

Vivekanand Education Society's Institute of Technology

Parameter: Facilities for Physically Challenged Students

Discipline: Engineering

Vivekanand Education Society's Institute of Technology provides special facilities for the differently abled students to provide them opportunities to acquire quality education and to bring them into the main stream of the society. The college has a social responsibility and perception that differently abled students should be respected and treated as a normal human being.

Our college is having following facilities for Physically Challenged students:

- Ramp
- Toilets
- Medical Room
- Wheel Chair

Ramp:

The college has a special facility of ramp for the Physically Challenged students. The main entrances and exits clearly identifiable and easily accessible. And it can accommodate wheelchair users. Ramp has hand railings and the entrance permitting access to a conveniently located lift.

Special Toilets:

Specially designed toilets are available for Physically Challenged students. They are clearly identifiable and accessible.

Medical Room:

College has a Medical Room with basic medical facilities.

Wheel Chair:

College has Wheel chair facility for the mobility of physically challenged students.
