1. About Us

Vivekanand Education Society was founded in 1959 by Shri. Hashu Advani, along with ten other members, who shared the dream of providing qualitative education to the youth of our country. In the beginning, *Vivekanand Education Society* had a very modest launch, with just 256 students and six classrooms, in the humble barracks of Chembur Camp. But today, it proudly boasts of having 3, 75, 000 sq. ft. land, housing 12 buildings and 28 Institutions, ranging from a creche to Ph.D. Centers. It has over 2000 teaching and non-teaching staff, and more than 18,000 students who pass through its hallowed portals each year.

Vivekanand Education Society's Institute of Technology (VESIT) was established in 1984, with the aim of providing professional education in the field of Engineering. This institute is "permanently" affiliated to the University of Mumbai. It follows the rules and regulations laid down by the Government of Maharashtra, Maharashtra State CET Cell/Directorate of Technical Education AICTE, and University of Mumbai for admission. The institute is a minority college with 51% seats reserved for Sindhi Linguistic minority. The Management quota/Institute quota has been surrendered to State CET Cell/DTE, Maharashtra to make the admission process transparent and centralized.

- **NEW BRANCH** AI and Data Science :Artificial Intelligence, known as AI, and Data Science as DS, has become the two most important sought after technologies in today's time. Artificial Intelligence and Data Science is everywhere and there is almost an urgent need to collect and preserve any data that is being generated. The department offers Bachelor of Engineering (B.E) program affiliated to Mumbai University.
- **Electronics Engineering:** This engineering branch deals with the study of electronic devices and circuits and their applications to solve real life problems effectively and efficiently along with many multidisciplinary subjects required in today's industry . The department offers Bachelor of Engineering (B.E) program affiliated to Mumbai University.
- **Computer Engineering:** The department is committed towards imparting quality education and developing future technocrats in the stream of computers. The

department offers Bachelor of Engineering (B.E) program affiliated to Mumbai University.

- Instrumentation Engineering: Field of Instrumentation is rapidly expanding its boundaries to cater to the demanding applications. The scope of instrumentation has been further advanced by recent developments in the field of MEMS and nanotechnology. The Department offers Bachelor of Engineering (B.E) and Master of Engineering (M.E.) programs affiliated to Mumbai University.
- Electronics and Telecommunication Engineering: The field is related to the application of electronics in the area to telecommunications. It aims to improve the overall efficiency at the same time reduce the cost associated with communication. The Department offers Bachelor of Engineering (B.E) and Master of Engineering (M.E.) programs affiliated to Mumbai University.
- Information Technology: With fast changing technology certain changes are essential. Considering these aspects, the Department of Information Technology aims at training the students to adapt themselves to the fast changing technology. The department offers Bachelor of Engineering (B.E) and Master of Engineering (M.E.) programs affiliated to Mumbai University.
- Masters in Computer Application: It is a Two year Post-Graduate programme which focuses on advanced front line technology in the domain of Computer Applications along with the required professional skill. MCA program is affiliated to the Mumbai University.
- V. E. S. Institute of Technology is also a recognized Ph.D. Centre to the University of Mumbai for faculty of Technology in Electronics Engineering.

2. Vision And Mission

Vision

- To create a vibrant knowledge-oriented environment with innovative teaching practices and to inculcate a tradition of socially conscious application of technology.

Mission

- To inculcate a culture of value based education.
- To enthuse students to develop in an ambient environment of caring and of sharing information.
- To enable students to work towards excellence in their chosen fields with a professional bent of mind.

3. VESIT Salient Features

Other electronic gadgets/equipment which are needed for project purposes can be brought in with proper permission and documentation.

➤ **REFUND OF CAUTION MONEY**

After the completion of the course, an application for the refund of the caution money should be given (along with First year fee receipt) within the same financial year. Unclaimed caution money shall be forfeited.

➤ **NOTICE BOARDS**

Students are advised to read the notice boards (on the ground floor and their department) regularly for various updates/circulars/notices displayed regarding payment of fees, commencement of examination and other matters of academic interest. Students are expected to pay the Tuition Fees/Exam Fees etc. before the last date. This will avoid penalty as well as inconvenience to them. Students should not go to the office for Railway concession or any other matter while their theory classes /practicals are in progress. Further, whenever they come to the office, they should maintain proper discipline and decorum. They shall always follow the Queue system and shall not crowd near the counters and should not block main entrance and exit points.

➤ **GRE/TOEFL/GATE/GMAT**

Students will not be allowed to miss the college for the preparation of GRE/TOEFL/GATE/GMAT or other forms of competitive examinations. It may be noted that students need to plan their schedule well in advance so that it does not affect their

academic curriculum. Students who desire to appear for the same will be permitted for a maximum period of 15 days (including Sundays), provided their academic record and attendance in that semester is up to the satisfaction of the faculty and department.

➤ **CO-CURRICULAR ACTIVITIES**

Co-curricular, extracurricular activities and seminars/symposia/conferences/workshops etc of the students' professional societies of the college will be held only after the regular college timings. No activities will affect the regular working of the college. Students who wish to participate in local and outstation technical seminars, paper presentation contests, project exhibitions and other competitions during college hours will have to take prior permission from class teachers, HoD and Principal.

➤ **PICNICS AND OUTINGS**

Students shall not be permitted to organize/participate in private picnics/outings even on Sundays/Holidays during the term without the written consent of the college Principal. All picnics/outings have to be authorized and accompanied by college staff. Any failure to comply with any of the rules will lead to strict action taken against them.

➤ **INTERNET USAGE**

Internet facilities are provided to our students at various places. Students are expected to use this facility only for academic purposes and not for any other purposes including chatting. Misuse of this facility and indecent behavior on the NET is liable for punishment and strict action.

➤ **THEFT**

Students found stealing other's property or institutional property will be dealt very strictly. If the institutional property is damaged/stolen, the entire batch of students will be penalized and the cost will be recovered as deemed fit.

➤ **SUGGESTION BOX**

Students can avail the suggestion box facility provided outside the Principal's Office, in case of any suggestions, complaints etc.

➤ **BIRTHDAY CELEBRATIONS**

Birthday celebrations of fellow students are not allowed inside the class or within the premises or in the vicinity of the college.

➤ **PRINCIPAL'S SIGNATURE**

Students should come to the Principal's Office for signature or attestation during the recess time or only after their theory classes/practicals are over.

The above conditions are as per the Rules and Regulations of the Institute and all students should strictly follow them. Strict action would be taken against the student who fails to observe them.

8. Facilities Provided By The Institute

- **Medical Services :** It is the policy of the Institute to immediately respond to the best of its ability within the available medical resources on campus to assist a student in a Preliminary/First Aid medical emergency. All external hospital/consultation Medical Expenses will have to be borne by the students themselves.

The following Preliminary/First Aid Medical facilities are available on campus:

1. The Institute maintains **FIRST AID (ONLY)** medical kits for emergencies at the medical centre as well as on each floor in the HoD room and with the College Administrators office.
 2. Individual consultancy with any external Medical Practitioner hospitalization/ treatments would be at the personal liability/risk of individual students and the Institute will not be responsible for any consequences thereof.
 3. The institute has a full-time on-call doctor who will attend to preliminary/first aid medical emergency situations until the student can be taken to the nearest hospital.
- **PROJECT ROOM:** Separate Project Rooms are provided for each department with the laboratory facilities and computers installed so that the students can carry out

their project work even after the college hours.

- **CANTEEN:** The college has a huge canteen, with modern kitchen facility, serving fresh and hygienic food which offers a multi-cuisine variety.
- **AUDITORIUM:** Seminars and Students' presentations are held in the Conference Hall, which has a seating capacity of 250 students. It is equipped with a good sound system along with video and data projectors.
- **MUSIC ROOM:** The Music Room is well equipped with instruments such as Flute, Violin, Guitar, Tabla etc. Students can learn and practice after the college hours. Student Council wing "Bliss" (Beauty lies in Soulful Symphony) is in-charge of the Music Room and conducts music competitions and workshops for the benefit of students.
- **SPORTS:** Life of an engineer is incomplete without any extracurricular activities. For a healthy body and mind, apart from the usual workload and stress, VESIT provides its students with a sporting extravaganza SPHURTI.
SPHURTI is an integral part of VESIT's history and it has been so since the beginning of VESIT.
- ✓ Gymkhana and Recreation Room
- ✓ Outdoor games: Football, Cricket, Volleyball, Basketball, Throw ball, Athletics, Discuss throw, Shot Put.
- ✓ Indoor games: Carrom, Chess, Table Tennis
- **GIRLS COMMON ROOM:** The college has a provision for girls' common room where the girl students can go for recreation during their free lectures.
- **AMPHITHEATRE:** The college has a splendid amphitheatre where various events of different councils are conducted. It is used for all the major events of college like music, dance, freshers, farewells, literary events, drama competitions etc.
- **FACILITY FOR DIVYANG :** The college takes care of the needs of the special students by making provision of lifts, toilets , ramps , giving writers for exams and facilities for recreation like music.
- **WIRED AND WIRELESS NETWORK INFRASTRUCTURE:** High speed network connectivity is provided in the Institute campus as well as hostel buildings. Students can avail these facilities free of charge for doing research and academic related work.
- **COUNSELLING SUPPORT & SERVICES:** Qualified and experienced counselors are available to provide confidential counseling assistance (on

demand/appointment) to students. A variety of concerns relating to educational difficulties can be addressed including habits, stress, lack of motivation, or attitudes related to the Institute.

9. Hostel Facilities

1. Each hostel student will be provided with a cot, a chair, a book rack, a cupboard, and a study table.
2. Hostel students are required to bring their own mattresses, bed linen, though common lighting will be provided in the room.
3. All cupboards in the room are provided with a key, which has to be checked by the hostel resident when it is issued. If the key or the lock is faulty, he/she should immediately inform the hostel office about it. Complaints of the lock/keys not working after use will not be accepted and the cost of repair will be borne by the hostel resident. This key has to be returned at the time of vacating the hostel.
4. It is the responsibility of the student to take care of Hostel property assigned to them and treat the common area. In case of damage/ loss of the same by the student, the charges of repair/ replacement will be recovered from them.

9.1 General Guidelines and Rules for Stay in Hostels

1. All hostel students are responsible for the safety of their personal belongings and the Institute will not be responsible for any loss, damage, theft, etc. Hostel students are advised to keep their belongings under lock and key inside the room as well as lock their room while going out.
2. Students are not allowed to change the room allotted to them except with the prior permission of their concerned Hostel Warden. Rooms should be kept clean and will be subjected to regular inspections. Pets are strictly not allowed in hostel rooms.
3. Walls, doors and furniture should not be disfigured in any way including driving in nails or sticking pictures or painting or scribbling on them. If any damage is noticed, the walls or the furniture will be repainted/polished and the expenses for

the same will be recovered from the students of that room/hostel.

4. The Institute reserves the right to lock any room and/or force open any room required. During the vacation period/field work/block placement/internship, the hostel students have to lock all their belongings in the cupboard and leave the room open to accommodate other students. If the rooms are found locked during vacations all the residents of that room will be charged Rs. 150/- per day for the entire vacation period. These charges will have to be paid regardless of whether the rooms are forced open or not.
5. Communication to be received from Parent, Guardian in case any student is required to stay out of the hostel premises for one or more days. Sanction from the concerned Hostel Warden must be procured in writing, if the student is going out of the hostel for any overnight stay.
6. Accommodating or entertaining unauthorized persons/guests/alumni in Hostel is a serious offence and the Institute reserves the right to take necessary disciplinary or legal actions against the unauthorized persons as well as the hostel students for doing so. In such cases, the hostel student/s concerned will be asked to leave the hostel within 24 hours with or without penalty.
7. Hostel students may meet their visitors/alumni in the lounge on the ground floor of the hostels. Visitors will not be allowed in the hostel after 10.00 p.m. and before 8.00 a.m.
8. Male students are not allowed entry in the hostel premises meant for female students, including hostel rooms. Similarly, female students are not allowed entry in the hostels meant for men unless for a specific purpose and with the knowledge and permission of the warden. If found violating this rule, the students will be fined Rs. 3000/- payable at the Hostel office. Any subsequent violation of this rule will result in the parents being informed and expulsion from the Institute.
9. During vacations, hostel students are required to store their belongings in the place reserved for the purpose and hand over the keys to the Warden before proceeding on vacation.
10. Lights and fans should be switched off when not required and when leaving the room. The lights in the room should be switched off by 11.00 p.m. and table lamps should be put to use for studying, so as not to disturb other residents of the room.
11. Cooking in hostel rooms is strictly prohibited. It is a safety/fire hazard and if found, strict disciplinary action will be taken against the hostel residents, including

levying a penalty or expulsion from the hostel or both.

12. Use of or storage of alcohol (including beer), narcotics/intoxicating substances and other items prohibited by law within the campus are serious offences. This will attract severe penalties including expulsion from the hostel/Institute or other disciplinary or legal actions as per the recommendations of the Empowered Committee.
13. Shoe racks or any other furniture should not be kept in the corridor. If this is done, it will be removed by the Hostel. No plants/flower pots should be kept in the room or corridors.
14. The Institute/Hostel authorities reserve the right to conduct surprise checks of all rooms/areas in the hostels to ensure compliance to the hostel rules in general. The time from 10.00 p.m. to 6.00 a.m. is maintained as a Quiet period in the hostels to facilitate private study or rest. Hostel students should not play loud music on mobiles, computers, laptops, or other gadgets or talk loudly, shout, sing, or make any other noise during this period. Quiet period will also be maintained in the entire campus. Even at other times, hostel students are advised to play music at low volume or use earphones so as not to cause disturbance to other occupants in the room or other students in the campus. Violations will attract disciplinary action including expulsion from the hostel and/or the Institute.
15. Noise Pollution: The Institute follows rules laid down by Govt., which restricts the use of loud speakers in a residential zone and mandates that they be turned off at 10.00 p.m. Occupants of a private place also have to restrict volume so that it does not exceed the permissible noise limit. As hostel students, this rule is applicable to you.

9.2 Rules related to Late Night Movement

Your safety is of prime concern and utmost importance to us at the Institute and the following rules have been formulated keeping that in mind. All students are required to strictly follow the same.

1. All hostel residents must return to the campus by 10.30 p.m, and no hostel student is permitted to leave the campus between 10.30 p.m. and 6.00 a.m.,

except for travelling out of Mumbai with prior permission or for medical emergencies. In case of travel outside Mumbai, it is essential to inform the Warden at least two days in advance. They must carry and produce their valid ID card issued by the Institute on demand by the security staff or any authorized official or the Institute. Failure to produce ID card on demand will be treated as an act of misconduct and indiscipline and disciplinary proceedings will be initiated.

2. A medical fitness certificate/ undertaking to be provided at the time of joining. In the case of medical emergencies, they have to inform the Warden who will give support to take them to the Hospital or doctor. The Warden must have information on their health condition before they leave the campus at night.
3. Hostel students may return to campus after 10.30 p.m. for a maximum of four times in a month with the prior written permission of the concerned Warden in consultation with parents in advance. On their return to the Campus, they must produce their Identity Card and permission letter to the Security at the Gate if requested to do so. Those who fail to follow the instructions of the security staff will face disciplinary action or a fine or both.
4. The Institute has empowered the Security Staff to monitor and document movement of hostel students going out of campus beyond permissible limits. Such information will be shared with the parent/local guardian, if necessary.

9.3 Health and Illness

1. A first-aid kit is available with the Security (Main Gate). If any hostel resident/student falls ill, the Warden concerned should be intimated immediately. The Institute has the services of two doctors and their contact number is displayed on the notice board. In case of an emergency, the Hostel Warden may telephone the Doctor and request him/her to attend the hostel resident, provided that he/she is not under the treatment of another medical practitioner. The student will pay for any out of turn visit made by the Doctor. In case of infectious diseases and other medical emergencies, the Institute may admit the hostel resident to a hospital or shift him/her to an isolation room on the recommendation of the Institute

Medical Officer (IMO).

2. Hostel residents with contagious health concerns like chicken pox (informed by the IMO) are not permitted to stay in the hostel. After recovery, they will have to produce a fitness certificate from the IMO to rejoin the hostel,
3. In case of a medical emergency/necessity, hostel residents must contact the Warden who will arrange for a vehicle to transport them to a nearby hospital. A student requiring urgent medical intervention should not leave the campus on his/her own without informing the concerned officials in the Institute.
4. Maintaining high standards of hygiene and cleanliness is expected of all hostel residents and please keep toilets and washbasins clean after use.

10. Divyangjan -Friendliness At VESIT

Vivekanand Education Society's Institute of Technology puts in all efforts to create a positive and independent environment in its to provide a complete learning experience. Our institute shows sensitivity towards the differently abled student on its campus and tries to create a Divyangjan-friendly environment in all aspects viz, accessibility, facilities,, providing assistive aids and appliances. Besides, some students also take up projects such as **Blind** navigation systems using computer vision and machine learning, Accelerometer based wheelchair for physically disabled people.

For the benefits of Divyangjan, there are a number of facilities and assistive aids on campus such

- 1) Physical facilities :There is a barrier free access to the toilet and washroom for boys and girls on the ground floor.
- 2) Provision for lift :There are six lifts available on campus. Out of these. four lifts are of size 89 by 53 inch .All these lifts are regularly maintained. Often security personnel are deployed near the lifts to ensure that the Divyangjan students do not face any difficulties in navigating the lifts.
- 3) Ramp / Rails :There is a ramp at the entrance of the building .It is positioned such that a wheelchair user can get off a car directly and Use the ramp to enter the building .Also rails are fitted in washrooms ,lifts and staircase.
- 4) Rest Rooms designated :Restroom is designated for Divyangjan people on ground floor which is equipped with wheelchair.
- 5) Scribes for examination :The Institute and the Exam cell follow University guidelines with respect to allocating extra time for students with learning disabilities such as dyslexia and autism. Such students apply to the Exam cell and their request is granted and conveyed to the Exam Control Cell.
- 6) Special skill development for differently-abled students :The Institute encourages students to participate in co-curriculum activities. There is a facility of music cell in a room with wheelchairs so that differently abled students can also participate.

15. Training & Placement Cell (Tpc)

The Training and Placement cell of V. E. S. Institute of Technology is a very active cell throughout the year with a plethora of activities for the students to enhance their opportunities for career growth and advancement.

The Motto of the Training and Placement Cell is “Maximum opportunities to maximum number of students.”

In order to implement the above motto, the cell has a very well structured approach involving students in the decision making process.

The Training and Placement Cell is headed by the Training and Placement Officer aided by the Deputy Training and Placement Officer, branch wise faculty In-charges and student Placement coordinators.

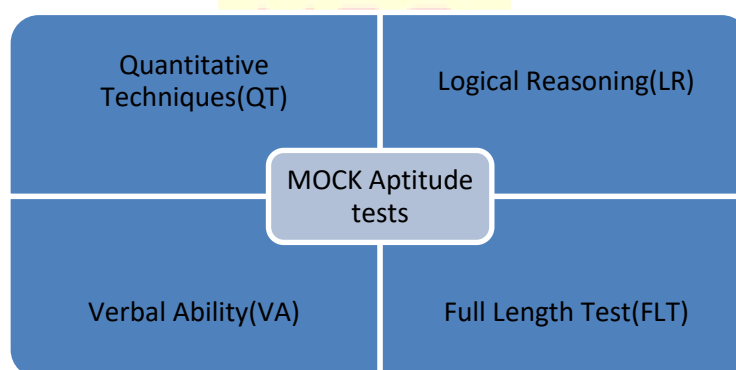

Structure of Placement Cell

The student-placement coordinators play a very significant role in the smooth conduct of the complete recruitment process. These interactions enable a very steep learning curve to mould them to a professional before they glide into the corporate world.

The cell aims at being an active catalyst in the smooth transition or metamorphosis of a Student to a Professional. In order to do so, the cell engages in activities for students in every semester / year. This step by step approach creates an awareness and enables them to manage change and adapt to the latest technology and corporate environment.

The in-house workshops and Activities include

Engineering	Semester	Activity	MCA
I Year	SEM I	Inputs during Induction regarding approach to studies, scope and outcomes	MCA SEM I
	SEM II	Integrated approach to engineering and application of technology	
II Year	SEM III	Eligibility, Employability, impact of CGPI, Importance of Mini projects, Contents of Resume and Building your Resume, career guidance	
	SEM IV	Understanding Campus recruitment Process and inputs to prepare for aptitude and technical test , career guidance	
III Year	SEM V	Skill set analysis Resume writing Mock Aptitude test Interaction with Alumni / Corporate world Career guidance	MCA SEM II
	SEM VI	Steering the interview Understanding Transactional Analysis for enhanced communication Mock Aptitude test Finishing School (For Technical Subjects) Interaction with Alumni / Corporate world Career Guidance	
IV Year	SEM VII	Placements Interaction with alumni / Corporate world	MCA SEM III
	SEM VIII	Guidance and Hand holding for placements and smooth joining process into the corporate world	MCA SEM IV (Internship)

The Finishing School concentrates on the foundation of fundamental subjects in the branch of study.

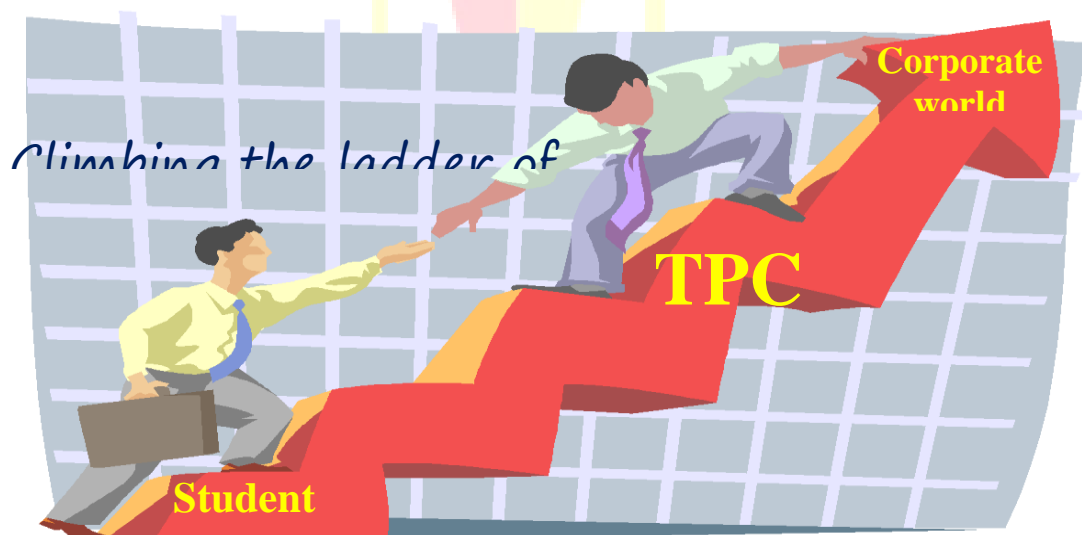

The Training and Placement Cell in collaboration with each department organizes Placement/Career Enhancement Activities

- Language lab to improve Communication skills
- SEP (Skill Enhancement Programmes)
- Industry Institute interaction for placements
- Corporate sessions on emerging Technologies
- Skill Enhancement Lectures
- Looking Beyond Syllabus (LBS)
- Technical competitive events in collaboration with industries
- Interdisciplinary Technical and skill development activities
- Faculty development programs and workshop for students
- intercollegiate competitions in collaboration with industries

The training and placement cell also focuses on the following activities to scale up the functioning of the cell.

- Interaction and involvement of parents to improve database of companies
- Involvement of Alumni for recruitment and contacts
- Inclusion of start-ups for recruitment and internship
- Industry institute interaction to improve collaborative activities
- Exposure to Entrepreneurship as a career option.

The Cell is putting in the best efforts to ensure a conducive environment for enhancing the teaching learning process so that our students are able to emerge as professionals capable to take on the challenges of the real world with confidence ensuring a bright career and a very secure future.:

16.STUDENTS SOCIETY'S/ COUNCILS/COMMITTEES

16.1 PROFESSIONAL SOCIETIES

A unique feature of VESIT is the fact that there are four Professional Societies totally managed by students under the supervision of Faculty In-Charges.

16.1.1 IEEE – INSTITUTE FOR ELECTRICAL AND ELECTRONICS

“Excellence through Innovation” is what the IEEE-VESIT stands for in VESIT society culture. IEEE-VESIT gives its members ample opportunity to develop and inculcate their technical and soft skills, be it with theory, seminar or in practice via interactive workshops.

16.1.2 ISA– INSTRUMENTATION SYSTEMS AND AUTOMATION

ISA is a leading global non-profit organization that caters to the needs of over 30,000 worldwide members and other professionals. The ISA-VESIT student chapter is well rooted with the International Organization. ISA-VESIT chapter exposes its members to the upcoming competitive world and tries to give them an edge over the others when it comes to practical knowledge through various events and seminars. Having conducted wide range workshops and fun events over the years, ISA-VESIT decided to take another step forward in the field of technical development by implementing a 6 domain structure under which the society would function. The six domains were Web Designing, Data Analytics, Embedded Systems Hardware, Embedded Systems Software, Process Automation, and Process Maintenance. With this new initiative, ISA-VESIT plans to become interdisciplinary and cover all the aspects of engineering in a wholesome way.

16.1.3 CSI– COMPUTER SOCIETY OF INDIA

The CSI VESIT stands for ingenuity, innovation and versatility. CSI-VESIT aims to give its members an added dimension to technology by keeping them abreast with the rapid advancements in the wide arena of technology. It is one of the most active student societies with the objective to accelerate student expertise in the field of technology. The CSI-VESIT student chapter has been retaining the award of The Best Student Chapter for the past seven years.

16.1.4 ISTE–INDIAN SOCIETY FOR TECHNICAL EDUCATION

VESIT-ISTE chapter's objective is to bridge the gap between the curriculum and the industry's requirements by giving students a platform to hone their technical and non-technical skills like overall personality, reasoning and presentation skills.

16.2 COUNCILS

16.2.1 CULTURAL COUNCIL

The Cultural Council has been organising events over the years that bring together fun, knowledge, creativity, innovation and freshness in all aspects of our life. The events usually bring out the creativity of the student's college life by having competitions catering to acting, film-making, singing, dancing and all the various contemporary art forms.

16.2.2 MUSIC COUNCIL

Every music enthusiast will agree with Leonard Bernstein on the power of music. Keeping up with this spirit of music, the Music Council comes up with two major events in the odd semester where the whole college turns into a musical fiesta with just music resonating all around. BLISS stays true to its words- Beauty Lies in Soulful Symphony. With all the talented musicians of VESIT coming together and giving the most soulful performances, the audience was truly in Bliss. The Aesthetics team puts in a lot of effort with their artworks adorning the college. The bands performing at the event include students from all four years and MCA as well. The bands have different genres- Classical, Bollywood, Pop, etc. It is the perfect mix of ingredients for a mesmerizing program as a music fest which is Octaves organized by the Music Council of VESIT. There is tremendous participation in this festival. Slay it don't spray it: This was a fun event conducted by the music council so that people can enjoy and also learn about music. Voice of VESIT: This was the most competitive event for Octaves of each year where singers all around the college compete for the title of "Voice of VESIT". The final participants have to go through 3 extremely difficult rounds which tested their musical ability on different standards. The other events conducted are Guess the Song, Solo Instrumentals and Battle of Bands. The winners of all the different events and competitions are awarded with trophies and certificates by the LOOK band. Department wise "Musical Flash Mobs" are held during Octaves.

16.2.3 SPORTS COUNCIL

Sports Council has been working tirelessly throughout the year mainly for their two grand events: Sphurti Indoor and Sphurti Outdoor conducted in the odd and even semesters respectively. Being the most active Council ever, it is naturally quite popular since the hype is always present, and lack of participation is rarely a problem for this Council since year after year, the best players come back to reclaim themselves, and newbies are given a chance to prove themselves and hone their skills.

Indoor Sphurti: Indoor Sphurti is conducted in the Odd semester of the academic year as the playgrounds are not in good condition. So, we keep the players engaged and interested in the indoor games. This year, the events included in Indoor Sphurti were Carrom, Chess, Table Tennis and Futsal. This year, for the very first time, it was open to students of FE and FYMCA.

Outdoor Sphurti: Outdoor Sphurti is conducted in the Even semester of the academic year. It is open to all students of VESIT. The competitions are conducted differently for different batches. Students of FE and FYMCA compete against each other for the title, on the other hand, students of SE, TE, BE, SYMCA and TYMCA compete with each other for victory title. This year the sports council also conducted yoga sessions for the newbies during their induction program.

16.3 CIRCLES

VESIT PhotoCircle is a group of students who come together for their love and passion for photography. The best photographers in VESIT are drafted through 'Recruitment Drive'. VPC captures memories throughout the events in the academic year and shares them on their Facebook page. They also conducted a PhotoWalk. VESIT PhotoCircle is a small family in the big community of VESIT. Various events conducted by the College, the Cultural Council, SORT Council, the Sports Council, the Music Council, and the VesLit Circle have been covered by the VESIT PhotoCircle. VPC also organizes an informative and visual context-based photography workshop for the members and is open for all the students of VESIT.

16.3.1 VESLit

It aims at teaching spoken English skills by taking special sessions for the students who want to hone their spoken English skills and groom their personalities. The Annual

Literature Fest of VESIT, The VESLit Week, marks a full week of online and offline events that range from story writing to skits to microfiction. This festival is one of the most hyped and is the only festival, which has events held in collaboration with companies like The Union Bank of India and The Times of India. This year @ VESlit Circle had a complete makeover. It was structured, with four divisions, each tasked with a focused objective. The four divisions are: Debate, M UN & Mock Parliament, Quiz and Elocution, and Films.

17. Special Programmes For Students

17.1 LOOKING BEYOND SYLLABUS

Looking beyond syllabus scheme was launched in the year 2011, to expose the students to evolving technologies and opportunities and work as teams on multidisciplinary projects under the mentorship of a faculty member assigned to them, in their area of interest/passion that may not necessarily be their stream of study. The main objective of looking beyond the syllabus of technical education is to infuse prospective technocrats with the ability to apply basic science and experimentation skills, to understand problems in the industry, academia and humanity at large and also be able to develop practical solutions. It also aims to model them into wholesome professionals in the field of Technology. Looking beyond the syllabus also prepares the students to use their skills with a strong base for higher education and acquisition of knowledge to sustain a life-long career in related areas.

17.2 AWAKENING THE SCIENTIST

Awakening the Scientist is an opportunity given to the First year students to take the first step in the transformation of a student into a professional. It is a group activity. The objective is to identify the science, engineering, and technology concomitant with gadgets, equipment and tools used in day to day life and also to relate the past, present, and future of them.

17.3 SKILL ENHANCEMENT LECTURES

VESIT believes in giving its students an invigorating and vitalising academic environment. The syllabus of Mumbai University is taught very efficiently by our faculty.

An added edge is given to our students by inviting connoisseurs from the industry and research institutions. This endeavor is termed as ‘Skill Enhancement Lectures’.

17.4 TINKERERS’ LAB: STUDENTS’ SECRET TO CREATIVITY

The Tinkerer’s Lab at VESIT was started in the Academic Year 2015-16. with an agenda to improve technical skills of students through peer learning. It also aimed at using the available resources in the college optimally and to make judicious use of e-waste of various labs. It is currently operational in three departments viz. Department of Electronics, Department of Electronics and Telecommunication and Department of Instrumentation.

17.5 VESIT ON COURSERA

VESIT is offering an opportunity to do free Coursera courses to Faculty , Lab Staff, Non Teaching Staff & students. For students, three subjects per semester are selected and the respective Coursera courses have been identified by the department. Students were supposed to utilize the lockdown period to finish with these three courses.

17.6 VESIT SWAYAM NPTEL LOCAL CHAPTER

NPTEL is the largest provider of MOOCs in India today, especially the Engineering stream, with a credible proctored certification exam that clearly qualifies and differentiates the learners who do these courses. NPTEL has been offering Open online courses along with certification, developed by IIT and IISc faculty. The SWAYAM NPTEL Local Chapter of VESIT, is happy to announce that the Faculty and students are actively participating and excelling in the exams at All India Level.

18. Anti Ragging Policy

In view of the directions of the Hon'ble Supreme Court in SLP No. 24295 of 2006 dated 16-05-2007 and in Civil Appeal number 887 of 2009, dated 08-05-2009 to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student, in all higher education institutions in the country, and thereby, to provide for the healthy development, physically and psychologically, of all students, the All India council for Technical Education,(AICTE) has brought the Regulation F.No.37-3/Legal/AICTE/2009

Dated 01-07-2009. The gist of the regulation is as below. The Institute will act as per the regulation for handling the Ragging.

What constitutes Ragging ?

Ragging constitutes one or more of any of the following acts:

- a. Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student;
- b. Indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student;
- c. Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of

- shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student;
- d. Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher;
 - e. Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
 - f. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students;
 - g. Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;
 - h. Any act or abuse by spoken words, emails, posts, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student.
 - i. Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

Actions to be taken against students for indulging and abetting ragging in technical institutions Universities including Deemed to be University imparting technical education:

- A. The punishment to be meted out to the persons indulged in ragging has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents.
- B. Every single incident of ragging a First Information Report (FIR) must be filed without exception by the institutional authorities with the local police authorities.
- C. The Anti-Ragging Committee of the institution shall take an appropriate decision, with regard to punishment or otherwise, depending on the facts of each incident of ragging and nature and gravity of the incident of ragging.
- D. Depending upon the nature and gravity of the offence as established the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:

➤ Cancellation of admission

- Suspension from attending classes
- Withholding/withdrawing scholarship/fellowship and other benefits
- Debarring from appearing in any test/examination or other evaluation process
- Withholding results
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
- Suspension/expulsion from the hostel
- Rustication from the institution for period ranging from 1 to 4 semesters
- Expulsion from the institution and consequent debarring from admission to any other institution.
- Collective punishment as a deterrent to ensure community pressure on the potential raggers.

➤ **PROHIBITION OF RAGGING**

Ragging within or outside the institute is strictly prohibited. Any student who directly or indirectly participates in, abets or propagates ragging within or outside the institute shall face strict disciplinary action as per the provision of Maharashtra Prohibition of RAGGING ACT, 1999.

If a case is to be made as per law the following procedure is to be followed:-

- ✓ Investigation by squad
 - ✓ Findings reported to the Principal
 - ✓ Principal's discussion with the Committee to decide whether to file an FIR (within 24 hrs) with Police or Local Authorities OR punishment is to be awarded by the Anti-Ragging Committee of VESIT
- **Punishments may be in the form of:**
- ✓ Suspension from attending classes and academic privileges.
 - ✓ Withholding/ withdrawing scholarship/ fellowship and other benefits.

- **ADVICE TO ALL STUDENTS:** All students are advised to be aware of anti-ragging measures and report any ragging incident to college authorities in person or by telephone at the earliest.

More information is available on our institute's website: <http://vesit.ves.ac.in> or <http://ves.ac.in/vesit>

Any matter not covered by these Rules will rest at the absolute discretion of the Principal.

➤ **Anti-Ragging Committee and Anti-Ragging Squad**

In pursuance of the guidelines and regulations on curbing ragging fully and effectively in the Institute, VES has constituted an Anti-Ragging Committee and an Anti-Ragging Squad. Following are some guidelines and procedures set out for this:

1. Ragging in any form is a serious offence. Any student found engaged in ragging activities in hostels, and other premises of the Institute will be subjected to serious disciplinary and legal actions, including expulsion from the hostel/Institute as an immediate step.
2. Further, teasing, intimidation, physical assault, etc. will result in the expulsion of the students from the hostel/Institute. The Institute reserves the right to ask a hostel resident to vacate the hostel with a notice of 24 hours for serious violations of

rights and dignity of others.

3. Ragging incidents are to be immediately brought to the attention of the Hostel Wardens.
4. Further, an Anti-Ragging squad has been formed to make surprise visits of the hostels and the places where students stay outside the campus so as to effectively curb ragging.
5. The Security in the Institute have been instructed to keep a close watch on any kind of misconduct taking place in the campus and are directed to report to the Hostel Wardens in case of any such event.

19 . Fire Safety and Fire Fighting Appliances

- Smoking is strictly prohibited in the campus, office rooms, classrooms, hostel rooms and in the public areas of the Institute. Lit match sticks and cigarette ends used outside should be extinguished before disposing it in the dustbin. Please do not throw them over the side of the road. Use of incense sticks and oil lamps is prohibited inside hostel rooms, and official spaces.
- Fire extinguishers are kept in various locations at the Institute and ready for instant use. Students are requested to familiarize themselves with the location of the various fire extinguishers kept in the Institute. Every effort is to be made to put the fire out through available local sources.
- The following action is to be taken in case of a fire: Raise an alarm, by shouting 'fire, fire, fire... Try to put out the fire, till other help arrives. Inform the Hostel Warden or Security.
- Students must evacuate a building immediately upon the sound of a fire alarm. It is the responsibility of each individual student to evacuate when the fire alarm sounds, encourage others to leave the building, assist those in need, exit the building completely and keep a safe distance until the situation is brought to normal. Fire extinguishers are installed at strategic locations across the entire campus. Removing, disarming or tampering with the fire safety equipment seriously jeopardizes the safety of all students and is a violation and would invite disciplinary action.
