Brief Introduction to SPICE:

MOTTO:

To bridge the gap between Campus and Companies and overall personality development of the students.

VISION:

To empower MCA students with the Soft Skills, Technical Skills, Aptitude Skills that enhance their overall personality development and prepare them for the corporate world here at VESIT.

MISSION:

We provide opportunities for the holistic development of students through Expert sessions and a diverse set of activities.

SPICE was formed to bridge the gap between the college syllabus and the placements. SPICE conducts aptitude test sessions by experts and ex-students to make students understand the aptitude level of dream companies as well prepare them for such placements in both aptitude and interviews. It also aids their overall personality development by giving them the confidence to speak via GD and debate sessions and prepare them for the corporate world.

List of activities:

Events conducted in the year :

- Mastering Research Tools A Hands-On Workshop
- Aptitude tests 2023
- Aptitude tests 2024
- Full Stack (MERN) Workshop
- Resume Building
- Session on "Structuring your Research Paper Effectively"

Events Conducted During the Academic Year 2023-2024:

- **Mastering Research Tools A Hands-On Workshop:**

Date: 20 May, 2023

No of participants: 53

Interactive session on Mendeley was conducted by Dr. Dhanamma Jagli (Dy.HOD, Dep. of MCA). Mendeley simplifies the process of organizing research papers, collaborating with colleagues, and generating citations and bibliographies. It is a valuable tool for researchers seeking efficient reference management and enhanced collaboration capabilities.

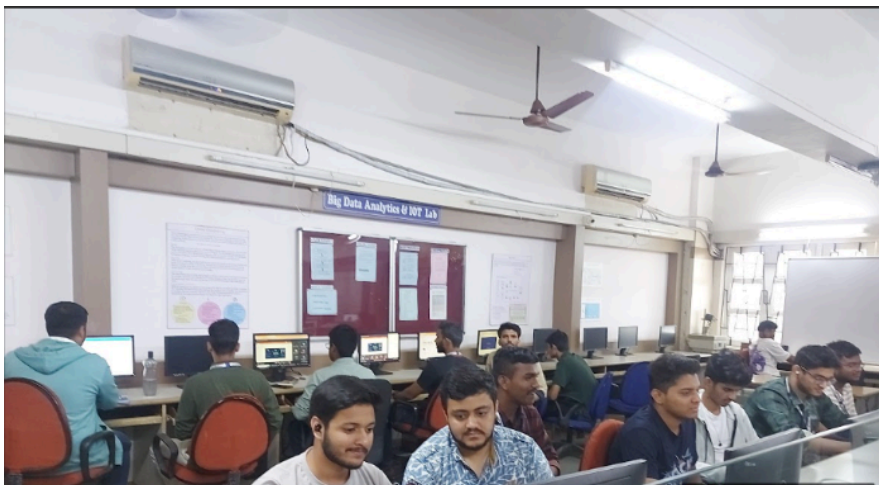

Mastering Research Tools A Hands-On Workshop

- **Full Stack (MERN) Workshop:**

Date: 2nd & 3rd Feb, 2024

No of participants: 37

MCA-SPICE organized this session for all students to gain hands-on experience on MERN technology, the speakers were full stack developers who guided us through this workshop.

Full Stack (MERN) Workshop

- **Aptitude test series:**

Date: Jan- June 2023 ,Dec 2023 & Jan, 2024

MCA- SPICE conduct aptitude test every week for students of both division for the preparation during placements. It is carried out through online and offline mode, covering all the important topics from Logical Reasoning, Quantitative aptitude, English, and Basic Computer.

Aptitude Test

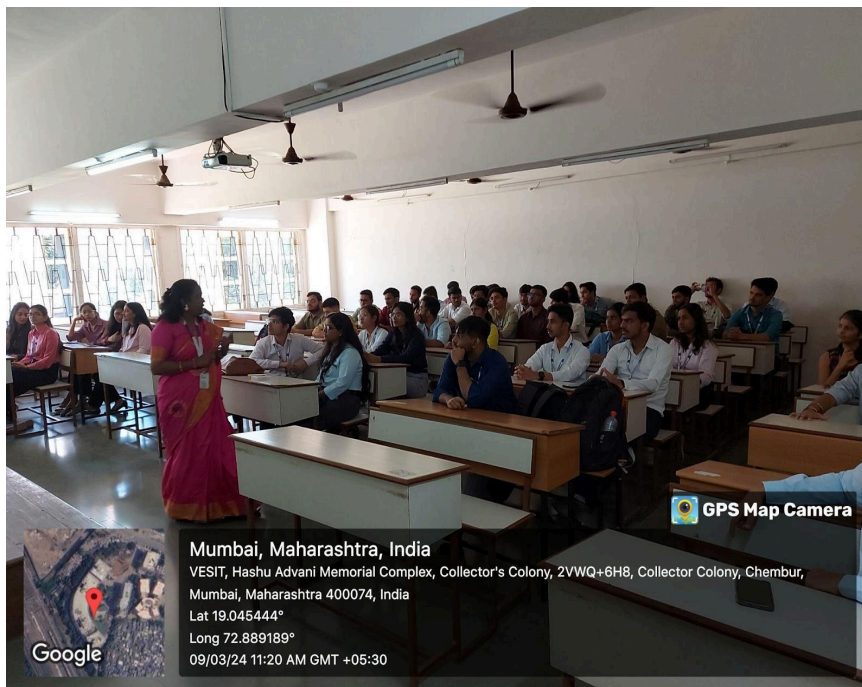

- **Resume Building:** MCA- SPICE carried out a resume building event where students have to build their resume and will submit it through google form.
- **Session on "Structuring your Research Paper Effectively" :**

Date: 9th March 2024

No of Participants:68

Interactive session conducted by Dr. Dhanamma Jagli (Dy.HOD, Dep. of MCA) focused on the following topics

- Types of Manuscripts
- Selecting a research domain and a topic from that domain in which you are interested in.
- Initial phases of research
- Research tools useful for writing research paper
- Demonstration of Mendeley desktop tool
