Dear Sir/Madam,

Congratulations to all the Participating Institutions (PIs) selected under Unnat Bharat Abhiyan, a flagship program of Ministry of Human Resource Development (MHRD) Government of India through a challenge mode application. The Mission of Unnat Bharat Abhiyan is to enable participating higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

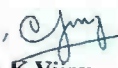

As per the programme, educational institutions is primarily to develop linkage with selective rural clusters (preferably of five villages), to get involved in the planning process and to promote the requisite S&T interventions to improvise and expedite the developmental efforts in those clusters. The approach is a departure from the grant oriented method and would see the participation and commitment of faculty and students in this endeavour.

We shall be processing release of Rs. 10000/- per village under the UBA program. The funds are mainly meant for assistance for awareness, Gram Panchayat Development Plan (GPDP) study, need assessment, and contingency expenditure. There are provision of Rs 1.0 lakh for technological intervention/ solution and Rs 0.50/- lakh for customization of a technological solution under the program. Which you can avail of afterwards by submitting proposals with ratification of the Gramsabha. A two-way channel between PIs and National Coordinating Institute (NCI) as well as Subject Expert Groups (SEGs) for project proposal submission and evaluation has been developed and functional on UBA portal. You can use your login credential for uploading proposals on UBA website '**FINANCIAL AIDS**'. The login credentials are same as your registration login credentials.

You are also requested to keep IIT Delhi, the National Coordinating Institute updated about your activities so that the same can be uploaded on the website of UBA.

Regards and best wishes for your institution for contributing to India's development.

With regards

Your Sincerely,   
**Prof. Virendra K Vijay**

To.  
Vivekananda Education Society's Institute of Technology,

#### THANK YOU CUM APPRECIATION LETTER

“Today's children are tomorrow's future”. We often hear this phrase, but to see it in action is a story in itself.

The students of the VESIT college, represented by their student council, have shown us what this phrase means, and we now know that our future is in the right hands.

Karwaan × असरा, the open mic fundraiser organized by the council, was not just a fun activity, but it also helped contribute to a social cause.

With the pandemic affecting every aspect of our lives, getting through even just a day becomes challenging; and at times like this, every contribution made goes a long way.

The proceedings we received from your event have made a huge difference here at SMIT Home.

Our members live comfortably and in peace, knowing that every one of their needs will be satisfied, and you have played a massive role in that.

We appreciate and are grateful for your consideration and contribution to this family. Therefore, we would like to thank you on behalf of all the members of SMIT.

Thanking You

Sincerely

#### Subject – Letter of Reference

This letter is to certify that 77 students of 3rd year BCE & 55 students of 1st year from VESIT travelled from all over Mumbai and beyond on the weekend to gather on Dadar Beach at 9:00 AM on Sunday, the 25th of August 2019 and on the 18th of January 2020 respectively, for one common objective: Cleanliness.

A total of 750 kg of plastic & other non-biodegradable dry waste was cumulatively collected during both of these drives from 9:00 AM to 12:30PM.

This Beach Clean-up Drive was initiated by Dr. Pooja Kundu and Dr. Sushil Dhuldhhar both Assistant Professors, in Humanities and Applied Sciences Department, VESIT.

The major motive behind this drive was to make students aware of the contemporary issues our society is facing today. They all were dressed in black as a part of their dress code.

This initiative was supported by Mr. Jay Shringarpure, founder of Jay Foundation, who has personally adopted Dadar beach and vowed his best to keep it clean. And to create awareness to say “NO” to plastic and encouragement for its proper disposal.

Yours sincerely,

**THANK YOU**

Dear Team SoRT,

Greetings from Marrow Donor Registry India. At the outset we the people of MDRI would like to thank you and your esteemed 'Vivekanand Education Society Institute of Technology (VESIT)' for the unconditional and immense support towards this noble cause of saving lives. It was a pleasure for us to see the staff and students of your college come forward on the 19th March 2019 to register altruistically and give their blood sample to donate their Stem Cells for a needy patient at the time of requirement.

Please accept our sincere thanks for the excellent support provided by your SoRT volunteers in organizing and hosting our MDRI drive. We wouldn't have been able to experience this overwhelming response of 314 donors from your students if it wasn't for the leadership and kindness of team SoRT towards this cause.

I would like to make a special mention about your principal Dr. (Mrs.) J.M. Nair who took a special interest in this cause and made it happen with total ease. I would like to thank the team members of SoRT who took care of everything during the event and led this event with total sovereignty and diligence.

Last but not the least; we thank the college students who came forward as life saving donors for the needy patients around the world. We registered **314** donors.

We thank you once again for your kind deed and look forward to seeing your team very soon once again next year.

Keep up the good work.

## 18.Campaign for Basic Sanitation Facility for women in remote areas - Service as Volunteer in CRY- Child Rights and you

15<sup>th</sup> June, 2018

www.cry.org

Ensuring lasting change  
for children

### To whomsoever it may concern

This is to certify that Mr. Pranav Dattatray Sarode, student of Vivekanand Education Society's Institute of Technology has successfully completed his internship starting 3<sup>rd</sup> May, 2018 with the Volunteer Action function at Child Rights and You (CRY).

He successfully raised funds for CRY's Online Crowd Funding campaign and raised the committed amount within the deadline. Pranav also publicized the campaign on Social Media to reach out to wider number of people and create awareness about the campaign. Through this Campaign, we appealed to potential supporters so that we can make attempts to ensure that basic sanitation facilities like toilets are available to girls and women in the remotest of corners.

During his course of internship he was able and willing to take on responsibilities. Pranav got tasks completed with minimal training and support. His work performance was consistently strong. We hope that this internship has given him an opportunity to understand issues faced by children and rights of children in India.

We trust Pranav will continue to keep in touch with CRY and will always be an ardent advocate for Child Rights.

We wish him all the best for all his future endeavors.

With Regards,
