SWASTH BHARAT YOGA KENDRA - SBYK

In today's digital age, having an effective online presence is crucial for NGOs to reach a larger audience. In today's digital era, NGOs require a strong online presence to maximize their impact and reach a broader audience. Swasth Bharat Yoga Kendra, an NGO based in Ulhasnagar, Mumbai, lacked a well-structured donation page to connect with donors, and provide information about their initiatives. Recognizing this gap, our team decided to develop a page that aligns with Sustainable.
