

### Name of the Organization: Rupvan Foundation

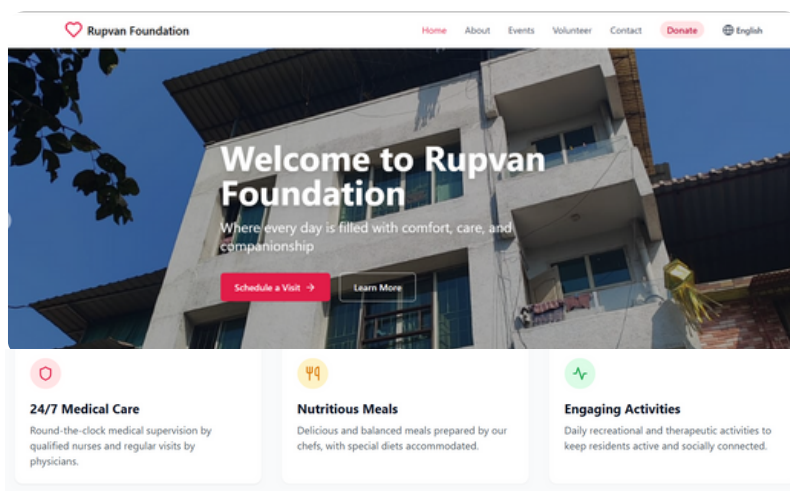

RUPVAN GOLDEN AGE HOME WEBSITE- BRIDGING HEARTS, ENRICHING LIVES.

Rupvan Golden Age Home is a dedicated digital platform designed to enhance elderly care by making information accessible and streamlining communication between residents, caregivers, and well-wishers. Aligned with **SDG 3** (Good Health & Well-Being), it ensures personalized healthcare support and wellness programs for our residents. Through **SDG 8** (Decent Work & Economic Growth), it empowers caregivers with digital tools to provide efficient and compassionate service. Our commitment to **SDG 17** (Partnerships for the Goals) fosters collaboration with organizations and communities to continuously improve the quality of elderly care. With this website we combine tradition with technology to bring dignity, connection, and a true sense of home to every resident.

Domain: Application design and Product development

Department of Computer Engineering, VESIT

Subject: Endorsement Letter for Field Project titled Website for Old Age Home

Respected Madam,

We are pleased to acknowledge that representatives from Vivekanand Education Society's Institute of Technology (VESIT), Department of Computer Engineering, Shivam Jha, Gaurang Gade, Harshita Sewani and Ashutosh Kumar Tripathi visited our institution as part of their academic Field Project.

We certify that activities undertaken by them included Observation and Interaction, Surveys and Interviews, Documentation, and developing a website for Rupvan Foundation's old age home during the period 14-02-2025 to 01-03-2025.

We are impressed with their professionalism and the initiative's potential. Their visit was conducted respectfully and with due regard for the institution's operations and participant's comfort.

We are happy to endorse their efforts and contribution to this important project. We hope that their work will play a significant role.
