20. Key provisions of the Regulations and policies of which you should be aware include:
 - a. The University's expectations for student attendance and academic progress, as set out under the Student Study and Engagement Regulation which can be found in the Academic Regulations Handbook at <https://www.cardiff.ac.uk/public-information/policies-and-procedures/academic-regulations>. If you fail to meet these expectations it may mean that you are not permitted to progress on your course.
 - b. The University's rules regarding student conduct, academic misconduct and cheating, including plagiarism, the processes the University uses for plagiarism detection (e.g. Turnitin software) and exam conduct, found at <http://www.cardiff.ac.uk/public-information/policies-and-procedures/academic-regulations>. Breaking these rules may result in a disciplinary process and the imposition of academic penalties and/or expulsion in line with the Academic Misconduct Procedure found at https://www.cardiff.ac.uk/_data/assets/pdf_file/0009/1560483/Academic-Misconduct-Procedure-Taught.pdf.
 - c. The University's rules regarding payment of money due to the University, which can be found in the Tuition Fee Policy at <https://www.cardiff.ac.uk/public-information/students-applicants/tuition-fee-policy>. In deciding whether to do so, the University will consider all the circumstances of your case.
 - d. The University's expectations of student conduct, as set out in the Student Conduct Procedure found at https://www.cardiff.ac.uk/_data/assets/pdf_file/0003/1560486/Student-Conduct-Procedure.pdf. Breaking these rules could result in an independent internal investigation and the imposition of sanctions, which may include expulsion from the University.
 - e. The University's Study Support Intervention Policy which describes the steps the University may take if there are concerns about your health and wellbeing that lead to questions about your fitness and suitability to continue to study, found at https://www.cardiff.ac.uk/_data/assets/pdf_file/0008/1560491/Study-Support-Intervention-Policy-and-Procedure.pdf.

Failing to observe these requirements may call into question a student's fitness to practise and result in an investigation and the imposition of sanctions, including expulsion from the University.
 - g. The requirement that applicants to professionally-regulated courses undergo an **Enhanced** Disclosure Barring Service check (organised by the University) before they can be enrolled on these programmes, or in some cases undertake placements, and the statutory requirements regarding disqualification by association. Depending on the outcome of these checks, you may not be eligible to enrol on these programmes.

 - k. Where a student engages with a professional or industrial partner (a "placement provider") and a contract is drawn up between all three parties, you must comply with the requirements and rules of the placement provider and the University. Breaking these rules could result in a disciplinary process and the imposition of sanctions, which may include expulsion from the University.

Dear Ms. Chumber:

We are pleased to inform you of your admission for graduate study in Human Computer Interaction beginning with the Fall Semester 2023. All new students must attend the International Student Orientation. Information about orientation will be emailed to you by the International Students and Scholars Office (ISSO), or visit <https://www.isso.iastate.edu/new-student-orientation>.

If you indicated on your application that you would be applying for a student visa, the Certificate of Eligibility (Form I-20 or DS-2019) has been enclosed. Please check it carefully to make sure that the information is accurate and notify us immediately if any corrections are necessary.

If you indicated that you are currently attending another school in the US, a new Iowa State University I-20 Form cannot be issued until AFTER your current institution releases your SEVIS record to Iowa State University (the release date is usually on or after the last day of classes). In addition to requesting your current school to release your SEVIS record, you must also complete the I-20 SEVIS Transfer to ISU e-Form available under the Student Services tab in CyStart at cystart.its.iastate.edu. You will have to login through the Limited Services link on the right side of the page. Iowa State must have this e-form completed by you and your International Student Advisor at your current school before you begin classes at Iowa State.

Your admission is conditional pending our receipt of official final academic records from your previous institution(s). (Uploaded and e-mailed documents are not official.) Final records must be received by our office before you will be allowed to enroll in classes at Iowa State. If you are a current ISU student, this will be handled internally for you. If you anticipate any difficulties in meeting these requirements, please contact the Office of Admissions for assistance. You can reference information regarding official academic records on the enclosed Official Academic Record Information Sheet.

- If your studies are complete, please contact the Registrar at your previous school(s) and arrange to have official records mailed to the Office of Admissions. They must be received within the next four weeks. If you have already had all official academic records sent, you may skip this step.
- If you are still attending classes, when your present study is complete, please arrange to have your final academic record and degree statement sent to our office. Please contact the Registrar at your institution(s) and arrange to have those official records sent to the Office of Admissions within four weeks of the completion of the final term.

If your primary language is not English, you will be given an English placement test upon your arrival in order to determine your need for a course in English as a second language.

Health documentation requirements for new students are provided on the Thielen Student Health Center website at www.cyclonehealth.org. All new students attending Iowa State University are required to submit proof of two immunizations for measles, and international students will also be given tuberculosis screening and a meningitis vaccination after arriving at Iowa State. You will receive a message on AccessPlus that provides a link to the online Immunization Submission System which allows you to upload scanned copies of your immunization documentation. These must be received no later than one month before the beginning of the semester. A health insurance policy to help defray the costs of health care or unexpected hospitalization is required for all international students and any family members who accompany them. If you have already attended Iowa State University, you can skip this step. Further information on the health insurance program is also available on that website.

Our Department of Residence website (<http://www.housing.iastate.edu/>) provides you with information about the various types of housing offered. Preference in housing assignments is based on the dates the housing contract is received, so the earlier you return the contract to the Department of Residence, the more likely you are to obtain your housing preferences.

Please keep this office and your department informed of any change in your plans. We look forward to your joining us at Iowa State.

Sincerely,

William R Graves
Dean of the Graduate College

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Dear UMBC Admitted Graduate Student:

Congratulations on your acceptance to the Graduate School at UMBC! As you may have heard, UMBC received a record number of applications, more than a 300% increase in the number of applications we received just two years ago.

The university is committed to supporting you from your first day on campus through your opportunity to work in the US as a part of the Optional Practical Training (OPT) program with your student visa. We have increased staffing on campus to help you succeed, by adding personnel to our International Student and Scholars Services (ISSS) office, and by increasing the number of career advisors available for international students. We have also added faculty so that your class sizes do not increase, and to enable you to have the chance to get to know your faculty.

You may still have questions about coming to UMBC, coming to the US, and other advising questions. In addition to the webinars hosted by our ISSS team members, we are also encouraging you to work with your recruiter and the EduCo team.

UMBC has had a long relationship with EduCo and its team members. We greatly appreciate the support that EduCo provides to our international students, both incoming and current students. Thus, we highly recommend that you work closely with EduCo team members to ensure that you are also guided accordingly throughout the admission and enrollment process, either through a [one-on-one advising session](#) or through our [WhatsApp Community](#).

We look forward to welcoming you to our lovely campus in August. In early July we will be sending information about our on-campus Welcome Event. In the meantime, please enjoy your summer and we will see you soon!

Sincerely,

Dear Ms. Chumber:

We are pleased to inform you of your admission for graduate study in Human Computer Interaction beginning with the Fall Semester 2023. All new students must attend the International Student Orientation. Information about orientation will be emailed to you by the International Students and Scholars Office (ISSO), or visit <https://www.isso.iastate.edu/new-student-orientation>.

If you indicated on your application that you would be applying for a student visa, the Certificate of Eligibility (Form I-20 or DS-2019) has been enclosed. Please check it carefully to make sure that the information is accurate and notify us immediately if any corrections are necessary.

If you indicated that you are currently attending another school in the US, a new Iowa State University I-20 Form cannot be issued until AFTER your current institution releases your SEVIS record to Iowa State University (the release date is usually on or after the last day of classes). In addition to requesting your current school to release your SEVIS record, you must also complete the I-20 SEVIS Transfer to ISU e-Form available under the Student Services tab in CyStart at cystart.its.iastate.edu. You will have to login through the Limited Services link on the right side of the page. Iowa State must have this e-form completed by you and your International Student Advisor at your current school before you begin classes at Iowa State.

Your admission is conditional pending our receipt of official final academic records from your previous institution(s). (Uploaded and e-mailed documents are not official.) Final records must be received by our office before you will be allowed to enroll in classes at Iowa State. If you are a current ISU student, this will be handled internally for you. If you anticipate any difficulties in meeting these requirements, please contact the Office of Admissions for assistance. You can reference information regarding official academic records on the enclosed Official Academic Record Information Sheet.

- If your studies are complete, please contact the Registrar at your previous school(s) and arrange to have official records mailed to the Office of Admissions. They must be received within the next four weeks. If you have already had all official academic records sent, you may skip this step.
- If you are still attending classes, when your present study is complete, please arrange to have your final academic record and degree statement sent to our office. Please contact the Registrar at your institution(s) and arrange to have those official records sent to the Office of Admissions within four weeks of the completion of the final term.

If your primary language is not English, you will be given an English placement test upon your arrival in order to determine your need for a course in English as a second language.

Health documentation requirements for new students are provided on the Thielen Student Health Center website at www.cyclonehealth.org. All new students attending Iowa State University are required to submit proof of two immunizations for measles, and international students will also be given tuberculosis screening and a meningitis vaccination after arriving at Iowa State. You will receive a message on AccessPlus that provides a link to the online Immunization Submission System which allows you to upload scanned copies of your immunization documentation. These must be received no later than one month before the beginning of the semester. A health insurance policy to help defray the costs of health care or unexpected hospitalization is required for all international students and any family members who accompany them. If you have already attended Iowa State University, you can skip this step. Further information on the health insurance program is also available on that website.

Our Department of Residence website (<http://www.housing.iastate.edu/>) provides you with information about the various types of housing offered. Preference in housing assignments is based on the dates the housing contract is received, so the earlier you return the contract to the Department of Residence, the more likely you are to obtain your housing preferences.

Please keep this office and your department informed of any change in your plans. We look forward to your joining us at Iowa State.

Sincerely,

William R Graves

Congratulations! It is with great pleasure that I offer you admission to the Human-Computer Interaction, MS program for the Fall 2023 term at Rochester Institute of Technology. Your admission is contingent on completing the requirements outlined on the RIT Graduate Admission Contingency form. In addition, graduate study at RIT requires excellent English language skills. Your academic department has admitted you contingent upon your successful completion of English language courses through RIT's English Language Center, in addition to the courses required for your graduate program.

Your application and supporting documents detailing your accomplishments convinced the Admissions Committee that you have the scholarly aptitude to flourish in a diverse community of scholars, entrepreneurs and humanitarians. Admission to graduate study at RIT is a selective process; you should take pride in this attainment.

RIT is a university where brilliant minds assemble in service of innovative ideas and creative solutions. Among the nearly 4,000 colleges and universities in the U.S., **RIT ranks in the top 4 percent** for selectivity and is considered a "best value" university according to *U.S. News & World Report*. We invite you to accept our offer and avail yourself of the rich academic resources available to you.

To accept our offer of admission and complete the enrollment process, please complete the online Reply to Offer of Admission form by May 1, 2023, which can be found on your Application Status page at join.rit.edu/account/login. INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Dear UMBC Admitted Graduate Student:

Congratulations on your acceptance to the Graduate School at UMBC! As you may have heard, UMBC received a record number of applications, more than a 300% increase in the number of applications we received just two years ago.

The university is committed to supporting you from your first day on campus through your opportunity to work in the US as a part of the Optional Practical Training (OPT) program with your student visa. We have increased staffing on campus to help you succeed, by adding personnel to our International Student and Scholars Services (ISSS) office, and by increasing the number of career advisors available for international students. We have also added faculty so that your class sizes do not increase, and to enable you to have the chance to get to know your faculty.

You may still have questions about coming to UMBC, coming to the US, and other advising questions. In addition to the webinars hosted by our ISSS team members, we are also encouraging you to work with your recruiter and the EduCo team.

UMBC has had a long relationship with EduCo and its team members. We greatly appreciate the support that EduCo provides to our international students, both incoming and current students. Thus, we highly recommend that you work closely with EduCo team members to ensure that you are also guided accordingly throughout the admission and enrollment process, either through a [one-on-one advising session](#) or through our [WhatsApp Community](#).

We look forward to welcoming you to our lovely campus in August. In early July we will be sending information about our on-campus Welcome Event. In the meantime, please enjoy your summer and we will see you soon!
