Issue 59: August 2020 Page Number : 15

Rashtriya Sadbhavana Diwas

-Simran Sharma

The Sadbhavana (meaning - goodwill and bonafide) Diwas or Harmony Day is celebrated to commemorate the birth anniversary of the youngest and the most dynamic Prime Minister of India, Mr. Rajiv Gandhi. The birth anniversary of the late Prime Minister, Mr. Rajiv Gandhi on 20th August is observed as 'Sadbhavana Diwas' nation-wide every year. The main theme of Sadbhavana Diwas is to promote national integration and communal harmony among people of all religions, languages and regions, benevolence towards everyone and eschewing violence are the motto of the Sadbhavana Diwas.

This year faculties and students of Vivekanand Education Society's Institute of Technology, Chembur, celebrated the 76th Birth Anniversary by taking a pledge to work for integrity, prosperity and unity of our country. All the students and faculties enthusiastically participated and took an oath to work for the goodwill and harmony of our country by following secularism and respect for all religions, caste, cultures and creed. It definitely promoted the feeling of patriotism among all and to act as responsible citizens of the country.

Sadbhavana Day Pledge, that was taken goes as follows "I take this solemn pledge that I will work for the emotional oneness and harmony of all the people of India regardless of caste, region, religion or language. I further pledge that I shall resolve all differences among us through dialogue and constitutional means without resorting to violence."

Rohti Kandam(D15) said, "The session was very fascinating and inspiring. We learned a lot more about our former prime minister Mr. Rajiv Gandhi, about the efforts he has taken towards communal harmony. We, the students, also took the solemn pledge to follow his example and bring a positive change in the society"

Students taking pledge along with Dr. Sushil Dhuldhhar (Assistant Professor, Department of IBS)

➤ National Science Day:

National Science Day celebrated at VESIT

Harshil Jagan

National Science Day is celebrated in India on 28 February each year to mark the discovery of the fission effect by Indian physicist Sir C.V. Raman on 28 February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930. This also placed India firmly in the list of scientifically progressing countries. To commemorate this day, VESIT conducts activities like debates, quiz competitions, exhibitions and lectures that involve both students and teachers. All programs and activities revolve around a theme selected and this year the theme was 'Women in Science'.

The teachers, along with the VESIT Circle came up with the idea of a Debate Competition. Debates is an academic activity that gives students a creative avenue to express what they feel. The length and breadth of knowledge that they gain through this is simply unparalleled. This competition was held exclusively for first year students and each class had to send a team of two students. VESIT conducted the elimination round with Rahul Motwani (D2B), Dhruv Hiral being the judge. The following four teams qualified for the final event which was held on 28th February in the fourth floor smart classrooms:

- Kamal Jagan and Mihir Patwardi (D2C)
- Anshika Kulkarni and Rahul Kulkarni (D4A)
- Chiny Jan and Nikhil Jan (D4E)

Three topics were studied by these teams a day prior to the final debate. They had to prepare for both sides, proposition, and opposition, as that was to be decided by two on the spot VESIT members specialized in finalizing the topics and the topics were:

- 1) Zero waste more harm than good
- 2) Bottled water causes more harm than good
- 3) Genetically Modified food are beneficial for mankind

An enthusiastic crowd including First Year students expressed in an ongoing debate

- Kaustubh Kenay and Vibhish Mittal (D2B)

Satyanarayan Pooja 2020

Satyanarayan Puja at VESIT

Tanvi Shinde

Shri Satyanarayan Puja is performed to seek blessings from Lord Vishnu. This year, on 24 February 2019, teachers, staff members, trustees and students gathered in the well-decorated BCR to witness the sacred 'havan'. It was performed by Mrs. Swati Tarkar and Mr. Kamlesh Tarkar. The Reception area was decorated with a beautiful rangoli and the guests were served with prasada after Darshan. Raj Joshi from D7C states that "VESIT looked very beautiful and the atmosphere was joyous."
