Message from Department

"Arise, awake, and stop not till the goal is reached "

- Swami Vivekananda

The inspirational shloka is what, we at Department of MCA practice and preach. Today, every nation is thriving on technology to generate economy, employment all leading towards a smart lifestyle. Technology has so much to offer and everyday its potential is tested to new limits. Starting from smartphones to wake you up, fitness bands to keep you fit, taken in this direction to promote research innovation and development. Every attempt has been made to motivate students and inculcate the out of the box thinking so that they can solve the real world challenges. The newsletter highlights the efforts taken by MCA department taken in this direction.

Prof. Sangeeta Oswal
sangeeta.oswal@ves.ac.in

Vision of the Department
⇒ Towards leading the way in area of Computer Application to train and nurture the Students to become successful Technocrats thus benefiting the Society and Nation.

Mission of the Department
⇒ To provide opportunities to Students so that they understand the Theoretical Principles and apply them.

⇒ To enable the Students to continually master the evolving Tools, Techniques, Trends in Technology and Management and effectively put them in practice in a cost effective manner.
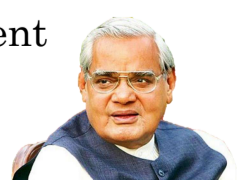

Academic Excellence

Results of University Examination held in December 2018

RESULT ANALYSIS 2018-19 (ODD SEM)

	SEM I	SEM III	SEM V
APPEARED	120	109	112
PASSED %	68.33	78.9	94.64
% OF STUDENT WITH 60% & ABOVE	60.19	65.14	77.68

TOPPERS

∞ **SEMESTER 1:**
   MEGHA RAJAN - 9.38
   PRIYAL DANANI- 9.07
   SAMIKSHA DHAVALE-9.07

∞ **SEMESTER 3:**
   DALAL BHUMIKA - 9.29
   SONI JUHI - 9.21

SEED IT IDOL TEST

Universities and colleges are doing the noble work of empowering individuals thereby building great society and nation for years. They have played an instrumental role in boosting India's GDP growth by creating knowledge workers through formal education. Colleges and University endeavour into formal education which prepares a candidate on fundamentals of the subject matter like technology, engineering or finance. As new technologies are coming up, old ones are becoming obsolete at a faster pace and the time available to learn these new technologies and become industry-ready is very short. Keeping in mind the above facts, SEED IT Idol TEST is arranged in association with Mumbai University for the colleges in Mumbai.

SEED IT Idol is designed with following objectives.

- To judge and reward knowledge of student – C programming and Computer fundamentals.
- To make them aware about the job opportunities and skill requirement in industry.
- To make them aware and motivate them about the various tests which they need to face in future as a part of their assessment.

The students of first and second year participated in the first round of IT IDOL test was comprised of objective questions of *C programming and Computer fundamentals*, by Seed Infotech, was scheduled at VESIT on 8th March, 2019. The second round which was comprised of an online test of 30 minutes was scheduled on 27th March 2019. Third round of test was conducted in the Mumbai University Campus at Kalina, on 28th March 2019.

The medal of merit was rewarded to *Nine* students from the department of MCA.

The Medal of Merit winners

First round test

Students who received the medal of merit from First Year :

- Riteshkumar Yadav
- Pawan Shadija
- Samiksha Dhavale
- Pranav More
- Tanvi Jakhadi
- Pooja Gupta
- Sneha Hirnaik
- Richa Manchanda
- Vikrant Dharap

-By Prof. Ruchi Rautela

"Our aim may be as high as the endless sky, but we should have a resolve in our minds to walk ahead, hand-in-hand, for victory will be ours. "

Student Endeavour

Oracle Academy :

Oracle Academy collaborates with organizations in nearly 100 countries to support thousands of educational institutions and millions. The departments of Computer Engineering, Information Technology and MCA come together to enable students to complete the course in a smooth manner. For all the support and assistance, the organizing team set up followed by the *Patron*.

In MCA Department 84 Students enrolled for Java Programming, Database Design and Programming with SQL, APEX – Application Development Foundations, Artificial Intelligence with Machine Learning in Java, Java Foundations, Programming with PL/SQL.

Oracle Exam

Toppers of MCA :

- ♦ Rishabh Singh
- ♦ Onkar Sherkar
- ♦ Sagar Patil
- ♦ Arunima Nair
- ♦ Hitendra Chavan
- ♦ Bhumika Dalal
- ♦ Manish Dixit
- ♦ Ankur Deshmukh
- ♦ Swati Gayakwad

-By Prof. Dhanamma Jagli & Prof. Ruchi Rautela

Co-curricular

Technology Day

Institution's Innovation Council conducted Technology Day to enhance technological skills of students, It was conducted on 20th March 2019 at V.E.S.I.T Auditorium & Amphitheater. It was organized by MCA, Computer and IT Departments

Events Organized

- ♦ *"Make a Pitch"*, where students were given the opportunity to tell about their start-up ideas. The event was organised to understand marketing strategies and product selling techniques Where one of the student managed to produce hand gloves which are friendly with dumb and deaf students and the same product was marketed in the event with appealing pitch.
- ♦ *"Panel Discussion",* which was conducted in between honourable guests and teachers.

- By Prof. Geocey Shejy & Prof. Dhanamma Jagli

S.P.I.C.E.

Students Personality, Intellect & Creativity Enhancement or SPICE was formed to bridge the gap between the college syllabus and the placements. SPICE conducts aptitude test, sessions by experts and ex-students to make students understand the aptitude level of dream companies as well prepare them for such placements in both aptitude and interviews.

Activities Conducted:

Online Aptitude Test

Aptitude test was an online activity, where students were supposed to solve a 25 mark question paper. This activity was conducted from 17th to 23rd January, 2019 for first year and second year.

"We hope the world will act in the spirit of enlightened self-interest."

Top scorers from First Year for First Aptitude Test :

- Vishal Kshirsagar
- Devansh Tailor
- Shraddha Rai
- Rushabh Uchibagle
- Yamini Agrawal

Top scorers from Second Year for First Aptitude Test :

- Digvijay Jaiswar
- Vikas Chandlekar
- Dimple Likhar
- Rishabh Singh
- Swati Gayakwad

The second online aptitude test was conducted on 3rd March, 2019.

Top scorers from First Year for Second Aptitude Test :

- Swati Mishra
- Aakash Gupta
- Tanwi Jakhadi
- Sneha Koottampallil
- Jinang Vora

Top scorers from Second Year for Second Aptitude Test :

- Aishwarya Silwal
- Digvijay Jaiswar
- Juhi Soni
- Anuja Pawar
- Mandar Mayekar

Intern Interaction

The SPICE committee kicked off the new semester by conducting an *"Intern Interaction: Placement Talks"* for the students of first year on 19th January, 2019. The students of the third year, who are currently interning at some of the dream companies shared their experiences with their juniors. The session was addressed by Shruti Maheshwari, Jay Jethva and Abhijeet Salunkhe. All three had been placement coordinators and thus had good insight into how the placement process works.

Placement Talk

Programming Aptitude

The SPICE committee conducted an *online Java programming test* for the students of second year, first shift on 4th February, 2019. The aim of the event was to test the students' efficiency in understanding the language.

Top three rankers:

- Prajwal Jumde
- Suyash Kholapure
- Bhumika Dalal

Technical Mock Interviews

The SPICE committee organized a Mock Interview for the second year students. The aim of the event was that the students could experience how the interviews are conducted. The section of the placement process this event focused on was the Technical Interview round. The students were told to pre-register themselves for the event and SPICE got an overwhelming response. The students had to follow the usual interview etiquettes and also prepare for the interview as if they were real. They were evaluated on the basis of five parameters: communication skill, how they presented themselves, their technical knowledge, their behavior and their resume. The event took place on 24th April, 2019 throughout the day according to the time slots assigned.

Best performers :

- Ankur Deshmukh
- Ravikumar Soni
- Hemakshi Naik
- Sharique Sayed

"For development, peace is essential."

Pranic Healing Seminar

In today's hustle-bustle we often forget to take care of ourselves. And our mental wellness is just as important as our physical health. Keeping that in mind the SPICE committee organized a seminar for the first year students on 2nd April, 2019. The chief speaker of the seminar was Dr. Pratima Marchand. Dr. Marchand has long been a part of an organization "Pranic Healing". The organization focuses on the healing of the soul and impart the knowledge on the importance of mental wellbeing. Dr. Marchand along with some other patrons of the organization shared their personal experiences with the students. Students were asked to participate in the meditation activities and also some lucky students got their aura measured.

Dr. Pratima Marchand

- By Prof. Nishi Tikku & Prof. Dhanamma Jagli

E - Cell

The VESIT *Entrepreneurship Cell* organized *E-SUMMIT 2019*. The aim of this event was to provide a platform to the individuals with creative minds and productive ideas, and the guidance they lack to turn their innovative ideas to success. It was conducted from 18th and 23rd March, 2019.

Events Conducted:

Group Discussion

E-Cell council arranged a Group Discussion event with the objective of improving communication skills and to increase the level of confidence of an individual while having communication in the group. It was conducted on 18th March, 2019.

Participants From First Year :

♦ Vishal Bhandari   ♦ Bhavish Kukreja

Embark

Entrepreneurs from various domains, having decades of industry experience, were invited as a speaker.

♦ A seminar was conducted by *Parth Jain*, a Co-Founder at *StudySid* and a *Business Develop Consultant* on 18th March, 2019.

♦ A workshop on *'Fear Of Failure'* was conducted by *Kala Diwanji*, a Creative Facilitator and a TedX Speaker on 18th March, 2019.

♦ A seminar was conducted by *Vivek Singh*, a CEO at *GyaanAngels*, on 19th March, 2019.

♦ A seminar was conducted by *Madhura Bachal*, a *YouTuber - Madhura's Recipe* and an *Entrepreneur,* on 19th March, 2019.

♦ A seminar was conducted by *Uma Venkataraman*, a CEO at *Ixsight* Technologies 19th March, 2019.

Uma Venkataraman

Embark Seminar

"Violence does not contribute to anything. "

Make A Pitch

E-Cell council has also arranged an event called Make A Pitch with an objective of developing marketing skills and strategy within the students. This event highlighted the beauty and power of presentation and how you can make magic out of nothing. It was conducted on 19th March, 2019.

- By Prof. Sunny Nahar & Prof. Meenakshi Garg

Skill Enhancement Program

Technical tests under Skill Enhancement Program (SEP) were conducted for students of MCA which was mainly focused on improving their understanding of the subjects taught in the semester.

The test was conducted for first year MCA in second semester, on the 11th April, 2019 and for second year MCA in fourth semester, on the 12th April, 2019. The tests were conducted online. The questions were application-oriented based on the university syllabus which was intended to enhance their technical skills. The tests were well received by the students which will help for their academic excellence as well as their placement activities.

Top scorers from First Year :

- Lakshmipriya Kolathappilly
- Nishant Bhandary
- Kakshik Patil
- Bhavis kukreja
- Prateek Gupta
- Rohan Kumbhare

Top scorers from Second Year :

- Omkar Narvekar
- Akshay Patil
- Ashwinikumar Tiwari
- Juhi Soni
- Nikhil Sawant
- Aishwarya Silwal

- By Prof. Monali Rajput & Prof. Vaishali Gatty

LOOKING BEYOND SYLLABUS

It's an Institute level competition with the purpose of motivating students to come up with new project ideas, which can be converted into real time applications or products. To provide innovative and effective solutions to benefit our society (like healthcare, agriculture, smart mobility etc.). Various criteria like direct relevance to the core problem/addressing the core problem to the society, uniqueness of the proposed solution, Ease of implementation are checked for each project. The second round was conducted on 2nd February 2019.
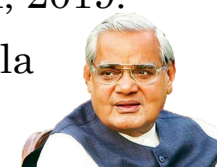

Participants from MCA :

- Ron Paul , Akshat Upadhyay from Second Year submitted project on *"DL Scanner for Petrol Pumps"*.
- Yash More, Shraddha Vichare from First Year submitted project on *"Obstacle Detection And Avoidance Car"*.
- Atul Wagh, Vishal Khsirsagar from Second Year submitted project on *"Life Saver"*.

- By Prof. Monali Rajput & Prof. Ruchi Rautela

Expert Lecture

- Mr. Amlendu Choudhary Principal Engineer from Diebold Nixdorf conducted an expert lecture on *"Understanding OS Concept on Linux"* for first year on 23rd February, 2019.

- Mr. Dilip Mansukani Senior Technical Lead from DieboldNixdorf conducted an expert lecture on *"Network Tools and Utilities"* for first year on 23rd February, 2019.

- Mr. Nilesh Bane conducted an expert lecture on *"Pentaho software"* for second year on 23rd February, 2019.

- Mr. Amlendu Choudhary Principal Engineer from Diebold Nixdorf conducted an expert lecture on *"Face Recognition: Algorithms and Applications"* for second year on 29th and 30th March, 2019.

- By Prof. Geocey Shejy & Prof. Ruchi Rautela

"No guns but only brotherhood can resolve the problems. "

Degree Distribution ceremony

Degree Distribution Ceremony

A *degree distribution ceremony* for the students of the Department of MCA was conducted on 23rd February, 2019. The chief quest for the ceremony **Mr. Samir Patankar** addressed the gathering with valuable inputs for the Professional life of the students which was followed by the degree distribution. A total of 63 students from third year MCA attended the ceremony.

- By Prof. Sangeeta O, Prof. Indira B, Prof. Ramesh S, Prof. Manju A

Extra-curricular

Outdoor Spurthi

Sphurti is the college sports event where each class from different department compete with each other for various indoor and outdoor sports events start from 7th January, 2019. OUTDOOR SPHURTI included the sports events like cricket, football, kabaddi, volleyball, throwball, handball, athletics and dodgeball.

Winners:

♦ Nafis Khan, Yash More, Siddhesh Tambe, Nikhil Bhoite, Shailesh Prasad, Bhavesh Mandavkar, Siddhest Tate, Ritik Verma from First Year won first prize in Kabaddi team event.

♦ Anuja Pawar, Aishwarya Silwal, Neha Patil, Amita Hotsinghani, Roma Motwani, Punya Jadhav, Ashwini NImbalkar, Jui Vichare from Second Year came runners-up in Throwball team event.

- By Dr. Shiv Kumar Goel

UTSAV'19

Group Dance By Second Year

Solo Dance by First Year

Mehandi Contestants

UTSAV is the Annual College event that begins in February and ends in the middle of March. Duration of Utsav was from 12th March to 16th March, 2019. It is the time when the students who participated in intra college events are felicitated and given awards.

♦ Dimple Panchal from Second Year won First prize in Mehendi Making.

♦ Vaishak Nambiar, Pratibha Pal, Vinay Pednekar, Vinay Pawar, Sanica Kamble, Meghna Patil, Akshata Bahulekar from Second Year won Second prize in Group Dance .

♦ Nikhil Bhoite from First Year won first prize in Solo Dance.

Social Responsibility Team

BLOOD DONATION CAMP

A blood donation camp was organized by SoRT VESIT on 22nd February 2019 blood donation camp was organized in association with Shri Hashu Advani Memorial Foundation Health Care & Thalassemia Center. A team of 6 doctors and assistants came for collection of blood. There was an overwhelming response from students and other donors a total of 162 units were collected in the camp.

By Prof. Dhanamma Jagli Prof. Ruchi Rautela

Blood Donation Camp Volunteers

FAREWELL'19

Games for Third Years

Group Dance by Second Years

Second year students bade farewell to their seniors in an eventful Program . The event was held on 20th April, 2019 at Amphitheatre VESIT. The event included various performances by First year, second year and third year students as well. Several games were also held for the outgoing batch. The event was hosted by second year MCA students.

By Prof. Dhanamma Jagli Prof. Ruchi Rautela

Faculty Pursuits

Courses, Workshop and Orientation

♦ Mrs. Barnali Saha attended one week **" STTP Course ON R PROGRAMMING,PYTHON AND PEARL "** at K J Somaiya Institute of Engineering and Information Technology (KJSIEIT) on 2nd of January, 2018.

♦ Mr. Sunny Nahar and Mr. Ramesh Solanki attended one week STTP in collaboration with Capgemini on **"Green Internet of Things"** from 2nd January to 8th January, 2019 at VESIT.

♦ Mr. Ameya Parkar attended Exam Reforms Seminar on 1st February 2019, at COEP, Pune.

♦ Mrs. Sangeeta Oswal organized a workshop on **"Artificial Intelligence and Deep Learning with NVIDIA Lab**" in association with **LeadingIndia.ai** from 16th to 18th February 2019, at VESIT.

♦ Mrs. Meenakshi Garg attended a workshop on **"Artificial Intelligence and Deep Learning"** conducted by leadingindia.ai and Bennett University, from 16th to 18th February 2019, at VESIT .

♦ Mr. Ramesh Solanki, Mr. Ameya Parkar, Mrs. Geocey Shejy, Mr. Sunny Nahar , Mrs. Indira Bhattachriya attended a one day workshop on **'Moodle Learning Management System'** on Friday, 1st March 2019 for Teachers and System administrators/Computer technical persons. This workshop was organised by the Teaching Learning Centre under ICT, a scheme of **'Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching' (PMMMNMTT),** at VESIT.

"Truth cannot be hidden for fear that somebody would exploit it "

- Mr. Ramesh Solanki was course coordinator for one day workshop on **"Moodle Learning Management System"** on Friday, 15th March 2019 for Teachers and System administrators/Computer technical persons. This workshop was being organized by the Teaching Learning Centre under ICT, a scheme of **'Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching' (PMMMNMTT)**, an initiative of the Ministry of Human Resource Development, Government of India. This workshop was conducted by IIT Bombay, through 106 remote centers.

- Mr. Sunny Nahar, Mrs. Vaishali Gatty Completed half week FDP on **"Effective Engineering teaching"** in April 2019, Sponsored by IITB and AICTE .

- Mr. Sunny Nahar, Mrs. Vaishali Gatty Completed 1 week FDP on **"Roadmap for Patent Creation"** in April 2019, sponsored by IITB and AICTE.

  - By Prof. Sunny Nahar & Prof. Meenakshi Garg
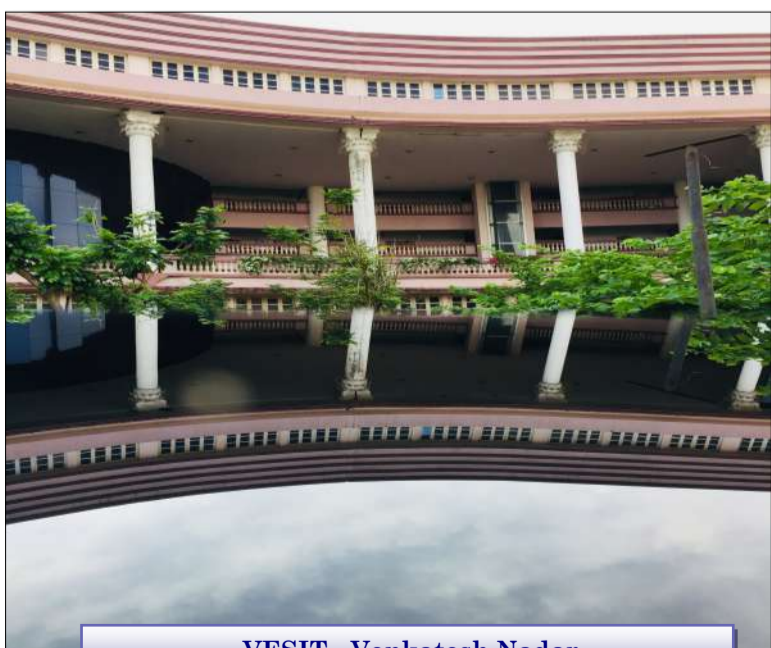

Certification Programs

- Mrs. Vaishali Gatty Completed NPTEL certification on **"Effective Engineering teaching"** and **Roadmap for Patent Creation"** with Elite +Silver(5% Topper) Category and with Elite +Silver Category in April 2019 respectively.

- Mr. Sunny Nahar Completed NPTEL certification on **"Effective Engineering teaching" and "Roadmap for Patent Creation"** with Elite Category in April 2019.
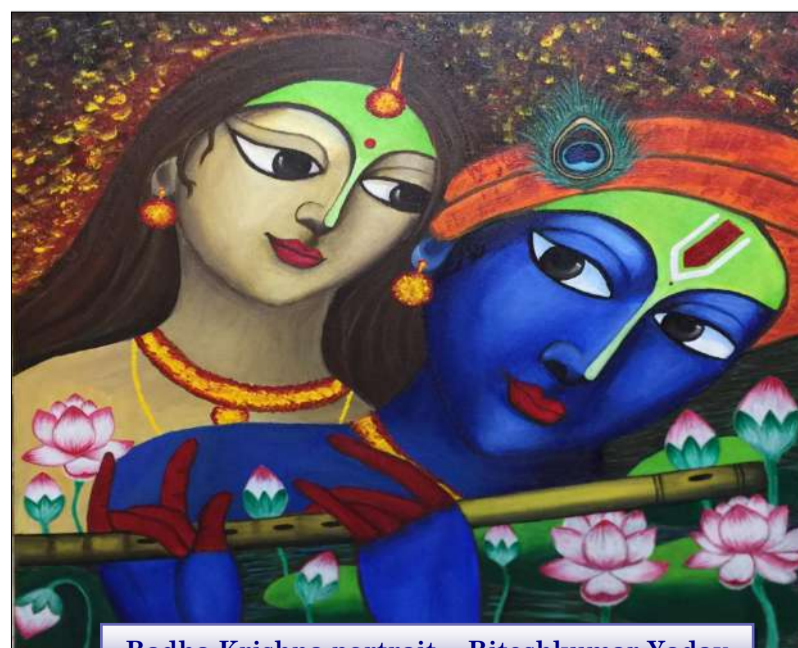

Other Activities

- Mrs. Geocey Shetty attended **DSCI (Digital Security Council of India),** Mumbai Chapter meeting conducted as part of World Data Privacy Day on 28th January 2019 at Vodafone House, Lower Parel.

- Mrs. Ruchi Rautela attended a talk on **" A Novel System for Emulation of Partial Discharge to aid HV Equipment Breakdown Diagnostics ",** organized by VESIT Research Forum on 12th March 2019

- Mrs. Ruchi Rautela attended a talk on **"PRANIC HEALING"** by Dr. Pratima C. Merchant conducted by S.P.I.C.E. Team on 2nd April 2019.

- Mrs. Indira Bhattachariya , Mrs. Ruchi Rautela, Mr. Sunny Nahar, Mrs. Meenakshi Garg , Mrs. Monali Rajput, Mrs. Vaishali Gatty attended IEEE Xplore training on **"Effectively and efficiently utilizing the IEEE Xplore platform for academics & research"** on 12th April 2019 at VESIT Library.

- Our distinguished faculty published one journal and received grant by Mumbai University for one Research Project.

  - By Prof. Sunny Nahar & Prof. Meenakshi Garg

"No guns but only brotherhood can resolve the problems."

Ek baap ki kahani

Ye baat tabki hai jab duniya mere liye soi hui thi...

Nanhe se sharir par kapde pehenata tha vo..
Tyohar ki samaj na thi,
fir bhi mere saath manata tha vo..
Ghar me khaane ki taklif thi,
Par FD me paise jod raha tha...
Uske sapne adhure the,
par mere liye bunn raha tha...

Yeh baat tabki hai jab duniya mere liye soi hui thi..

Waqt kaata, saal kaata,
tab bhi sab anjaan tha..
Lekin me fir bhi uski jaan tha..
Bistar ko Gila karna,
ya raato ko rona tha..
Ek baap hi tha,
jisse chhina maine sona tha..
Kabhi khud se pareshan,
kabhi duniya ka sataya tha,
Ek baap hi tha,
jisne mujhe rote hue hasaya tha..

Shabdo aur alfaazo se to Gunga tha me,
Par Vo mere ishare samaj jaata,
Iss baat se hairaan tha me,
Ki vo mujhe kaise padh paata?

Me bhi ab uske laad pyaar me dhalne laga tha,
Ghar se nikalte uske kadmo pe nazar rakhne laga tha...
Darwaze ki chokhat ko taakta rehta,
Hoti thi dastak,
Aur walker se jhaakta rehta..

Vo Bachpan ab shayad so chuka tha,
Me jawaani ki dehliz pe ab kadam rakhne laga tha..
Ussi kurbaani ko uska farz samajne laga tha..

Vo bachpan tha jo guzar gaya,
Vo rishta tha jo sikud gaya..
Me uss kurbaani ke boj ko utha na paya,
Isiliye usse seher me kahi durr chod aaya...

Naye seher ki hava muj par chadne lagi thi..
Baap ki har nasihat,
mujhe bachpana lagne lagi thi...

Ab gadi ka kaata fir palat chuka tha,
Kal tak me kisi ka beta tha,
Aaj baap bann chuka tha..

Ab mujhme ek jazbaat umadne laga tha,
Kal kya guzri hogi mere baap par ye samajne laga tha...

Abhi bhi waqt bacha tumhare paas kuch khaas hai,
Tabtak, jabtak baap ka saaya tumhare saath hai...

Sab gille shikhwe bhulakar,
gale se laga lena..

Kyuki,
Kal jo uska tha,
Kal shayadd vo tumhara hoga,
Aaj to baap hai,
kal shayad saath na hoga...

"The success of family welfare depends on giving women complete freedom with their lives."

Alumni Interaction

By Ritik Verma & Yamini Agrawal

"All is Well"

Kapil Trivedi is a VESIT alumni who graduated in the year 2018. Kapil was the president of the student council. Kapil was a part of the team that represented VESIT at Smart India Hackathon. He was an exemplary student and participated in various co-curricular and extracurricular activities. Kapil was at the helm of the VESIT admissions team. He was one of the people who got selected from the campus and is now working in General Mills.

♦ **How was your time at VESIT? Do you have any vivid memories while you were at VESIT**

In one word it was awesome. The best moment was when we got selected for Smart India hackathon 2018. We had worked hard for 2 years which finally bore fruit.

♦ **The decision of starting your career after MCA rather than after Bachelor Degree, spend the whole 3 years for study again for master's. Was the decision right?**

Opting for either options is based on situations and circumstances. I would say I was lucky to have supportive parents who let me choose MCA and supported me in my journey.

♦ **Why to choose VESIT for post graduation, What are the things or features you takes into consideration while taking admission in this college?**

I had a few things in my mind when I was looking at a college for MCA in Mumbai like Fee Structure, Placements, Infrastructure, Travelling and Student Reviews. VESIT seemed perfect

♦ **How did it feel like coming in on the first day and leaving on the last day at VESIT?**

I feel like it was just yesterday when I first came to VESIT. I remember it was awkward introducing myself to everyone. Last day everyone was happy that we finally completed MCA and most of us have campus placement with us.

♦ **How much and with what would you credit VESIT for where you are now professionally?**

Without VESIT I would not have been able to meet some of the awesome teachers and seniors and staff. I have learned a lot from all of them. Because of VESIT I was able to participate in Smart India Hackathon (SIH) and Work on the admission micro website. The skills I gained while working in SIH and Admission Team helped me in my interview.

♦ **How was your experience while working as one of the team lead in admission committee as well as President of Student Council .**

It was an amazing experience and helped me shape what I'm today.

♦ **Should academics be the only focus of postgraduate students?**

No, it would be one of the Major Focus because your Grades/CGPA affect the number of opportunities you get.

"Quiet diplomacy is far more effective than public posturing."

♦ What suggestions would you give on how to face campus placements?

- Make a crisp and compelling resume also don't lie.
- Prepare for aptitude round and Coding Challenges.
- Prepare the basic and common questions.

♦ To crack interview in company such as General Mills, what is the USP which you need to share with your VESITians?

I would just like to say that know the basics, express yourself, be updated on technology and build your own projects which will be helpful.

♦ What are your plans for the future?

Short Term Plan: Be a SRE/DevOps Engineer.

Long Term Plan: Complete Doctorate.

♦ What recommendations do you have for first year students and final year students?

FY: I would like to say that you have just started MCA pick a technology and master it.

TY: Corporate Jobs is a different Ball Game.

♦ Any words of wisdom for your juniors

Learn to code because now is your chance if you don't know how to code. The learning process is endless.
