Introduction:

“Alone we can do so little, together we can do so much”

To look upon the past year and see how little but powerfully SoRT has striven and to what purpose: To spread and impact lives.

Since its inception in 2008 by a group of enthusiastic students, SoRT has never looked back, being recently named as one of the most active group (at institutional level) at social work and community services all over India.

Like every year, last year SoRT took special steps towards the welfare of the society. This small family pulled off unique events last year, each largely benefitting the ones in need. SoRT strongly believes in the ripple effect and that small good deeds can make a big difference. It will continue to do so in future too.

While SoRT attempts to bring out momentous changes in society through grassroot level actions with respect to a plethora of sectors including healthcare, social awareness and environmental care, SoRT is also the team that will bring out the best in you, motivate you and be with you at every step of our way.

Towards the better, together!!

About Institute Social Responsibility (ISR) :

Institute Social Responsibility (ISR) refers to the continuous commitment by institutions to conduct them in an ethical manner and contribute towards the socioeconomic development of the society at large. Social responsibility is an ethical theory, in which individuals are accountable for fulfilling their civic duty; the actions of an individual must benefit the whole of society. Social responsibility is a duty every individual has to perform so as to maintain a balance between economic growth and the welfare of society and the environment. Social responsibility means sustaining the equilibrium between the two. It pertains not only to organizations but also to everyone whose action impacts the environment. This responsibility can be passive, by avoiding engaging in socially harmful acts, or active, by performing activities that directly advance social goals. As individuals we can make our small contributions to society by doing social activities, individual or in association with Institute/Social organizations/NGOs/Clubs etc.

Number of Student Participants: 100 students participated in the event/activity.

Solar Lights Installation Workshop at Ambiste Khurd

Under **Unnat Bharat Abhiyan**, **VESIT UBA** team and the **SoRT council** along with faculties from **V.E.S.I.** has organized a workshop on Solar Lamp for High School students on **20 April 2022 at 12 noon**, at **Ambiste Khurd, Dist. Palghar, Maharashtra**. **Unnat Bharat Abhiyan** is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India.

The students were accompanied by **Mr. Roy** who guided the students in the installation process. **Dr. Sushil Dhuldhhar** has given information about UBA to school students. The SoRT team even spoke to the villagers of Ambiste about their issues with electricity and how the solar street lights would be a big help to them. The student team was divided into two phases. The first phase started with the visit of the UBA team at school to spread awareness about the power of solar energy, how it is created and how it lights up the solar lamps. Around **100 students** from the village listened keenly as **Mr. Roy** demonstrated how the solar street lamps work which was followed by explanations of energy-efficient systems. The Headmaster of the school concluded the session and **Dr. Sushil Dhuldhhar** gave the thank you note.
