 verticals:

- National Higher Education Regulatory Council (NHERC), to regulate higher education, including teacher education, while excluding medical and legal education.
- National Accreditation Council (NAC), a "meta-accrediting body".
- Higher Education Grants Council (HEGC), for funding and financing of universities and colleges. This will replace the existing National Council for Teacher Education, All India Council for Technical Education and the University Grants Commission.
- General Education Council (GEC), to frame "graduate attributes", namely the learning outcomes expected. It will also be responsible for framing a National Higher Education Qualification Framework (NHEQF). The National Council for Teacher Education will come under the GEC, as a professional standard setting body (PSSB).

Other PSSBs will include professional councils such as Veterinary Council of India, Council of Architecture, Indian Council of Agricultural Research and National Council for Vocational Education and Training. The National Testing Agency will now be given the additional responsibility of conducting entrance examinations for admissions to universities across the country, in addition to the JEE Main and NEET. The policy proposes that higher education institutes like the IITs make changes with regard to the diversity of learning. It also proposes to internationalize education in India. Foreign universities can now set up campuses in India. The fees of both private and public universities will be fixed.

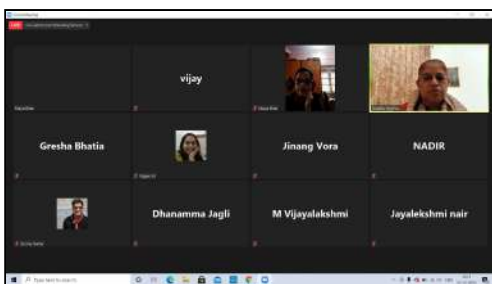

Further she mentioned that the NEP 2020 puts forward many policy changes when it comes to teachers and teacher education. The teacher recruitment process will also be strengthened and made transparent. The National Council for Teacher Education will frame a National Curriculum Framework for Teacher Education by 2021 and a National Professional Standards for Teachers by 2022. The policy aims to ensure that all students at all levels of school education are taught by passionate, motivated, highly qualified, professionally trained, and well equipped teachers.

Under NEP 2020, numerous new educational institutes, bodies and concepts have been given legislative permission to be formed. These include Academic Bank of Credit, a digital storage of credits earned to help resume education by utilising credits for further education. National Research Foundation, to improve research and innovation. Special Education Zones, to focus on the education of under represented groups in disadvantaged regions. Gender Inclusion Fund, for assisting the nation in the education of female and transgender children.

**Implementation** : Dr. Shamsu said, any policy's effectiveness depends on its implementation. Such implementation will require multiple initiatives and actions, which will have to be taken by multiple bodies in a synchronized and systematic manner. Implementation will be guided by the following principles.

- Implementation of the spirit and intent of the Policy will be the most critical matter.
- It is important to implement the policy initiatives in a phased manner, as each policy point has several steps, each of which requires the previous step to be implemented successfully.
- Prioritization will be important in ensuring optimal sequencing of policy points, and that the most critical and urgent actions are taken up first, thereby enabling a strong base.
- Comprehensiveness in implementation will be key; as this Policy is interconnected and holistic, only a full-fledged implementation, and not a piece meal one, will ensure that the desired objectives are achieved.
- Since education is a concurrent subject, it will need careful planning, joint monitoring, and collaborative implementation between the Centre and States.
- Timely infusion of requisite resources - human, infrastructural, and financial - at the Central and State levels will be crucial for the satisfactory execution of the Policy. Finally, careful analysis and review of the linkages between multiple parallel implementation steps will be necessary in order to ensure effective dovetailing of all initiatives.

**Report on National Digital Library of India**

**National Digital Library of India (NDLI)** is a virtual repository of learning resources which is not just a repository with search/browse facilities but provides a host of services for the learner community. It is sponsored and mentored by the Ministry of Education, Government of India, through its National Mission on Education through Information and Communication Technology (NMEICT). It is built to provide support for all academic levels including researchers and life-long learners, all disciplines, all popular forms of access devices and differently-abled learners. It is designed to enable people to learn and prepare from best practices from all over the world and to facilitate researchers to perform inter-linked exploration from multiple sources. **It is developed, operated and maintained from Indian Institute of Technology Kharagpur.**

It is mandatory for all the institutions to be a member of NDLI.

**VES Institute of Technology (VESIT) Library is member of NDLI.**

The 'Institute details' tab shows the following information:

- Institution Name:** VES INSTITUTE OF TECHNOLOGY
- Description:** VIVEKANAND EDUCATION SOCIETY'S INSTITUTE OF TECHNOLOGY (VESIT) was established in 1984 with a view to create an Engineering Degree Institute to fulfill the long public need of an Institute of Excellence in Chembur, Mumbai. VESIT has six UG Programs, one MCA Program and three PG Programs in the most coveted disciplines considering both industrial need and public preference. These courses would lead to award of the Degree of Bachelor of Engineering (B.E) in Electronics Engineering, Computer Engineering, Instrumentation Engineering, Electronics & Telecommunication Engineering, Artificial Intelligence and Data Science, Information Technology, Master of Computer Application and Master of Engineering (M.E) as well as Ph.D (Technology) in Electronics Engineering.

VESIT Library in Association with National Digital Library of India Club has organized a Webinar on “Users Awareness on National Digital Library of India” on 19th July 2021 for Teaching faculty members, Non-Teaching staff and all UG & PG students of VESIT. The webinar was conducted on Zoom meeting by running a YouTube video presentation of Dr. Vignesh Sornamohan a Chief Strategic and Outreach Officer - National Digital Library of India. The presentation covered the following things in details

1. Why NDLI?
2. How does NDLI Work?
3. What kind of Content?
4. Who is this for?
5. How to Access NDLI?
6. What is the difference between GOOGLE and NDLI?

- Anytime and anywhere access
- Single ubiquitous platform for providing equitable access to knowledge resources
- Accessing same resources by multiple persons at the same time
- Missing/ hidden/ damaged resources
- Democratize Education
- Lockdown due to COVID-19

The Zoom interface includes a top toolbar with options like Audio, Start Video, Security, Participants (109), Chat, Polls, New Share, Pause Share, and More. A red banner at the top indicates "You are screen sharing" with a "Stop Share" button. On the left, there is a video gallery showing Dr. Vignesh Sornamohan and other participants. The bottom of the screen shows a Windows taskbar with various application icons and a system tray with the time 1:35 PM on 19/07/2021.

**HANDS ON TRAINING TO ASSEMBLE SOLAR STUDY LAMPS**

**College Name :** V.E.S. Institute of Technology  
**Organized by :** Department of Electronics Engineering  
**No. of Students:** 175  
**Country:** India

**DATE:** 2<sup>nd</sup> OCTOBER 2019

**WE PLEDGE FOR NON-VIOLENCE  
TOWARDS ENVIRONMENT**

One hundred seventy-five Student Solar Ambassadors of V.E.S. Institute of Technology (VESIT), Mumbai assembled solar study lamps on 2nd October 2019, the 150 birth anniversary of Mahatma Gandhi. The Workshop focused on sensitization of over 1 million Students globally towards adverse effects of climate change and making them future Ambassadors of Renewable energy was organized by Department of Electronics Engineering, VESIT in association with IIT Bombay & Ministry of New and Renewable Energy (MNRE).

The required electronics components, solar panels and assembly parts are provided to the students during the workshop. Students assembled and tested all the components to make solar study lamps under the supervision of trainers.

Dr. Kushal Tuckley (IIT-Bombay), Mr. S.Y. Kulkarni (Ex-Scientist, SAMEER), Mr. Prasad Rao (Member DAB, VESIT) were the keynote speakers for the workshop. They created awareness about solar energy as a renewable resource, usage, and practical applications and effects of global warming. Shri. B. L. Boolani (President, VES), and VES trustees Dr. Prakash Lulla and Shri. Vijay Talreja encouraged the students to spread the usage of Renewable Energy globally. Dr. J.M Nair (principal) and M.Vijayalaxmi (Vice principal) along with the entire assembly Pledged for Non-Violence to the Environment.

A team of 12 certified trainers helped the students for assembling the solar study lamps. The 12 mentors were required to attend a video course designed by IITB & had to pass in 9 Quiz with an passing percentage of 80% . All 12 trainers scored more than 90% in the quiz to get IITB certification. The Team included Dr.P.Birajdar, Mr.Abhijit Shete ,Mr. Prasad Godse, Dr.Asawari Dudwadkar, Mr. Yogesh Pandit, Mrs. Dipti Karani, Mrs. Amrita Jhaveri, Ms Nikita Ramrakhiyani, Mrs.Kavita Rathi , Mr. Kashi, Mr. Chandrashekhar Jawle & Mr. Vishwakarma.

The event was coordinated by Dr. Parmeshwar Birajdar, Dr. Asawari Dudwadkar, Prof. Abhijit Shete and Prof. Yogesh Pandit under the guidance of HOD Prof. KavitaTewari

After successful completion of solar study lamp workshop, they had to write a 20 min Test using the lamps assembled by them , later all students & mentors assembled on 2<sup>nd</sup> floor to glow their lamps simultaneously for a group picture to mark the successful completion of Solar Student Ambassador Workshop event and be global solar –renewable Energy ambassadors in future.

**Subject: Renewal of Recognition of Scientific and Industrial Research Organisations (SIROs).**

Dear Sir,

This has reference to your application for renewal of recognition of Vivekanand Education Society, Mumbai as a Scientific and Industrial Research Organisation (SIRO) by the Department of Scientific and Industrial Research under the Scheme on Recognition of Scientific and Industrial Research Organisations (SIROs), 1988.

2. This is to inform you that it has been decided to accord renewal of recognition to **Vivekanand Education Society, Mumbai from 01.04.2020 to 31.03.2023**. The recognition is subject to terms and conditions mentioned overleaf.
3. Receipt of this letter may kindly be acknowledged.

Yours faithfully,

  
(Dr. P.K. Dutta)  
Scientist - 'F'

## **TERMS AND CONDITIONS FOR RECOGNITION OF SCIENTIFIC AND INDUSTRIAL RESEARCH ORGANISATIONS (SIROs)**

1. The organizations should acknowledge receipt of the recognition letter by stating that they will abide by the terms and conditions of recognition.
2. The recognition will entitle the SIRO to receive such administrative support from the DSIR, Ministry of Science & Technology as may be required on issue to promote or encourage scientific research activities.
3. SIROs recognized by DSIR are also deemed to be registered. A separate certificate of registration\*\* is issued along with the recognition letter. The recognition would be valid for the period specified in the recognition letter and application for renewal of recognition shall be submitted in the prescribed proforma at least 3 months before the expiry of the valid recognition. Failure to submit application in time may lead to automatic lapsing of the recognition & registration.  
*\*\*However, the certificate of registration is not issued to SIROs engaged in activities falling within the definition of 'hospital' as per notification No. 51/96-Cus. Dt. 23.07.1996 issued by the Department of Revenue.*
4. The recognition of DSIR does not amount to approval u/s 35(1)(ii)/(iii) of Income Tax Act, 1961.
5. The registration will entitle the SIROs to avail of custom duty exemption on purchase of equipment, instruments, spares thereof, consumables, etc. used for research and development subject to relevant Government policies in force from time to time. Custom duty exemption has to be separately dealt with the customs authorities. The SIROs should abide by the terms & conditions of the customs notifications issued/amended from time to time.
6. Separate books of accounts shall be maintained by the SIRO for research & development activities and the R&D expenditure, both capital and recurring should be reflected the Annual Report and Statement of Accounts of the Organization in separate schedules.
7. Disposal/sale of equipment and products/prototypes/intermediates, if any, emanating from the R&D/pilot plant, should be intimated to DSIR immediately. The realization, if any, from above or any services rendered etc. shall be shown in the R&D accounts of the organization as income of the SIRO in the audited accounts as well as annual report and should be used or reinvested for research activities only. In case of disposal/sale of R&D equipment, clearance from custom authorities will also be required in view of the applicable notifications under which the equipment was imported/purchased in India.
8. Accelerated depreciation allowance as per Rule 5(2) of Income Tax Rules 1962 will be available on investments on plant & machinery by any industrial unit which has made these investments for the purpose of commercialization of technology/know-how acquired from a SIRO recognition by DSIR.
9. Brief summary of the achievements of the organization shall be submitted to the DSIR every year. This should include details related to papers published, patents obtained and process developed, new products introduced, awards & prizes received, copy of Annual Report and Statement of Accounts of the organization etc. List of equipment, instruments, parts and consumables imported/purchased using the duty exemption should also be submitted to DSIR along with the Annual Report.
10. Any violation of the terms & conditions mentioned-above and / or provisions of taxation in force will make the organization liable to de-recognition.
11. The organization will also conform to such other conditions for recognition stipulated in the Guidelines or as may be specifically provided in the recognition letter.

**Subject: Further accreditation status on the basis of Compliance Report of the programs in Tier II offered by Vivekanand Education Society's Institute of Technology, Hashu Advani Memorial Complex, Collector's Colony, R. C. Marg, Chembur, Mumbai – 400074, Maharashtra.**

Sir,

This is regarding Compliance Report submitted by Vivekanand Education Society's Institute of Technology, Hashu Advani Memorial Complex, Collector's Colony, R. C. Marg, Chembur, Mumbai – 400074, Maharashtra for the UG Engineering programs which were provisionally accredited by NBA in Tier-II for academic years 2016-17 to 2018-19 whose validity is expiring on 30.06.2019.

2. An Expert Team conducted data verification of the programs on 4<sup>th</sup> May, 2019. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electronics and Telecommunication Engineering	Tier-II Document	Accredited	Academic Years 2019-2020 to 2021-2022 i.e. upto 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.
2.	Information Technology		Accredited		
3.	Electronics Engineering		Accredited		
4.	Instrumentation Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Vivekanand Education Society's Institute of Technology, Hashu Advani Memorial Complex, Collector's Colony, R. C. Marg, Chembur, Mumbai – 400074, Maharashtra** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

5. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
6. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
7. A copy each of Report of the Visiting Team in respect of the above programs is enclosed.

Yours faithfully,

Subject: Accreditation status of programs applied by Vivekanand Education Society's Institute of Technology, Hashu Advani Memorial Complex, Collector's Colony, R. C. Marg, Chembur, Mumbai - 400074, Maharashtra.

Sir,

This has reference to your application dated 29-12-2011 seeking accreditation by National Board of Accreditation to UG Engineering programmes offered by Vivekanand Education Society's Institute of Technology, Hashu Advani Memorial Complex, Collector's Colony, R. C. Marg, Chembur, Mumbai - 400074, Maharashtra.

2. An Expert Team conducted an on-site evaluation of the programs during 18th to 20th March, 2016. Report of the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the accreditation status to the following program as given in the table below:

Sl. No.	Name of the Programmes	Level	Basis of Evaluation	Accreditation Status	Period of validity w.e.f. 01.07.2016	Remarks
(1)	(2)	(3)	(4)	(5)	(6)	(7)
1.	Electronics Engineering	UG	Tier-II Document	Provisionally Accredited	2 years	Accreditation status granted is valid for the period indicated in col.6 or till the program has the approval of the competent authority, whichever is earlier
2.	Computer Engineering	UG	Tier-II Document	Provisionally Accredited	2 years	
3.	Electronics and Telecommunication Engineering	UG	Tier-II Document	Provisionally Accredited	2 years	
4.	Information Technology	UG	Tier-II Document	Provisionally Accredited	2 years	
5.	Instrumentation Engineering	UG	Tier-II Document	Provisionally Accredited	2 years (757 marks awarded by the Visiting Team reduced to 723 as per the observations made and indicated in the Annexure to this letter)	

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program has been granted Provisional Accreditation for 2 years. As such Vivekanand Education Society's Institute of Technology, Hashu Advani Memorial Complex, Collector's Colony, R. C. Marg, Chembur, Mumbai - 400074, Maharashtra is required to submit the Compliance report after 18 months. It may require submission of pre-qualifier before sending the Compliance report for granting further Accreditation. The process for submitting Pre-Qualifiers and Compliance report has been notified on the website of National Board of Accreditation.

5. The accreditation status awarded to the programmes as indicated in the above table does not imply that the accreditation has been granted to Vivekanand Education Society's Institute of Technology, Hashu Advani Memorial Complex, Collector's Colony, R. C. Marg, Chembur, Mumbai - 400074, Maharashtra as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is programme accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the programme (s) accredited, level of programmes and the period of validity of accreditation, as well as the date from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programmes is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programmes as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programmes as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. Copies of the Report of Chairman of the Visiting Team and Evaluators' Report in respect of the above programme are also enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Thanking you,

Yours faithfully,

Subject : Extension of the Period of Accreditation Status granted to UG Engineering Program(s) offered by Vivekanand Education Society's Institute of Technology, Hashu Advani Memorial Complex, Collector's Colony, R.C.Marg, Chembur, Mumbai-400074, Maharashtra.  
Sir,

This has reference to NBA's letter of even number dated 14/04/2016 under which some of the UG Engineering program(s) offered by your Institution were granted accreditation in Tier II by National Board of Accreditation.

2. National Board of Accreditation (NBA) has now decided that in all cases where UG Engineering program(s) of an Institution were granted provisional accreditation for a period of 2 years in Tier I/Tier-II format, the period of provisional accreditation of these programs shall be extended from 2 to 3 years subject to the condition that they meet the essential Pre-visit qualifiers. The Pre-visit qualifiers submitted by **Vivekanand Education Society's Institute of Technology, Hashu Advani Memorial Complex, Collector's Colony, R.C.Marg, Chembur, Mumbai-400074, Maharashtra**, have been considered and approved by NBA in respect of the following UG Engineering program(s). Accordingly, the competent authority in NBA has approved the following accreditation status to the program(s) as given in the Table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of extended validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Instrumentation Engineering	Tier-II Document	Provisionally Accredited	Academic Year 2018-2019, i.e., upto 30-06-2019.	Accreditation status granted is valid for the period indicated in col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Electronics and Telecommunication Engineering				
3.	Information Technology				

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

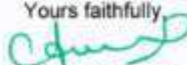

4. The programs have been granted provisional accreditation. **Vivekanand Education Society's Institute of Technology, Hashu Advani Memorial Complex, Collector's Colony, R.C.Marg, Chembur, Mumbai-400074, Maharashtra**, should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

Contd/...

5. The accreditation status awarded to the program(s) as indicated in the above table does not imply that the accreditation has been granted to **Vivekanand Education Society's Institute of Technology, Hashu Advani Memorial Complex, Collector's Colony, R.C.Marg, Chembur, Mumbai-400074, Maharashtra**, as a whole. As such the Institution should nowhere along with its name, including on its letter head etc. write that it is accredited by NBA because NBA only accredits program(s), and not Institutions. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of programs and the period of validity of accreditation, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program(s) is subject to change on periodic review, as deemed necessary by the NBA. It is desired that the relevant information in respect of accredited program(s) as indicated in the Table in paragraph 2, appears on the website and information bulletin of your College/Institution.

7. The accreditation status awarded to the program(s) as indicated in Table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
