**PARVARISH: A WEBSITE TO EMPOWER & SUPPORT NEURODIVERGENT LIVES**

Neurodevelopmental disorders like Autism, ADHD, and Learning Disabilities are often misunderstood in India, leading to stigma and limited support. Parvarish, Navi Mumbai, is bridging this gap through affordable services, education, and community-driven initiatives. To expand its impact, we are launching a dedicated website focused on accessible services, donation & fundraising, and volunteer engagement, aligning with UN SDGs (Good Health, Quality Education, Reduced Inequalities). This platform aims to remove stigma, provide crucial resources, and create an inclusive society where every child gets the support they deserve.
