

Vivekanand Education Society's Institute of Technology

(Affiliated to University of Mumbai, Approved by AICTE & Recognized by Govt. of Maharashtra)

5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services.

Note: The contribution of the alumni association to the institution is already provided within a maximum of 200 words.

Now the following supporting documents towards support services are provided.

Financial Contribution from Alumni

There is no financial alumni contribution for the year 2022-23.

Other support services

The attached documents support alumni contribution as expert speaker, contribution in curriculum enrichment, contribution in placement, alumni as Department Advisory Board (DAB) member, alumni as judges, alumni as Internal Quality Assurance Cell (IQAC) member, alumni as Institute Advisory Board (IAB) member.

Vivekanand Education Society's Institute of Technology

Curriculum Enrichment of Syllabus for Third Year Electronics Engineering Rev.2019'C' by Alumni Dr. Jyothi Digge

Programme Structure for Bachelor of Engineering (B.E.) – Electronics Engineering (Rev. 2019 'C' Scheme)

Preface

Technical education in the country is undergoing a paradigm shift in current days. Think tank at national level are deliberating on the issues, which are of utmost importance and posed challenge to all the spheres of technical education. Eventually, impact of these developments was visible and as well adopted on bigger scale by almost all universities across the country. These are primarily an adoption of CBCS (Choice base Credit System) and OBE (Outcome based Education) with student centric and learning centric approach. Education sector in the country, as well, facing critical challenges, such as, the quality of graduates, employability, basic skills, ability to take challenges, work ability in the fields, adoption to the situation, leadership qualities, communication skills and ethical behavior. On other hand, the aspirants for admission to engineering programs are on decline over the years. An overall admission status across the country is almost 50%, posing threat with more than half the vacancies in various colleges and make their survival difficult. In light of these, an All India Council for Technical Education (AICTE), the national regulator, took initiatives and enforced certain policies for betterment, in timely manner. Few of them are highlighted here, these are design of model curriculum for all prevailing streams, mandatory induction program for new entrants, introduction of skill based and intercross discipline courses, mandatory industry internships, creation of digital contents, mandate for use of ICT in teaching learning, virtual laboratory and so on.

To keep the pace with these developments in Technical education, it is mandatory for the Institutes & Universities to adopt these initiatives in phased manner, either partially or in toto. Hence, the ongoing curriculum revision process has a crucial role to play. The BoS of Electronics Engineering under the faculty of Science & Technology, under the gamut of Mumbai University has initiated a step towards adoption of these initiatives. We, the members of Electronics Engineering Board of Studies of Mumbai University feel privileged to present the revised version of curriculum for Electronics Engineering program to be implemented from academic year 2020-21. Some of the highlights of the revision are;

- Curriculum has been framed with reduced credits and weekly contact hours, thereby providing free slots to the students to brain storm, debate, explore and apply the engineering principles. The leisure provided through this revision shall favour to inculcate innovation and research attitude amongst the students.
- New skill based courses have been incorporated in curriculum keeping in view AICTE model curriculum.
- Skill based Lab courses have been introduced, which shall change the thought process and enhance the programming skills and logical thinking of the students
- Mini-project with assigned credits shall provide an opportunity to work in a group, balancing the group dynamics, develop leadership qualities, facilitate decision making and enhance problem solving ability with focus towards socio-economic development of the country. In addition, it shall be direct application of theoretical knowledge in practice, thereby, nurture learners to become industry ready and enlighten students for Research, Innovation and Entrepreneurship thereby to nurture start-up ecosystem with better means.
- Usage of ICT through NPTEL/SWAYAM and other Digital initiatives of Govt. of India shall be encouraged, facilitating the students for self-learning and achieve the Graduate Attribute (GA) specified by National Board of accreditation (NBA) i.e. lifelong learning.

Thus, this revision of curriculum aimed at creating deep impact on the teaching learning methodology to be adopted by affiliated institutes, thereby nurturing the student fraternity in multifaceted directions and create competent technical manpower with legitimate skills. In times to come, these graduates shall shoulder the responsibilities of proliferation of future technologies and support in a big way for 'Make in India' initiative, a reality. In the process,

BoS, Electronics Engineering got whole hearted support from all stakeholders including faculty, Heads of department of affiliating institutes, experts faculty who detailed out the course contents, alumni, industry experts and university official providing all procedural support time to time. We put on record their involvement and sincerely thank one and all for contribution and support extended for this noble cause.

Alumni Interaction in Placement in Electronics Engineering Department 2022-23

Report of Session:

- The Department of Electronics Engineering organized a placement session series under the flagship of “Finishing School” from 12th July – 17th July and 23rd July 2022. The sessions were conducted in offline as well as virtual mode (Google Meet) for final year students.
- These sessions were conducted in collaboration with Training and Placement Cell. The main objective of the Finishing School was to motivate and encourage final year students to reminiscence the core subjects.
- Then the topic for today’s session - ‘Alumni Interaction’ was given by Mr. Prathamesh Kulkarni, Ms. Anandlaxmi R Kumar, and Mr. Tanmay Govindan.
- In this session, Mr. Prathamesh explained roles at Johnson and Johnson, Ms. Anandlaxmi spoke about how HR and Technical interviews are taken, and Mr. Tanmay talked about the importance of languages and gave information about sites where we can practice codes
- The speakers also explained to the students about the Placement process, Company requirements, and gave an understanding of the various industrial challenges and do’s and don’ts for placements.

Dear Sir,
Greetings of the Day!!

Myself Richard Joseph, Assistant Professor at Vivekanand Education Society's Institute of Technology the Department of Computer Engineering in association with VESIT-IIC and VESIT-IQAC, we are pleased to deliver a Skill Enhancement Lecture on your expertise.

We believe that your contribution to your field is unparalleled and will be of great benefit to our Faculties as Your Topic on "Leveraging Innovative Development through Augmented Research" will be appreciable to all

We look forward to meeting you on 13th March 2023 (Monday) from 12:15 pm onwards.
Waiting for your response.

- Regards,
Richard Joseph

Respected Sir,

VESIT believes in giving its students an invigorating academic environment. The regular syllabus of Mumbai University is conducted by our faculty very effectively. An extra edge is given to our students by inviting experts from the industry and research institutions. This endeavor is termed as 'Skill Enhancement Lectures'.

I would like to invite you to my class of Third Year Computer Engineering students on "SaaS Applications for "Internet of the Future"

I would be highly obliged if you accept this invitation and enlighten our students.

Thanking you,
With warm regards

Faculty Incharge

Mrs. Nusrat Ansari
Assistant Professor,
V.E.S.I.T.

(As per AICTE guidelines with effect from the academic year 2019–2020)

Alumni Contribution in Curriculum Enrichment of TE Computer Engineering syllabus Rev-2019'C' by Prof. Subhash Shinde

Preface by Board of Studies in Computer Engineering

Dear Students and Teachers, we, the members of Board of Studies Computer Engineering, are very happy to present Third Year Computer Engineering syllabus effective from the Academic Year 2021-22 (REV-2019'C' Scheme). We are sure you will find this syllabus interesting, challenging, fulfill certain needs and expectations.

Computer Engineering is one of the most sought-after courses amongst engineering students. The syllabus needs revision in terms of preparing the student for the professional scenario relevant and suitable to cater the needs of industry in present day context. The syllabus focuses on providing a sound theoretical background as well as good practical exposure to students in the relevant areas. It is intended to provide a modern, industry-oriented education in Computer Engineering. It aims at producing trained professionals who can successfully acquainted with the demands of the industry worldwide. They obtain skills and experience in up-to-date the knowledge to analysis, design, implementation, validation, and documentation of computer software and systems.

The revised syllabus is finalized through a brain storming session attended by Heads of Departments or senior faculty from the Department of Computer Engineering of the affiliated Institutes of the Mumbai University. The syllabus falls in line with the objectives of affiliating University, AICTE, UGC, and various accreditation agencies by keeping an eye on the technological developments, innovations, and industry requirements.

The salient features of the revised syllabus are:

1. Reduction in credits to 170 is implemented to ensure that students have more time for extracurricular activities, innovations, and research.
2. The department Optional Courses will provide the relevant specialization within the branch to a student.
3. Introduction of Skill Based Lab and Mini Project to showcase their talent by doing innovative projects that strengthen their profile and increases the chance of employability.
4. Students are encouraged to take up part of course through MOOCs platform SWAYAM

We would like to place on record our gratefulness to the faculty, students, industry experts and stakeholders for having helped us in the formulation of this syllabus.

Date: 04 March, 2023

Report on

Pradarshani 2022-23

Organized By

Department of Computer Engineering

In Association with

VEST - Institution's Innovation council
and VEST - Internal Quality Assurance Cell

Point To be Addressed	Description
Academic Year	2022-23
Quarter	IV
Date of the Event	20/03/2023
Duration Of the Event (Number Of hours)	8 hours
Name and details of the Guest	Mr. Ajit Anant Manager - Open Innovation & Corporate Programs TIF Mumbai
Name and details of the Coordinator	Dr. Mrs. Geetha Bhatia Project coordinator Mrs. Manasi Doghai

	R.E. Project Coordinators Mrs. Priya R.L. T.E. Project Coordinators Mrs. Vidya Zang S.T. Project Coordinators
About The Program	Pradarshani '23 is a celebration of the Best practices and Demonstrations (Peer to Peer Learning) of the Computer Engineering Department in which the Second Year (SE), the Third year (TE) and the final year (BE) students exhibit the project work.
Program Type:	Workshop/Learning talk/Motivational Speech/Fests visit/Seminar or visit/Study Exhibition or Open day/Concert/TIP/Conference/Innovation or Innovation (Change One)
Program Theme:	R&D and Innovation
Program Theme:	IPV/IED and Innovation Entrepreneurship/Startup/Design Thinking and critical thinking/Innovation and pro-Innovation (Change One)
Objective Of The Program	<ul style="list-style-type: none"> Peer to Peer Learning Alumni Interaction
Outcomes of the event (In terms of learning SKD) (Knowledge obtained)	It helps to enhance the presentation skills of the students. While exhibiting visitors visit each project desk, the feedback of visitors helps them to provide research insights and better innovative ideas. Exhibition acts for peer to peer learning. The projects are being presented by final year and third year students and visited by their seniors, faculty members and parents. Hence it contributes to Inspiration, Motivation and learning for future.

Poster for the Event

The poster is for the 'PRADARSHINI'23 A PROJECT EXHIBITION' held at YVES Institute of Technology. It features the department name 'Department of Computer Engineering' and the motto 'VISIT HQAC & VISIT QC'. The event is scheduled for March 20, 2023, from 10:30 AM onwards. The poster lists various activities such as 'Project Demonstration', 'Quiz Competition', and 'Technical Exhibition'. It also includes logos for sponsors like TIFR and IQAC, and contact information for the department.

Alumni as Judges in Computer Engineering Department 2022-23

Detailed Report

The Department of Computer Engineering organized Department Technology Day on 28th March 2023. A number of projects were showcased from Third and Final year Students grouped into various groups of Smart India Hackathon (SIH).

The criteria for shortlisting the projects were on the basis of the selected Project Based & and SIH tasks, the completion of the project and the innovation involved.

The motto of the Technology Day is as follows:

Evaluation Methodology:

The experts evaluated the selected projects through the demonstrations made available through the Exhibition on 28th March. The evaluation parameters for judgment were based on:

- 1) Relevance and Validity of Problem & Solution
- 2) Feasibility of solution (SMART) : (To Check the appropriateness of the proposed solution)
- 3) Applicability of Solution: Application of concept, Relevance to Society, Value Content

The winners for the Technology Day were determined by the Peer Review Process done by them.

The Expert Panel stated their views about the evaluated projects. They appreciated the efforts taken by the Department and the Project Team to showcase the skill set of the students while developing their Projects. They also elaborated the need to present their project ideas to related industries and push in for Product / Application Development / Service Model.

We, the entire Project Team, would like to invite you as one of the Judges for the Department Technology Day, Pradarshani ' 23 of the academic year 2022-23 to be held on 20th March 2023 at 10.30 am onwards.

Pradarshini ' 23 is a platform and one of the **Best practices** of the Computer Engineering department in which the Second Year (SE), the Third year (TE) and the Final year (BE) students exhibit the project work.

Details of the Program will be shared shortly.

Kindly acknowledge your presence for the same.

If you have any further queries, kindly contact the project team.

Thanks and Regards,

Project Team

Alumni as Judges in Computer Engineering Department 2022-23

Vivekanand Education Society's Institute of Technology

Approved by AICTE & Affiliated to University of Mumbai

Outcomes of the event	Participants got an opportunity to present their innovative solutions for real life problems.
Name and details of the Coordinator	Dr. (Mrs.) Sharmila Sengupta (Associate Professor, Computer Engineering) Mrs. Lifna C.S. (Assistant Professor, Computer Engineering) Mr. Richard Joseph (Assistant Professor, Computer Engineering)
Social Media Links	<u>Facebook Link</u> <u>Instagram Link</u> <u>Twitter Link</u>
Expenditure Amount (if any)	NIL
Geotagged Pics	<u>Geotagged Pics of the BuzzPro'23</u>
Certificates	<u>Folder with Certificates</u>
Feedback	<u>Participant Feedback</u>

Detailed Report :

BuzzPro'23 is an opportunity for Second Year Computer Students to explore, investigate, analyze the experience of writing a technical paper. Entire 2nd year students having a count of around 180 participated in the event out of them, 17 groups were shortlisted in the first round. Finally, 7 groups from Second Year Computer Engineering presented their papers after the 2nd round. They were selected among 17 papers through External Reviewers comments and Plagiarism reports. It was judged by an Alumni & Industry Expert - **Ms. Sanika Chavan**, Senior Development Engineer @ Carwale and **Dr. Sujata Khedkar**, Associate Professor in the Department of Computer Engineering, VESIT.

Dear Sir/Madam,

I'm pleased to invite you for the Online Computer Engineering Department Advisory Board (DAB) meeting on 15th April, 2023 from 10:30am to 11:30am.

Please join the meeting using following link:

Google Meet Link

The main purpose of the Department Advisory Board (DAB) Meeting is to provide advice about the direction the department should follow in order to bridge the gap between Industry and Curriculum .

The Agenda of the Meeting is as Follows:

- Approval of DAB Minutes of Meeting 2021-22.
- Presentation of PAC Minutes of Meeting and Actions Taken 2022-23 .
- Approval of PAC Minutes of Meeting ,December 2022 & April 2023.
- Presentation and Approval of DAB Actions Taken 2022-23.
- Suggestions to bring about substantial improvements over our earlier performances

Find attached :

- Department Report ODD SEM 2022-23, EVEN SEM 2022-23

- [Year Book - D17A](#)
- [Year Book - D17B](#)
- [Year Book - D17C](#)
- [Wall of Fame - D17A](#)
- [Wall of Fame - D17B](#)
- [Wall of Fame - D17C](#)

There may also be some follow-up questions/discussions/Suggestions by email.
Thank you for taking the time to read this email and being a part of the Advisory Board.

Thanks and Regards,
Dr (Mrs) Sujata A.Khedkar,
Associate Professor,
Computer Engineering Department,
Vivekanand Education Society's Institute of Technology,

Importance: High

Dear Sangeetha Ma'am,

It was great talking to you this morning. As discussed, we Instrumentation team of Burns and McDonnell India are open to visit VESIT campus and have an interactive discussion with students. The main intention to have this session is to educate the newer generation engineers about Instrumentation as an engineering stream-its importance, prospects, career opportunities and career road map. We will try to have a panel with mixed years of experience to create a greater impact on the audience. You are free to select audience as you think appropriate .

For this session, Pravin Pawar(copied in this email) from Burns and McDonell India will be the point of contact to take it further from here. Pravin is our senior lead engineer and has versatile experience in the field of Instrumentation. He has been mentoring a team of junior engineers here and helping them grow in their professional journey.

Thank you for this opportunity.

Pravin: Please take it forward from here. You can connect with Sangeetha Madam,(Contact number- 9819782500) and plan accordingly.

Alumni Interaction in Instrumentation Department 2022-2023

Dear All
Greetings from VESIT !

I take this opportunity to Thank you all of you for visiting our Institute on 11th April 2023 for a Panel discussion cum Interaction session with our Instrumentation students from your busy schedule. It was a great time for all of us and also was really great interaction and sharing of your Experiences with young UG Engineering students.

I am sure this session will be very much useful for our pre final year students to concentrate on their studies and preparation for Interviews in future.

I hope we will have similar Industry Institute interaction in future.

we request all of you to take ahead following for betterment of students

- short term Internship opportunities for our students during their vacations
- Live projects if any can be given to students based on Design / Detailed Engg

awaiting your reply above.

Next year we request you to please plan your campus recruitment as early as possible .

Alumni as Judges in Electronics and Telecommunication Department 2022-23

Project Review by Alumni

As a project is an important component of the engineering syllabus and continuous assessment and proper feedback is necessary to get the desired results.

The MU syllabus for EXTC in the Sem 4 mini project is based on Arduino and Raspberry Pi applications and the Sem 6 mini project is based on FPGA hardware.

In order to get review, valuable suggestions and advice from the alumni review of Mini

Project 1A and 2A is planned as follows.

Date: 8th April 2023

Time: 9:00 AM.

Following Alumni are invited for the review.

List of Alumni Reviewers for SE and TE Projects

Dear Walsh,

Your session on "Kubernetes" in Cloud Computing Lab under Skill Enhancement Lecture (SEL), e-Disha conducted on 06th March 2023 was very well received by the class. On behalf of VESIT, I would like to thank you for accepting our invitation and sharing your knowledge with the students. We are sure that the students have benefited through your expert insight and valuable knowledge.

Looking forward to your continuous association with our institute.

Thanking you,

Dr. (Mrs.) Shalu Chopra
Head of Department,
Information Technology
VESIT, Mumbai.

Alumni Contribution in Curriculum enrichment of TE Information Technology syllabus Rev-2019'C' by Dr. Deven Shah 2022-23

AC: 29/6/2021

Item No. : 6.12

UNIVERSITY OF MUMBAI

Bachelor of Engineering

in

Information Technology

Third Year with Effect from AY 2021-22

(REV- 2019 'C' Scheme) from Academic Year 2019 – 20

Under

FACULTY OF SCIENCE & TECHNOLOGY

(As per AICTE guidelines with effect from the academic year
2019–2020)

Alumni Contribution in Curriculum enrichment of TE Information Technology syllabus Rev-2019'C' by Dr. Deven Shah 2022-23

Preface By Board of Studies Team

It is our honor and a privilege to present the Rev-2019 'C' scheme syllabus of Bachelor of Engineering in Information Technology (effective from year 2019-20) with inclusion of cutting edge technology. Information Technology is comparatively a young branch among other engineering disciplines in the University of Mumbai. It is evident from the placement statistics of various colleges affiliated to the University of Mumbai that IT branch has taken the lead in the placement.

The branch also provides multi-faceted scope like better placement and promotion of entrepreneurship culture among students, and increased Industry Institute Interactions. Industries views are considered as stakeholders will design of the syllabus of Information Technology. As per Industries views only 16 % graduates are directly employable. One of the reasons is a syllabus which is not in line with the latest technologies. Our team of faculties has tried to include all the latest technologies in the syllabus. Also first time we are giving skill-based labs and Mini-project to students from third semester onwards which will help students to work on latest IT technologies. Also the first time we are giving the choice of elective from fifth semester such that students will be master in one of the IT domain. The syllabus is peer reviewed by experts from reputed industries and as per their suggestions it covers future trends in IT technology and research opportunities available due to these trends.

We would like to thank senior faculties of IT department of all colleges affiliated to University of Mumbai for significant contribution in framing the syllabus. Also on behalf of all faculties we thank all the industry experts for their valuable feedback and suggestions. We sincerely hope that the revised syllabus will help all graduate engineers to face the future challenges in the field of information and technology

Program Specific Outcome for graduate Program in Information Technology

1. Apply Core Information Technology knowledge to develop stable and secure IT system.
2. Design, IT infrastructures for an enterprise using concepts of best practices in information Technology and security domain.
3. Ability to work in multidisciplinary projects and make it IT enabled.
4. Ability to adapt latest trends and technologies like Analytics, Blockchain, Cloud, Data science.

Alumni as Judges in Information Technology Department 2022-23

Point To be Addressed	Description
Academic Year	2022-23
Quarter	I
Date(s) of the Event	04/02/2023
Duration Of the Event (Number Of hours)	3 hours
Name and details of the Speaker	
Name and details of the Coordinator	Ms Rohini Sawant Mrs Sneha Pakle
About The Program	The Project Demo Day was an event organised for the BE students to have an interaction with the Alumni Students and get a feedback based Industrial Outlook on the current Major Projects.
Program Type: Workshop/Leadership talk/Motivational Speech/Field visit/Seminar or case study/Exhibition or Demo day/Contest/FDP/Conference/Techfest on Innovation (Choose One)	Demo Day
Program Theme: IPR/R&D and Innovation/Entrepreneurship/Startup/Design thinking and critical thinking/Incubation and pre Incubation (Choose One)	R&D and Innovation
Objective Of The Program	To provide guidance to the Final Year Students on the Major Project
Outcomes of the event (In terms of learning /Skill / Knowledge obtained)	The students have gained knowledgeable insights and guidance on the current major projects.

Alumni as Judges in Information Technology Department 2022-23

Poster for the Event/Activity

Detailed Report

The Project Demo Day was an Activity Organised for the Final Year BE Students of the IT Department for evaluation of the progress of the Major Project. The Students who have already formed their groups since semester 7 and started working on the project were expected to show complete or partial implementation of the Project as guided by the Project Guide to the Review Panel. The Panel consisted of two to three Internal facilities and an External Review who has an Alumni of our own Institute. The Alumni invited for the session included

- Riya Karia currently working for JP Morgan Chase & Co
- Priyanka Nandwani currently working for Deloitte Touche Tohmatsu Limited
- Vishal Israni
- Aarju Shaha currently working for Accenture

The Alumni guided the students on their Projects with an Industrial Perspective towards deployment and research. The session was very helpful for the students and had helped them gain knowledgeable insights and helped them channelise the further process with an Industrial orientation. The students were graded by the Internal and the External Examiner on following criterias:

**Alumni as Department Advisory Board (DAB) member in Information
Technology Department 2022-23**

**Vivekanand Education Society's
Institute of Technology**

(Affiliated to University of Mumbai, Approved by AICTE & Recognized by Govt. of Maharashtra)

Feb 25, 2023
Alumni Meet

Covid-19 has created a paradigm shift in our day to day life.

The education system witnessed a total change in the methodology of imparting education and examinations.

We are happy to state that VESIT has proved to be resilient and quickly adapted to the online method of taking lectures and practical.

University of Mumbai conducted the semester exams through online mode.

The recruitment process shifted to the online mode with proctoring.

We are proud that our students not only adapted to the change but the student council and societies came up with creative and innovative ideas to conduct online technical, cultural and certain sports events.

The college started functioning regularly in offline mode since March 2022. The recruitment process is still online but few companies are opting for a hybrid mode.

We are delighted to present a brief overview of our achievements & activities from 2020 till date

Achievements

Academic year 2019-2020

Overall Championship (First Rank) award in Engineering & Technology Category in the 13th Intercollegiate/Institute/Department Avishkar Research Convention

Education World releases an annual PAN India ranking of the top 100 Private Engineering Institutions. Education World India Private Engineering Institutes Rankings (EWPEIR) is a list preparing against the backdrop of the plummeting standards of engineering institutes. VESIT is ranked #1 in Maharashtra and #24 nationally and labelled as a "rigorously administered" institute.

The Chronicle of Career and Education (August 2019 Issue) has ranked India's best Engineering Colleges on a Survey based on inputs from Professionals, Tech Aspirants and Educators. VESIT has obtained 49th rank and an overall grade of 'A' among the top 75 Engineering Colleges in India and ranked 12th in the western Zonal listings.

Alumni Magazine 2022-23

Apart from these, our college has also been mentioned in other ranking scales in popular platforms including 'The Week', 'The Excelligent', 'Careers 360', 'India Today' and 'Times Engineering Institute Ranking Survey 2019'.

the project titled "New Hardware Methods for Extraction of Low Level Differential Signals over Wide Bandwidth with High CMRR and S/N Ratio" by Mrs. Nilima Warke, Instrumentation Dept. was selected by Nehru Science Centre as "Innovative Idea and Design Project"

VESIT is proud of our faculty members of VESIT Renaissance Cell who have developed need based technology solutions for the Institute such as Content Management System, RFID systems in library, Leaving Certificate module, Railway Concession Assistance software and Admission software teaching aid system by Electronics Dept. faculty.

Our institute has also been awarded a trophy by Mayor, Navi Mumbai for completing the river cleaning robot project sponsored by NMMC. This project was carried out by EXTC students under the guidance of Prof. Dr. Nadir Charniya.

VESIT is a proud signatory of UNPRME, an United Nations supported initiative to raise the profile of sustainability among the colleges around the world. PRME's vision is to play a key role in shaping the mindsets and skills of future leaders to work for an inclusive and sustainable global economy. VESIT as part of this, adopted five villages: AMBISTE KH, AMGAN, APTL, ASNAS and GARGAON for their development in collaboration with district administration. This initiative is under the aegis of Unnat Bharat Abhiyan scheme promoted by AICTE.

Team "Technovators" from VESIT came in the Runners-up position in the Smart India Hackathon 2019: Hardware edition. The team's selection in the finals were amongst twenty thousand other applicants in this category.

eYantra Ideas Competition is a National level competition, initiated by IIT Bombay. It conducts two main competitions every year: eYRC (eYantra Robotics Competition) and eYIC (eYantra Ideas Competition). eYantra Ideas Competition is a National level competition, initiated by IIT Bombay. It conducts two main competitions every year: eYRC (eYantra Robotics Competition) and eYIC (eYantra Ideas Competition). A team of students from VESIT won under the category of 'The Best Algorithm' in the eYantra Ideas Competition 2019.

VESIT IIC (Institution's Innovation Council) In the year 2019-20 for Quarter-I, IIC has conducted the planned activities and

Alumni Magazine 2022-23

reported to MHRD successfully on the basis of which we got 24.99/25 points and 4 star rating.

As a new initiative in Academics and Research, VESIT has become one of the Zonal Lead Partner with LeadingIndia.ai Nationwide Initiative. The mission of this initiative is to promote Deep Learning and AI skills mainstream in India. As a part of the association with LeadingIndia.AI, VESIT AI Team organized vesAlthon'19 (24-Hours Nationwide Hackathon on Artificial Intelligence), at Vivekanand Education Society's Institute of Technology, Chembur, Mumbai on 28th and 29th June 2019.

The Annual VESIT Alumni Day 2019 was organized on Saturday, 21st December 2019 at Sindhi Society Gymkhana from 7.00 pm onwards. The distinguished alumni award for the year 2019 was awarded to Mr. Jayesh Kirange-Director of a Hedge Fund Administration and Consulting company SS&C Globeop, also the Chairman and Founder of NiryaSaarathi Foundation - a non-profit, non-government organization.

Academic Year 2020-2021

Confederation of Indian Industries (CII) in association with All India Council for Technical Education (AICTE) conducted a survey to identify educational institutions that worked closely with the industries, which is the need of the hour.

We are very happy to inform you that in this survey, VESIT has been ranked in the topmost category, Platinum, in recognition of the activities conducted by the institute, which is our endeavor to make our students industry ready. This has also earned a 4.5 star rating out of 5 stars for Institute Innovation Council by the Ministry of education.

Vivekanand Education Society was ranked in the band of 26th - 50th category by Atal Ranking of Institutions on Innovation Achievements (ARIIA) under Self-Finance / Private Institutions category.

VESIT was recognized as rank 1 in private engineering institutes in Maharashtra state by EducationWorld Magazine in the Private Engineering Institutes Ranking 2020-21.

VESIT also added a Bachelor of Engineering program in Artificial Intelligence and Data Science this year.

VESIT has bagged a project of building an IT solution for operations and maintenance monitoring system of community and public toilets of Municipal corporation of Greater Mumbai. This project has got a funding of Rs. 24 lakhs from Star Union Dai-ichi Life Insurance company.

Alumni Magazine 2022-23

Three research projects from our institution were semifinalists in the Swadeshi Microprocessor Challenge (SMC). SMC is an initiative of the Ministry of Electronics and Information Technology in collaboration with IIT Madras and CDAC to provide innovative solutions for Atmanirbhar Bharat.

VESIT students who won 1st prize of Rs. 1,00,000 for Smart India Hackathon (Software). Two teams won the prizes for suggesting IT solutions for problems by the government of Puducherry and by the government of Madhya Pradesh respectively. Our students' team has reached the final stage of Smart India Hackathon (Hardware) for problem statement by NALCO.

Project Swachh was launched and a ceremony was conducted for the same. Project Swachh is a "Public-Private-User Participatory Model" proposed for monitoring of Operation and Maintenance of Public Toilets. Project Swachh is conducted by the Department of Information Technology

of VESIT with Municipal Corporation of Greater Mumbai as a knowledge partner. The CSR-Financial Partner is Star Union Dai-ichi Life Insurance Co. Ltd. (SUD Life) who proposed to provide financial assistance of Rupees 24 lakhs for the project VESIT-IT Swachh.

Overall 14 laptops were distributed of which six (06) laptops were provided by VESITAA to one student of each department respectively, one student per department was awarded Rs.25000 on 31st March 2021 in Alumni Association scholarship. Co-ordinators of the event were Dr Gresha Bhatia and Dr Manoj Sabnis. The scholarship was awarded for helping out the current VESIT students during

the COVID 19 situation through financial support and providing resources for their utilization one (01) laptop was donated by Mr. GautamMurlidhar, alumni IT department, two laptops(02) were given by Mr. Vijay Talreja, alumni Computer department while five (05) laptops were given by Mr. NirajGundealumni, Instrumentation department.

Ek Bharat Shreshtha Bharat:

The broad objectives of the initiative are as follows:

- i. To **CELEBRATE** the Unity in Diversity of our Nation and to maintain and strengthen the fabric of traditionally existing emotional bonds between the people of our Country.
- ii. To **PROMOTE** the spirit of national integration through a deep and structured engagement between all Indian States and Union Territories through a year-long planned engagement between States.
- iii. To **SHOWCASE** the rich heritage and culture, customs and traditions of either State for enabling people to understand and appreciate the diversity that is India, thus fostering a sense of common identity
- iv. To **ESTABLISH** long-term engagements and,
- v. To **CREATE** an environment which promotes learning between States by sharing best practices and experiences.

VESIT has organised many event under this initiative

India Building 2021 Building

Alumni Magazine 2022-23

Academic Year 2021-2022

The National Institute Ranking Framework (NIRF) has categorized our institute in the band of 251-300 from thousand elite technical institutions across the country. The ranking is based on varying parameters ranging from Research to Perception.

three of our research projects were selected to the semi-final round in the Swadeshi Microprocessor Challenge (SMC). SMC is an initiative of the Ministry of Electronics and Information Technology in collaboration with IIT Madras and CDAC to provide innovative solutions for Atmanirbhar Bharat. Each semi-finalists team got free access to Swadeshi Microprocessor and FPGA boards and development funding of Rs. One Lakh to develop a Minimum Viable Plan (MVP) / POC (Proof of Concept). One of these projects "Calibration systems for Nuclear Spectroscopy Applications" received a grant of Rs. 25 Lakhs and secured fourth place in the finals. The project was developed by Mr. AjitPatil, Post Graduate student of Instrumentation Dept. and Mrs. AsmaParveen, Faculty of Information Technology and was mentored by Dr. P. P. Vaidya, Dean of R&D,VESIT.We are delighted to inform you that VESIT is the only educational Institute from Maharashtra in the list of winning Institutes.

Mr. AjitPatil of M.E Instrumentation and Control on receiving "Runner up Student Research Forum Award of Rs.25000/-" for Design and construction of Precision and Dr. J. M. Nair13 Sliding Pulse Generator in "The International Conference on VLSI Design and Embedded Systems (VLSID2022)"
The Project titled "Prime Era – One Place for Learning Fundamentals of Regional Languages" from Computer Dept. Mentored by Mrs. InduDokare won first prize at VISAI 2022 International Project Competition – A Virtual 12th International Project Competition and Exhibition based on Sustainable Development Goals organized by Vel Tech University

We are also proud of our Alumni Mr. Suraj Nair (Computer Engg. Batch 2010) a Squadron Leader for being conferred the coveted "Vayu Sena Award" on 26th January 2022 for his bravery and Mr. AnupMhatre (Elects. & Telecomm. Engg. Batch 1989-99) for taking charge as Director, Planning & Strategy Chapter Management & Operations of MSME & Startups Forum-Bharat.

Mr. VenkateshArumugam, student from MCA Dept. was selected to represent the Mumbai University at All India Inter-University Fencing (Men & Women) Competition 2021-22 and Ms. JanhaviKhanvilkar, a second year student of AI & DS Branch was selected to represent Mumbai University at All India Inter-University Rifle/ Pistol (Men & Women) Shooting Championship 2021-22 which was held at ManavRachana International Institute of Research & Studies from 31st March to 3rd April, 2022.

VESIT has been awarded as 'Leading and Innovative Engineering & Technology College Of The Year 2021 - Maharashtra' in the category of Quality Education, Leading Infrastructure, Outstanding Administration and Placements. The award was presented by BeginUp Research Intelligence Pvt. Ltd

at

Alumni Magazine 2022-23

the National Education Excellence Awards and Conference 2021.

Our Principal, Dr J. M. Nair was also honoured with an award for 'Outstanding Contribution in Educational Domain' in the Administration and Research category at the same conference.

On the occasion of International Women's Day, Industrial Automation (IA) presented a special feature "Women of Substance" celebrating the women in leadership, achieving an equal future in a Covid 19 world. The IA magazine featured our honourable principal Dr. J. M. Nair, along with 17 other leading women in their March 2021 edition.

The Unnat Bharat Abhiyan team had sent 4 proposals for villages (Aamgaon, AmbisteKh, Gargaon and Aapti) under "Technology development proposals" in the academic year 2020-2021. Estimated costing of each proposal was Rs.1,00,000. After the village survey conducted in 2019, the team is glad to share that the Unnat Bharat Abhiyan team at VESIT received Rs 50,000 on 1st June, 2021 for the proposal "Surya Sakshamta: PragatiKaSulabh Marg" from the government of India for village development.

Dr. RanjanBala Jain (Professor, Department of Electronics Telecommunication) was felicitated with the Dr. A P J Abdul Kalam Teachers' Excellence Award 2020.

and

VESIT is now a Network Institute with the Indian Space Research Organization (ISRO) from 16th November 2021, under the Indian Institute of Remote Sensing (IIRS). Dr. ParmeshwarBirajdar (Assistant Professor, Department of Electronics Engineering) is the coordinator for IIRS-ISRO Outreach Programme. Through the EDUSAT Programme initiative, live online courses will be conducted by elite scientists from ISRO on our Campus. Students and faculty can now register in ISRO certified E-learning courses, which will help them to enhance their skills for their professional careers in remote sensing, geospatial, and space technology applications using online simulated learning content.

Academic Year 2022-2023 (As on Feb22, 2023)

VESIT is Accredited with A grade by Nation Assessment and Accreditation Council (NAAC)

Alumni Magazine 2022-23

Survey was conducted by the delhi-based centre for forecasting and research pvt. Ltd (c fore), one of the country's premier market research and public opinion polling companies.V.E.S. Institute of Technology (VESIT) - RANK 1 in Maharashtra State

Our institute participated in CiiA Inter Institution student innovations exhibition & competition held on 29-30 March 2022 at Mumbai with the highest number of exhibits approved by CiiA.

National Institutional Ranking Framework (NIRF) Ranking, Ministry of Education, GOI, VESIT in Rank Band 250-300 (Total Participants Engineering Institutes – 1143)

Dr. ParmeshwarBirajadar, Assistant Professor, Electronics Engineering appointed as a Member of the Technical Advisory Committee, for the project of Computerization and Digitization of all the DFSL laboratories of Maharashtra State by Directorate of Forensic Science Laboratories (DFSL), Home Department, Government of Maharashtra.

Dr. NupurGiri , HOD, Computer Engineering , selected as an Expert for Mobile Application Development for WorldSkills Competition 2022 (WSC 2022) which was held at South Korea.

It is a moment of pride that we have added on to the winning history of VESIT, that 4 out of 4 teams have won the Grand Finale of Smart India Hackathon 2022.

Two day's Online National Level Technical Conclave "Tech4Good 2022"

Directorate of Technical Education Maharashtra (DTE) and Joint Director of Technical Education regional office (JTDTE) Mumbai organized a two-day Online National Level Technical Conclave "Tech4Good 2022" with the theme "Advanced Technological Innovations for Societal Good" in collaboration with Vivekanand Education Society's Institute of Technology in association with VESIT IIC, VESIT IQAC, and Dark Horse Digital Projects. Technical Workshops, and Invited Talks were organized as part of the event to highlight innovative ways of using technology for societal benefits.

SnehaKarthik - D17C, MrunmayeeWaingankar D17C won 1st Runner up position in NOMURA Kakushin coding challenge

Alumni Magazine 2022-23

Mastek and Majescoorganised "Project Deep Blue", to encourage engineering students to solve social problems using coding skills and come up with meaningful technical solutions. Semi-finals were held on 9th April, 2022. Out of the 45 teams 6 teams were from VESIT. Then from the 45 teams only 7 teams qualified for the Finals.

Finals were held on 16th April, 2022. PrathmeshKesarkar, Aaftab Shaikh, KunalKhandelwal&SurajMoolya 3rd place winners

Three days Entrepreneurship Awareness Camp was organized during 14th -16 March 2022 in association with Maharashtra Centre for Entrepreneurship Development, an autonomous society working under Directorate of Industries

Government of Maharashtra. Total 53 students and 10 faculty members were attended the program.

Training & Placement Cell updates

Online teaching, learning, assignments, and tests are becoming more common in the sphere of education. A new standard was set with regard to the entire placement procedure, and the recruitment process has also undergone significant modification. Registrations, aptitude tests, technical and coding assessments, and group discussions comprise the entire recruitment procedure. Few companies conduct technical and personal interviews online, and on the other side, few companies prefer completely offline mode only. We are pleased to report that the

Alumni Magazine 2022-23

entire placement workforce, as well as the placement coordinators and students, quickly adjusted to the new standards and conventions.

Percentage of job offered for registered students for last three academic year

	AY:2019-2020	AY:2020-2021	AY: 2021-2022
TOTAL	86.29	97.07	93.98
ETRX	70.78	86.81	80.00
CMPN	118.78	117.16	135.64
INST	72.73	60.71	90.00
EXTC	54.59	91.36	92.96
INFT	100.00	98.51	123.19
MCA	89.91	89.13	65.83

So far, the 2022-2023 placement has been promising. 62* companies visited our college (many are in line) making 475 offers to aspiring students as on Feb 15, 2023. The highlight of the year was that JPMC, our dream status recruiter, offered 41 offers with 17.75 LPA through the Code for Good contest this year. Dolat Capital and Forcepoint offered 14.5 LPA, ISS offered 13 LPA, and Barclays offered 12.67 LPA. Accenture, Capgemini, LTI, TCS, Quantiphi, MAQ Softwares, and other companies have continued to offer a differential remuneration package based on student performance ranging from 4 to 7.5 LPA.

Companies like Apport Solutions, Barclay India, Duck Creek Technologies, Clariant Ltd, Kotak Bank, Kotak Securities, Pay Nearby, etc. continued their support this year too. Companies like Fynd, ITC Infotech, Oracle, IIFL Livelong, Asian paints, Impact sure are some of the new recruiters who visited for the first time and offered placement opportunities to our students. ExxonMobil, another dream core company visited this year offered 3 students with CTC 11.41 per annum.

This year, more core instrumentation firms continued to approach us for recruiting, and we anticipate that many instrumentation students will be placed in core instrumentation organizations by the end of the academic year.

Placement Status 2022-2023 Batch (As of 15th Feb 2023) *

* Placement for 2022-2023 batch is still going on .

Faculty Update

We are pleased to inform you that the following faculty have completed their Ph.D since Jan 2020 till date. Total no of Faculty with Ph.D has increased to 46 and 16 faculty are pursuing their Ph.d

Dr. (Mrs.) Nandini Ammanagi
Dr. (Mrs.) Sharmila Sengupta
Dr. Abhay Kshirsagar
Dr. (Mrs.) Dhanamma Jagli
Dr. (Mrs.) Sujata Khedkar
Dr. Dashrath Mane
Dr. (Mrs.) Meenakshi Garg
Dr. (Mrs.) Monali Chaudhari
Dr. (Mrs.) Rohini Temkar
Dr. (Mrs.) Nilima Warke
Dr. Prashant Kanade
Dr. (Mrs.) Sangeetha Prasannaram
Dr. (Mrs.) Mona Deshmukh
Dr. (Mrs.) Jayamala Adsul
Dr. (Mrs.) Ravita Mishra
Dr. (Mrs.) Kadambari Sharma
Dr. (Mrs.) Rasika Naik
Dr. (Mrs.) Naveeta Kant

The following staff member have retired after long years of dedicated and committed service to VESIT

Teaching Staff :

1. Nishi Tiku : 31/03/2020
2. V.M. Joshi : 31/05/2020
3. Shoba Krishnan : 31/10/2021
4. Dr. Ramesh Kulkarni : 31/05/2021
5. Smriti Jangle : 31/08/2022.

Non Teaching Staff :

1. S.K. Dhaneshwar : 29/02/2020
2. B.M. wadkar : 31/05/2021
3. Maheshwari S. : 31/12/2021
4. K.M. Sreenivasan : 31/05/2021
5. Hira Wadhvani : 31/07/2021

Alumni Magazine 2022-23

6. KundanSingh : 30/06/2021
7. Suresh Kamble : 30/06/2021
8. MeenaJagasia : 30/06/2021
9. Asha Jadhav : 30/06/2021.

Course Update

VESIT has started a new Branch Artificial intelligence and Data Science (AI&DS) from the academic year 2020-2021. The coming academic year (2023-2024) will witness the first outgoing batch of AI&DS students

From this academic year the name of two existing courses has changed as follows

1. Electronics Engineering Changed to Electronics and Computer Science
2. Instrumentation Engineering Changed to Automation and Robotics

Current Intake Academic year 2022-2023 for B.E has increased from 600 to 720.

Electronics and Computer Science: 60

Computer Engineering: 180

Automation and Robotics: 60

Electronics and Telecommunication: 120

Information Technology: 180

Artificial Intelligence and Data Science: 120

Master's in Computer Application: 120

M.E Electronics and Telecommunication: 06

M.E Information Technology: 06

The expansion work of infrastructure is in progress and we will soon have classes and labs to accomode the increased strength.

Appeal to Alumni

VESIT would like to put on record the whole hearted support given by the Alumni to conduct the V-Reach sessions. We appreciate and thank all alumni for the valuable interaction through these sessions. We urge more of our Alumni to volunteer to guide the budding engineers to reach higher level of excellence.

Alumni Magazine 2022-23

The students of first batch of Artificial Intelligence & Data Science branch are currently in the final year and are getting ready for campus placements. We request the alumni to share contact details of companies in this domain to help students get placed in core domain of studies. We also would like to increase the number of companies visiting us. Kindly forward the contact details to ppc@ves.ac.in

A small step from your side will be giant leap for branding VESIT and improving the career prospects for the students

We wish our Alumni entrepreneurs to help us in development of entrepreneurship environment at campus and to contribute in process of creating future entrepreneurs from VESIT.

Requesting all entrepreneurs & alumni to connect with Institution Innovation Council (IIC) & entrepreneurship cell to promote innovation, research & incubation activities at VESIT, kindly contact tpo@ves.ac.in/ nadir.charniya@ves.ac.in for the same.

Wishing you all good health, bright career and a secure future.

We wish our newly wedded alumni a very happy and prosperous Married Life.

Stay Connected.....!

Alumni Association Report 2022-23

VESIT ALUMNI ASSOCIATION

Report on the Alumni Day - 25th February 2023

The Alumni day for VESIT was organized by VESIT Alumni Association (VESITAA) on Saturday, 25th February 2023 at VESIT Second Floor-Amphitheatre, Hadas Adwani Memorial Complex, Colaba-Colony, Chembur-Mumbai from 6.00 pm onwards.

The number of registrations for the event were around 150. The day also marked the Silver Jubilee celebrations for Batch 1995, 1996 & 1997. The function was presided by Managing Trustee Shri. Boolani sir, Principal Dr. Mrs. J. M. Nair, Vice Principal - Dr. Mrs. Vijaylakshmi, Retired Teaching (Mrs. Shoba Krishnan, Mrs. Sumi Jhungle, Mr. V. M. Joshi) and Non-Teaching staff of the college (Gadgil), VESIT Alumni Committee members, Heads of Departments, Deputy Heads of Departments and Senior faculty members from all departments. The event started by lighting the lamp by the Principal Dr. Mrs. J. M. Nair, President of VESIT Alumni Cell Mr. Vijay Talreja and other dignitaries present for the function welcoming the alumni by the Alumni President Mr. Vijay Talreja. A brief report on the achievements and developments of VESIT in the year 2022 was given by Principal Dr. Mrs. J. M. Nair. The unveiling of "WAVES" magazine was done by President of VESIT Alumni Cell Mr. Vijay Talreja and shared with all the Alumni committee members on stage. Managing Trustee Shri. Boolani sir addressed the gathering with his noble thoughts and felicitated all the Retired Teaching and Non-Teaching staff members with Shawl, Shreephal and Memento.

This was then followed by a live counters for dinner where the alumni networked together with friends and Professors.

Prepared By
Dr. Mrs. Nandini Arundhanagi
