

Name of the Organisation: The Women's Welfare Foundation

EMPOWER HER: EDUCATE, ELEVATE, EMPOWER!

Women face significant challenges in education, employment, and entrepreneurship due to financial constraints, digital illiteracy, and limited access to resources. Empower Her addresses these barriers by providing skill development programs, digital literacy workshops, and entrepreneurial support, ensuring sustainable growth and financial independence. By integrating Sustainable Development Goals (SDGs) and leveraging community engagement, the project creates long-term impact and scalable solutions for women's empowerment.

Group No:15

Domain: Application Design and Product Development
